

Regan O'Reilly, PI, Goes to War (Regan O'Reilly #4) By Margaret Lake **Regan O'Reilly, PI, Goes to warxy** When Regan's mission takes an unexpected turn her only thought is to return to the man she left behind and her only fear is that she might not make it out of France alive.

Regan O'Reilly, PI, Goes to warmies

November 1942 - Regan is sent by the OSS to join the underground in a France struggling to survive under German occupation: **Regan O'Reilly, PI, Goes to warmane** She is assigned to gather information on the infamous wolf packs; U-boats that travel in groups to hunt down and sink Allied warships: **Regan O'Reilly, PI, Goes to warwick hotel** But she begins to suspect that her French contacts may be working against her: **Regan O'Reilly, PI, Goes to warzenia** Regan O'Reilly PI Goes to War (Regan O'Reilly #4) This 4th book in the Regan O'Reilly PI is my favorite by far: **Regan O'Reilly, PI, Goes to warmane** It is 1942 and she is sent to England and then air dropped into the French countryside as a spy. **Regan O'Reilly, PI, Goes to warm water** The assignment isn't what she expected and it is a great ride for the reader because Ms: **Regan O'Reilly, PI, Goes to warx ptt** Lake knows her history and she places the reader into her adventure: **Regan O'Reilly, PI, Goes to warmest** I would recommend the series which currently has 4 books in the series, **Regan O'Reilly, PI, Goes to waronkcc** 97 I really like Regan and this was a good conclusion to her story. **Regan O'Reilly, PI, Goes to warwick hotel** I do wish there would have been some more Mark and Patrick in it though. Regan signs up to go to war. . 97.
