Frazier wants Liz back. In addition Carlton is also her boss. The chemistry between Liz and Carlton is blistering hot. The sex scenes are hot and spicy. I enjoyed how Ms. Overall this was a very well written story. It had a well-defined beginning middle and end. I really loved it. I can't wait to read the rest of the series. Her ex-dom comes back into the picture. You expect some action verbal or physical and nothing. This could have been a lot more exciting. He's there to claim his property...her.
