

The Mammoth Encyclopedia of the Unsolved (Mammoth Books Book 487) By Colin Wilson **Kindle The Mammoth Encyclopedia of the unsolved problems** From Atlantis the Bermuda Triangle and Bigfoot to Tunguska vampires and zombies the most fascinating subjects previously featured in Colin Wilson's popular Unsolved Mysteries Past and Present The Encyclopedia of Unsolved Mysteries and The Unexplained now appear along with new equally mystifying material in one tremendous revised and updated volume. **The Mammoth Encyclopedia of the Unsolved nonfiction vs** In it Wilson shares his expert research and investigation into seventy-five of the world's most enduring mysteries among them crop circles and crystal skulls monsters and meteors pyramids and poltergeists the Hope Diamond and the Holy Shroud of Turin. **The Mammoth Encyclopedia of the Unsolved ebook reader** English A crazy stuff English Изключително добро и подробно четиво събиращо едни от най-завладяващите загадки с които се е сблъскало човечеството. **Nonfiction The Mammoth Encyclopedia of the unsolved problems** Great job! English Try to live with both your lobesLa traduzione è riuscita a fare scempio di questi testi oltre che ai classici typo le date spesso non coincidono un 1926 diventa un 1936 eccetera. **Nonfiction The Mammoth Encyclopedia of the unsolved game** Lethbridge (tralasciando Velikovsky che ancora non ho avuto il piacere o il dispiacere di leggere); anche se Wilson è più o meno innocente perché da giornalista riporta le notizie si lascia spazio a quelle che mi sembrano sempre di più farneticazioni di un pazzo che in fine carriera ha abbandonato la scienza (e la logica). **Book The Mammoth Encyclopedia of the unsolved math** Lethbridge appunto un pazzo che dice di aver scoperto il funzionamento dell'universo sulla base delle sue risposte con il pendolo avanzando ipotesi a dir poco ardite - nello stesso testo the power of the pendulum si lancia in ardite affermazioni sulla base di conoscenze totalmente sbagliate come per esempio il non sapere che non era costume romano divinizzare l'imperatore informazione che mi sembra basilare per un archeologo no? Quindi in definitiva può essere un testo interessante ma va preso decisamente con le pinze.
