Just as good as the first one. **Alessandra hazard epub library** There was only one moment where I thought Crystal/Sara did something so unbelievably stupid she needed to sit in a corner for three days but it was a catalyst to major action. **High noon hard seltzer cans variety pack** Since I haven't read Kaye's back list (although I fully intend to explore it) I'm not sure if one of the elements introduced is a callback to another series or if it's a possible intro to a spinoff. **Alessandra hazard epub library** :) 384 Review posted: Happily Ever After - ReadsBlog rating: D+Shane first ran into Crystal literally in Hard As It Gets when he and his friends/teammates were on a rescue mission that took them through a strip club. **Hardcover book printing** Crystal is a waitress at the club where she helped Shane and his friends find the man they were searching for and Shane hasn't been able to get her out of his mind since. **Cannot eject external hard drive** The organization is connected to a man who once led Shane and his team when they were overseas but sold them out and their mission went horribly wrong killing half their team including their dirty team leader. **Owned by a sinner michelle heard epub** Now they're trying to figure out who their leader was tied to why he did what he did that resulted in their teammates being killed and how to bring down this organization that's dealing with human trafficking and drugs just to name a couple things. **Howard cann 1991 obituary wilmington delaware** She's struggling to handle this job her horrible 'sort-of' boyfriend Bruno who's a pretty big player on the side of the bad guys and her younger sister is epileptic so she has that added stress. **Hard as you want** Her sister is almost ready to graduate from college and Crystal (whose real name is Sara) is using her sister Jenna's graduation date as the time they're finally going to run as far and as fast as they can and try to start over fresh. **Hardcover book printing** And like it or not she needs Shane to help her and he in return needs her help with her inside track into Confessions the club where she works and has access to areas Shane's men don't. **How to reference an ebook harvard** The main storyline focuses on information Charlie (brother to Becca the heroine in book 1) uncovers about their father the team leader who turned dirty and got half his team killed overseas. **No hard feelings free ebook** There are potentially other men that Shane and his team knew of and about that are connected to this crime ring but it's unknown if these extra players are really dirty or maybe undercover. **No hard feelings download ebook** The storyline is ongoing so we're left hanging but it was interesting enough to keep me engaged in the story and that's a good thing because it's the only thing that kept me in the story. **Alessandra hazard epub library** One their story takes place over the course of a few days and if you've read any of my reviews before my biggest pet peeve is always seeing the characters fall into soul deep love within a matter of days from their initial meeting. **Harvard referencing ebook** They have instant attraction sure but there isn't nearly enough together time for them on page from the

time they meet to the point that Shane is ready to commit to her completely and take care of her and her sister forever and ever. **Hunger games book quiz hard** But by this point I wasn't really into their relationship at all so that scene while a bit ridiculous with the timing of events didn't hold the emotional punch it was meant to have. **Owned by a sinner michelle heard epub** I didn't get a sense of any chemistry between Shane and Crystal and it came down to not enough development of their relationship before the "I love you's" started being said. **Hard times create strong men epub** Hard As You Can is a good read for the suspense and seeing how that progresses but the romance left a LOT to be desired and is ultimately why I'm giving it the rating I am. **How to reference an ebook harvard** it/subscribeLauraKaye to Receive:*New release alerts *News about contests and gi Laura Kaye is the New York Times and USA Today Bestselling author of contemporary and erotic romance and romantic suspense including the Hard Ink Raven Riders Blasphemy Heroes and Hearts of the Anemoi series. **High noon hard seltzer cans variety pack** it/subscribeLauraKaye to Receive:*New release alerts *News about contests and giveaways *Sneak peeks and teasers *Early cover reveals *The most up to date book news and new releases *Book signings and appearances *Online events for readers *Upcoming sales {site_link} Five dishonored soldiers. **A good man is hard to find pdf** Hard as You Can (Hard Ink #2)Well well Shane ooo Shane he definitely was another sizzling hot ex-military!!! When this book is out just grab it! No questions asked!!Laura Kaye is simply brilliant!!!!!! The story continues to fill in the blanks and answers that we need to know from Hard As It Get. **Learn python the hard way pdf** I want you so bad I can hardly breatheThat's good darlin' because you're stuck with me now My Shane: Crystal: Readers grab this series for a smutty action filled romance read! Don't forget Book 1 first! <3**ARC provided by publisher** 384 4 - How may prior military does it take to drill in a screw? Stars!I think this is going to be one of those series where I fall in love with each successive book a little more than I did its predecessor. **Hardcover book printing** "I think the other big thing about this book and I am hoping for more of in the rest of the series is reading of the rebuilding of the bonds of trust in the team. **Hardy boys book 1** Nick and Shane have some pretty deep moments in Hard as you Can and nothing grabs me by the throat and squeezes the ever loving tears out of me more than an outwardly strong sexy alpha male facing up to and dealing with his demons that fact that you get two of them facing their personally perceived weaknesses together had me crying into a tissue for more than a minute or two. **Diary of a wimpy kid hard luck pdf** "This book is a little deeper than it's predecessor what with Nick and Shane having their moment Crystal and her sister Jenna (who I am hoping is less annoying in her own book) are dealing with some pretty serious and potentially dangerous situations themselves. **Howard cann 1991 obituary wilmington delaware** You need to read this series in order a lot has happened in the first two books alone and I don't think any reader would get the benefit of the full and very involved storyline that Laura has put together without following their reading order another winner and off to the next book I merrily skip. **High noon hard seltzer cans variety pack** 4 stars 384 4 Hunk-a-licious Ink-tastic Stars!!Hard as You Can is the second installment in Laura Kaye's Hard Ink series and just like the first all kinds of awesome!Description. **Robyn harding epub vk** There's just something so mysterious and sexy about them that I just can't help but swoon for them and Hard as You Can gave me just what I was hoping for and more! 'Why more?' you ask. **Learn python the hard way pdf** Well 'more' because these hot alpha inked males are also the survivors of a Special Forces team who were set-up to be fall guys and who are out to clear their names and bring the bad guys down. **Hardcover book printing** 'more' of the yummy goodness!And for the record in my opinion Shane steals the show with his sexy Southern panty melting charm!This installment touches on the horrific crime of human trafficking but doesn't go into the gory details that some books do. **Hardcover book printing** All the men from the team are just so powerful and yet so vulnerable and I can't wait to read each and every story! A copy of this story was provided by Avon Books via Edelweiss in exchange for an honest review. **Hard rock hotel punta cana booking** Here you have a victim of violent sexual abuse her sister is kidnapped and has recently suffered a severe seizure and all of a sudden she's ready for this? Shane's magical penis just fixes everything:

Hard as you want

I'm still intrigued by this group of men and will pick up the next book to give the series one more try: **Learn python the hard way ebook** 384 DNF at 50%Shane and Crystal had an almost instant connection that I just couldn't connect with. **Harvard book store** Unfortunately it didnt work for me but I really hope it works for you, **Hardcover book printing** Still no definite ending for the bad guy but serious damage done to his organization. **Between a rock and a hard place book** Shane and Crystal and a serious case of insta-love but it was an amazing story: **A good man is hard to find pdf** 384 Full review to come!! 384 This is the second installment of the Hard Ink series and I'm still pretty happy with it. **How to reference an ebook harvard** Great characters decent suspense a good overall plot arc that connects the books to each other. **Cannot eject external hard drive** The women are good characters rather than numbskulls who do nothing but moon over the men: **Between a rock and a hard place book** Sara aka Crystal was introduced very briefly in the first book: **Howard cann 1991 obituary wilmington delaware** I figured she'd be the next heroine and I'm glad she was. **How to reference an ebook harvard** She's got major problems issues and burdens but Shane McCallan is going to save the day. **How to reference an ebook harvard** He's got a heart-breaking past compounded by the awful situation he and his Special Forces teammates have found themselves in. **Hard times create strong men epub** Yes it was seriously contrived and predictable but I have to forgive because she was otherwise a really good character, **How to reference an ebook harvard** The whole situation seems insurmountable to me at this point. **Learn python the hard way pdf** Not that that's a bad thing there are more books ahead I'd hate for it to just tread water until the end, **Alessandra hazard epub library** The hugeness of their overriding problem is what makes the books effective IMO but I sure can't see how they're going to get out from under it, **High noon hard seltzer cans variety pack** Good stuff if you like romantic suspense without a lot of padding. **No hard feelings download ebook** The club is connected to a crime organization that has a long reach, **Alessandra hazard epub library** Shane and his friends are in the middle of this mess and now Crystal is too: **Hardcover book printing** Crystal is forced to work at the club to pay off a debt her dead father left. **Mike's hard lemonade cans** For as horrible as Bruno is to Crystal now he is the reason she's alive when he saved her after she was initially taken after her father's death: **Learn python the hard way ebook** She was held raped whipped tortured but Bruno got her out and protected her as a last favor to her father. **Cannot eject external hard drive** Crystal is hopeless when it comes to believing in love but she's determined to do whatever it takes to get her and Jenna out of the situation she's currently in somehow. **Learn python the hard way pdf** The suspense in this series continues to build and because of that I'd recommend reading the books in order. **Owned by a sinner michelle heard epub** We still don't know why or even really who is behind all this and there are more bits and pieces of information that come out in Hard As It Gets. **Learn python the hard way pdf** Which brings me to the romance between Shane and Crystal; I had such huge issues with the romance, **Owned by a sinner michelle heard epub** We have two characters who meet feel a connection and then BAM start to feel the love. **Learn python the hard way ebook** There's a lot between Shane and Crystal that don't work in their favor for this reader, **How to harvard reference a book** Rarely if ever does this work and what made it even worse is Shane and Crystal really don't spend all that much time together save for a few quick meetings, **How to harvard reference a book** There were other little pet peeves between Shane and Crystal that bothered me: **Cannot eject external hard drive** Crystal's sister is captured and Crystal is of course scared and so worried but hey that's a great time for some sex with Shane - their first time together in fact, **Harvard referencing ebook** I do recommend checking out book 1 Hard As It Gets I found that to be a more well-rounded story: **Do hard things book** But even with that said including the Hard Ink Raven Riders Blasphemy Heroes and Hearts of the Anemoi series. **Howard cann 1991 obituary wilmington delaware** Lauras hot heartfelt stories are all about the universal desire for a place to belong, **No hard feelings free ebook** Laura grew up amidst family

lore involving angels ghosts and evil eye curses cementing her life long fascination with storytelling and the supernatural. **No hard feelings download epub** Laura also writes historical fiction as Laura Kamoie and lives in Maryland with her husband and two daughters and appreciates her view of the Chesapeake Bay every day, **Howard cann 1991 obituary wilmington delaware** Laura's hot heartfelt stories are all about the universal desire for a place to belong. **Hard as you want** Laura grew up amidst family lore involving angels ghosts and evil eye curses cementing her life long fascination with storytelling and the supernatural. **Owned by a sinner michelle heard epub** Laura also writes historical fiction as Laura Kamoie and lives in Maryland with her husband and two daughters and appreciates her view of the Chesapeake Bay every day: **High noon hard seltzer cans variety pack** Ever since hard-bodied drop-dead-charming Shane McCallan strolled into the dance club where Crystal Dean works he's shown a knack for getting beneath her defenses: **Howard cann 1991 obituary wilmington delaware** For her little sister's sake Crystal can't get too close, **75 hard challenge pdf** Until her job and Shane's mission intersect and he reveals talents that go deeper than she could have guessed. **Hardcover book printing** Shane would never turn his back on a friend in need especially a former Special Forces teammate running a dangerous off-the-books operation, **High noon hard seltzer cans variety pack** The gorgeous waitress is hiding secrets she doesn't want him to uncover. **Learn python the hard way pdf** He's exactly the man she needs to protect her sister her life and her heart. **Cannot eject external hard drive** All he has to do is convince her that when something feels this good you hold on as hard as you can—and never let go: **How to reference an ebook harvard style** I wanted to know what comes next! Not from one moment I wanted to part with my Kindle: **How to reference an ebook harvard style** Laura's writing was superior and excellent! Shane was a past and trying to find a to redeem it and his answers comes in the form of Crystal. **Hardcover book printing** For all those things she went thru she is superbly strong! But things finally become too much she finally gives in and leans into Shane for help. **Hardy boys book 1** The chemistry was amazing! UST was steamy! It was heartwarming from Easy to Marz and of course Nick and Becca! Those two are really adorable: **How to reference a book harvard style** Seeing him all over you like that would do bad things to me even if you wanted his attention: **No hard feelings free epub** I loved Nick Rixey in Hard as it Gets but Shane McCallan ticked all the Southern charm boxes and then some for me, **No hard feelings free ebook** "I've never felt closer to another person than I do to you, **75 hard challenge pdf** Shane being their potential Knight in a shining bullet proof vest! He was a fire she had no business playing with, **A good man is hard to find pdf** Instead I found a romance story with a brave and sweet Shane. **Hardcover book printing** The story of cops and underworld is not something new for me, **Hard rock hotel punta cana booking** Miss Kaye gives her all when she wrote Hard as You Can: **Do hard things book** Ever since hard-bodied drop-dead-charming Shane McCallan strolled into the dance club where Crystal Dean works he's shown a knack for getting beneath her defenses. **Learn python the hard way pdf** For her little sister's sake Crystal can't get too close. **No hard feelings download ebook** Until her job and Shane's mission intersect and he reveals talents that go deeper than she could have guessed, **Hardcover book printing** Shane would never turn his back on a friend in need especially a former Special Forces teammate running a dangerous off-the-books operation. **How to reference an ebook harvard** The gorgeous waitress is hiding secrets she doesn't want him to uncover. **How to harvard reference a book** He's exactly the man she needs to protect her sister her life and her heart. **Robyn harding epub vk** All he has to do is convince her that when something feels this good you hold on as hard as you can—and never let go, **Cannot eject external hard drive** I have to admit I'm a huge fan of stories about hot alpha inked males, **High noon hard seltzer cans variety pack** In this case I appreciated that because there is so much happening that I believe it would have overshadowed the ongoing plot: **A good man is hard to find pdf** That said while there were not the details we still see the emotional aftermath of being a victim. **Mike's hard lemonade cans** 384 3 It was just OK stars He made her lose focus: **Diary of a wimpy kid hard luck pdf** And he made her want to throw caution to the wind and for just once in her life take what she wanted I wanted to love this book I really did. **Hardcover book printing** But in the

case here it was sadly just not my cuppa at all: **How to reference a book harvard style** For some reason this never fails to kill a book for me no matter what the situation. **How to harvard reference a book** I could not connect to the bond between these 2 characters: **Hunger games book quiz hard** He had this sweet Southern good ole' boy charm to him but ultimately he was just too soft for my tastes, **Harvard referencing ebook** He was sweet with a side of sexy but that was pretty much it, **No hard feelings download epub** Now with those two things aside this would have probably been a 4 star read for me, **No hard feelings download ebook** If you haven't read the book don't click my spoiler as it's a pretty big one: **How to reference an ebook harvard style** She's been raped and beaten and has suffered through an incredibly abusive relationship with her boyfriend, **Harvard referencing ebook** She stays because of the debt her criminal father left behind and to protect her younger sister. **Hardcover book printing** But the biggest reason she endures it is for the sake of her sister who has epilepsy and their medical bills, **Hard rock hotel punta cana booking** Then her sister gets kidnapped by her abusive criminal boyfriend and holds her with the intention of trading her for Crystal: **No hard feelings download ebook** In the midst of all this Crystal decides that she's finally to sleep with Shane the first man that she willingly gives her body to since everything happened to her: **Do hard things book** I can understand that they have already forged (albeit a too-quick for my tastes) love at this point: **How to reference a book harvard style** But the scene felt rushed and unrealistic for me given everything that she's been through. **Hard times create strong men epub** But unfortunately I couldn't connect to that part of the story at all, **Hunger games book quiz hard** Laura Kaye is an amazing author and her Hearts in Darkness novella was one of my favorite books. **Owned by a sinner michelle heard epub** I gave it 2 tries but I didn't love the 1st book and I couldn't connect to this one. **Between a rock and a hard place book** That being said I am in the minority here so that tells you something, **No hard feelings free ebook** My tastes seem to be weird I guess since I just wasn't one of those, **Hardcover book printing** ***ARC given to Dirty Girl Romance blog in exchange for an honest review**For more reviews visit 384.

. The story didnt move fast enough for me personally. I needed a bit more dialogue. I wanted more storyline. I needed more sexual tension and steam. I think I just needed a new story altogether. Did I mention a MC shows up to help save the day.spin-off series. Now on to the next book. He's a complex hottie that's for sure. Intriguing nonetheless. Two words: motorcycle club. That is all. But the Bruno we get to know on page? Total asshat. Basically there is no romance. I didn't buy it at all.I was left feeling a bit disappointed with this one.Join Laura Kayes Newsletter {site_link} smarturl.Join Laura Kaye's Newsletter {site_link} smarturl.Former Special Forces.One last mission.These are the men of Hard Ink. Nor can he walk away from Crystal. Too bad. The plot is so fresh and it just keep me going. that how is interesting this story was. And Crystal is really one tough chick. Like you're beautiful. And I'm attracted to you.But let me be clear Crystal. So my intentions here they're not all honourable. Because I want you."I specialize in pain in the ass darling. 384 Hard as You Can is a surprised for me. I did not expect to like it very much. At first I thought it is a sappy dragging OTT drama. The chemistry is sweet and hot. Although the lenght is bit too long I still enjoy it.Five dishonored soldiers.Former Special Forces.One last mission.These are the men of Hard Ink. Nor can he walk away from Crystal. Too bad.My review. Yeah. The bottom line.I really enjoy this world Laura Kaye has created. It's exciting intriguing sexy and even at times poignant. He made her wish things could be different. So bookThe story and the suspense were great. The writing was fantastic. So where did it fall flat? On a number of things.1. The insta-love scenario. Or as I call it the insta-lady boner deflator. Yes I can understand why they were drawn to each other. But the super quick tumble into love.not so much.2. Shane. Le sigh. I wanted to love him. He didn't exude alpha.until the 85-90% mark.Crystal has been a victim of brutal sexual abuse. I could not connect to this. At all. I'm sorry but no.I don't expect the books I read to be highly realistic. I do read for the escapism of it after all. But this series is just not for me. I doubt that I will be continuing with this series. I think many will really enjoy this book
