

One Matchless Time: A Life of William Faulkner By Jay Parini **Literature Fiction One Matchless time a life** Parini delineates with relative objectivity "Bill" Faulkner's failed marriage his affairs the adoration of his daughter Jill and Bill's ever-expanding mastery of his financial and economic situation. **Poetry One Matchless timex** Chacune des oeuvres fait l'objet d'un compte rendu des principaux commentaires critiques bien documentés avec des extraits provenant des plus importants critiques littéraires des États-Unis au moment de la publication. **One Matchless Time pdf reader** Il met en évidence toute la structure de l'univers faulknérien autour de cette région imaginaire qui ressemble à s'y méprendre à sa région natale et à la petite ville d'Oxford où il y passera la plus grande partie de sa vie. **One Matchless timeout settings** One Matchless Time: A Life of William Faulkner est une lecture très instructive qui va me permettre d'aborder l'auteur avec plus d'assurance et mieux informée des défis qui m'attendent avec certains romans tel Absalom Absalom et The sound and the Fury. **Book One Matchless time zone** L'insertion d'anecdotes parfois un peu superficielles tout au long de cette biographie est la partie la moins intéressante truffée qu'elle est des interminables problèmes d'argent et de consommation de l'auteur. **Poetry One Matchless timex** Les péripéties de Faulkner que ce soit en Nouvelle-Orléans à New York ou à Paris ses incursions dans l'univers du cinéma Hollywoodien et ses relations amicales dans le monde du livre mettent dans l'ambiance des années 20 à 50 avec beaucoup de justesse. **One Matchless Time booklet** 528 I doubt anyone would seriously argue against the significance of Faulkner's influence on American and World literature but he looks very different depending upon the lens and the distance through which we read him. **EPub One Matchless timer** The book greatly deepened my understanding of Faulkner's life and art and caused me to see the importance of viewing the work as a whole rather than reading each book on its own. **One Matchless Time booklet** 528

If my book is successfull it will bring readers where they belong to Yoknapatawpha County Esta é a frase que encerra esta bem estruturada e interessante biografia cujo ângulo definidor é a obra do biografado procurando perceber como a vida deste determinou influenciou e configurou aquilo pelo qual o próprio pretendia em exclusivo ser conhecido reconhecido e lembrado: pelos livros que lhe sobreviveriam. **Book One Matchless time zone** Não é assim um exercício de voyeurismo de interesse exclusivo mais ou menos assumido no percurso de vida de William Faulkner desligado da sua arte e do que deixou para a humanidade só para gáudio das curiosidades e intenções menos nobres. **One Matchless timeyourweb** É um estudo da sua obra dedicando-se com relativa profundidade a cada um dos romances que a integram partindo do homem das suas contingências pessoais e envolvimento geográfica sociológica e histórica das tensões criadas entre o que pretendia ser e o que foi efectivamente do saudosismo por um tempo por um modo de vida que nunca existiu mas que sempre almejou alcançar do conservadorismo inerente polvilhado de um pendor humanista que de algum modo conflituava com a imagem que projectava como ideal. **One Matchless Time epub reader** De tudo isto de todo o sofrimento de todos grilhões que o detiveram de uma existência eventualmente mais feliz nasceu o génio literário que deixou para todos nós firmada e perpetuada numa bela escrita nem sempre clara nem sequer gramaticalmente correcta sempre exigente uma cristalização da angústia universal da existência humana. **One Matchless Time kindle direct** Mas por isso mesmo diria eu eventualmente à excepção de obrigações académicas e/ou profissionais que poderão determinar a sua leitura só quem já esteve gostou de estar e pretende regressar a

Yoknapatawpha County é que se deterá se interessará e despendirá tempo a ler esta biografia. **One Matchless Time epubor** Parini was much more thorough than some other biographies I have read-detailed without being too detailed giving a sense of the author his world and the times in which he lived. **Poetry One Matchless timex 528** "I discovered that my own little postage stamp of native soil was worth writing about and that I would never live long enough to exhaust it and that by sublimating the actual into the apocryphal I would have the complete liberty to use whatever talent I might have to its absolute top. **One Matchless Time Literature fictionmanai** He presents a wide array of twisted old spinsters compulsive sadists eccentric lovers of beasts incestuous brothers and fathers unfeeling mothers and toothless wonders who revel in the base forms of human behavior. **One Matchless timezo** Yes I have read and enjoyed several of his classic novels but I have only taken a peek a mere glimpse at what this writer is trying to convey so my appreciation is limited. **One Matchless timex ironman** I knew very little about Faulkner's life which was the reason I wanted to read this bio and I can't imagine another biographer doing a better job casting an intense spotlight on this man's history which is endlessly fascinating. **Book One Matchless time** Parini is also an excellent writer in his own right so the narrative hums along like a song: "In the end however William Faulkner stands alone a master of tragic farce a wild-eyed comedian a raconteur of the highest order still sitting around the campfire in the Big Woods still talking in the thousands of pages that remain his legacy. **One Matchless timex ironman** You'll learn some interesting things about the novels especially the core middle ones like *Fury* and best of all since literary interpretation is largely dumb without the author's input you get a lot of Falky's views on what he wrote and how and why. **EBook One Matchless timex** Drawing on previously unavailable sources--including letters memoirs and interviews with Faulkner's daughter and lovers--Jay Parini has crafted a biography that delves into the mystery of this gifted and troubled writer, parini is very reverent to faulkner and his work which i appreciated and treats both subjects with obvious tenderness and grace, **PDF One Matchless time zone** faulkner's failings as a husband as a son as an artist and as a human being are not paraded before the reader as gleeful schadenfreude, **Book One Matchless timex** one comes away from both faulkner's triumphs and failures with equanimity and an understanding that they are both emotional productions of the same complex and deeply sensitive man. **Poetry One Matchless timex** parini is guilty of the strange contemporary compulsion to find homoeroticism in places where it clearly does not exist: **Book One Matchless time zone** if you haven't already read the entirety of faulkner's literary output be prepared to skip a goodish portion of this text, **One Matchless timeout screen** parini while neglecting to provide potentially crucial biographical details thoroughly outlines the plot and narrative strength of every single novel and almost every short story, **One Matchless Time book 528** The name William Faulkner evokes a great deal of respect (and perhaps fear) from readers, **One Matchless Time Literature fiction books** He is known for long sentences that span more than one page, **One Matchless timeva** He sees into the Southern American male experience as no other and draws out truths that apply to all of humanity: **Book One Matchless time a life** His allure extends from the South into New England across the Atlantic to France and down the isthmus to Latin America: **EPub One Matchless timex** To be successful a biographer of Faulkner has to be utterly in-touch with himself/herself. **One Matchless Time pdf** Parini seems up to the task though even he self-consciously doubts his portrait in the conclusion: **Book One Matchless timer** He tries to tie together Faulkner's life and writings into one coherent unit. **One Matchless timex ironman** He succeeds in my measure even though I still get lost in the depthlessness of the characters in Yoknapatawpha County Mississippi. **One Matchless timentin** Parini tackles Faulkner's brilliant speech in Stockholm to accept the Nobel Prize with an equanimity worth of the moment, **One Matchless Time book** As with any good biography I leave with the feeling that I have known Faulkner and that I have known the author, **Book One Matchless time4learning 528** Une excellente introduction à l'univers très particulier de William Faulkner: **Poetry One Matchless timex** Parini fait une analyse assez exhaustive de l'oeuvre entière parution après parution dans un ordre chronologique: **One Matchless timentin** Mais surtout il nous donne des clés pour comprendre cette écriture complexe et si mal accueillie

pendant de nombreuses années. **One Matchless Time booklet** Tout le monde sait que Faulkner était un alcoolique incurable. **Book One Matchless time a life** Ce qui lui a causé des ennuis de santé importants tout au long de sa vie: **One Matchless timemore** Sa relation avec les femmes est par contre éclairante par rapport à sa façon d'introduire des personnages féminins dans ses oeuvres: **Poetry One Matchless time zone** 528 I just finished this wonderful biography and want to recommend it to anyone who has an interest in Faulkner, **Poetry One Matchless timex** The book reviews each book that he wrote some in more detail than others but all of them are covered. **PDF One Matchless time** It also covers his life in detail - including his hospitalizations due to drinking and his personal struggles - yet it is not an exposé. **Book One Matchless time a life** I have read seven of Faulkner's novels and this book has increased my interest in reading all the Mississippi novels if not A Fable Pylon and Mosquitos: **EBook One Matchless timer** Parisi's contribution to our view of Faulkner's life and work is highly readable and instructive in the ways even a 2004 lens feels out of date: **One Matchless Time epub's air** It would be wonderful for him to update this work for the 2020s: **One Matchless timentin** This book has most definitely triggered a Faulkner binge on my part: **One Matchless Time ebookers** E só por ter sido a fonte a inspiração e o impulso para a criação artística que o atormentou é que a vida pessoal de Faulkner passa a ser relevante. **Book One Matchless time zone** E quem o fizer não dará seguramente o seu tempo por perdido: **One Matchless Time booking** 528 I really liked this bookI approached it with jaded eyes because I didn't particularly care for Jay Parini's biography of John Steinbeck, **One Matchless timeva** That book wasn't bad; it just didn't do a whole lot that was original except its interpretations of some of Steinbeck's texts, **One Matchless Time booking** I didn't learn much from Parini's Steinbeck that I hadn't already learned from Jackson J: **One Matchless timeyourweb** Such was not the case with Parini's 'One Matchless Time his Faulkner biography, **EBook One Matchless timex** His analyses of the novels were good too presenting major critical opinions and weaving his own interpretations interpreting them as a biographer. **Book One Matchless timex** I came away with a better understanding of Faulkner at a number of levels: **One Matchless Time book** I recommend this book to anyone who admires Faulkner and to anyone who enjoys reading biography: **One Matchless timeyourweb** "It is my ambition to be as a private individual abolished and voided from history leaving it markless no refuse save the printed books. **One Matchless timex ironman** " "In Faulkner the grotesque typically emerges in terms of the horrific, **One Matchless timeva** "In this outstanding biography the author mentions that one does not read Faulkner but rereads him: **One Matchless Time ebookers** I think that is an excellent observation and it is one that highlights my failing in regards to this difficult southern author: **One Matchless Time kindle app** I better get busy catching up with his must-read books plus the inevitable rereading, **One Matchless timemore** Having recently read everything Falky ever wrote I was interested in learning about his life. **Poetry One Matchless timex** You learn Falky as he was: the inveterate liar youthful outsider raging alcoholic inveterate adulterer and horse-faller-offer, **One Matchless timeva** In fact by the last chunk of the book and Falky's life he is falling off horses so goddamn much that it's ridiculous and you can't wait for him to die, **One Matchless timeva** Anyway he was a complex guy and obviously had some issues. **Biographies Memoirs One Matchless time** The other part of this work is tying Falky's literary output which Parini also does pretty well: **One Matchless Time pdf reader** Where Parini falters is the humdrum assessment of everything Faulkner wrote after say Intruder, **One Matchless timeva** All the later works are dismissed wholesale in a kind of aping of the critical views of the time, **One Matchless Time booklet** Those books are all great too and I think warrant closer inspection especially given Falky's mounting personal and psychological issues during those waning years, **One Matchless timeva** That and the sudden ending that missed a chance for some good discussion, **One Matchless Time booker** 528 I enjoyed Parini's biography of John Steinbeck; this one not so much. **One Matchless timex ironman** Didn't convince me that Faulkner's overwrought obsessive fiction merits a re-read: **One Matchless timeyourweb** Anecdotal without being tawdry analytical without being academic it captures the essence of Faulkner's life with the narrative drive of a novel. **One Matchless Time booker** " — Houston Chronicle "A splendid life of

William Faulkner : **One Matchless timeyourweb** " — Seattle Times William Faulkner was a literary genius and one of America's most important and influential writers: **EPub One Matchless timex** His Faulkner is an extremely talented obsessive artist plagued by alcoholism and a bad marriage who somehow transcends his limitations: **One Matchless timentin** Parini weaves the tragedies and triumphs of Faulkner's life in with his novels serving up a biography that's as engaging as it is insightful: **One Matchless Time booking** One Matchless Time: A Life of William Faulkner Jay Parini (born 1948) is an American writer and academic[1]

A whirlwind tour of faulkner's life.not a lot of depth or detail.for that i guess you need to read blotner.in spite of this i still really enjoyed this book.however i have two major complaints.one.two.SPOILERS!!!!!!..holy crap!!..BOO!.this is absolutely unnecessary.but there it is. He is inescapably deep - an abyss. I love his work while I hate his misogyny and racism. Benson's biography published a number of years earlier." 528 As a by-the-numbers biography this is totally fine. Parini does his job well in that respect. Those are the best bits. Whatever. My only quibble. 528 "Nothing less than spellbinding . . It's an eye-opener. . Not only readable but downright enthralling. He is known for novels and poetry biography and criticism..
