

## Silent Tears Inside the Soul of an Abused Child By Shikema Monique Clark

Silent Tears Inside the Soul of an Abused Child Who Will Protect the Children of the Abused?  
Shikema Monique Clark's "Silent Tears: Inside the Soul of an Abused Child" is a book of poetry. The author pours out her heart in these poems and I really felt her pain in each and every poem. How sad to feel like you have no one to come and rescue you from the hell that is your life: But the good part is Shikema made it and it's a testament to all others who have gone through abuses in life that with the help of God you can and will make it, I felt the pain but I also felt the deliverance of this author, You made it through and have used the abuse as a stepping stone to help someone else: "Silent Tears: Inside the Soul of an Abused Child" is a quick read well edited and very insightful.  
Silent Tears Inside the Soul of an Abused Child

. All I can say is keep on going Shikema. God is bringing you into a better place. What a touching book of poetry. Reviewed: Lisa M
