Mitolojiye ilgi duyanlara. 226 Norse mythology is my favorite. 226 I do have to say I enjoyed this. I would have given it 3. I enjoyed Baldwin's interpretation of Siegfried's life. It's a foot note. Some were obvious like winter battling spring. Others I simply had never thought about. I thought that was very interesting. Overall this isn't really something I would suggest to others. 226 this version/summary by James Baldwin is really good. I found the audiobook on iTunes at USF* Lit2Go. The reader is clear and engaging. Oh yeah. Very enjoyable! 226.
