

Tales of the 23rd Precinct By Kevin Eleven **Tales of the 23rd precinct book** Although I've not lived in Brooklyn I have lived in Queens AND had friends from Brooklyn so I can see a certain level of truth in much of the style of life and character there. **EBook Tales of the 23rd precinct com/To** be honest I wasn't sure if I would enjoy this book but as I wanted to try something out of my comfort zone I tried it out and kept an open mind as I was reading the book. **Book Tales of the 23rd precinct 2** I'm happy to say I had an enjoyable reading experience! It was definitely nothing like I expected and I have to admit this is one of the most unusual books I've ever read but overall it was an interesting read. **Tales of the 23rd Precinct mystery tackle** Very Brief Summary:Told from the perspective of three characters; Deborah Lane Luke Fisher and Frank Matthews Tales of the 23rd Precinct follows these characters as they roam the streets of Brooklyn after street thugs and criminals. **PDF Tales of the 23rd precinct** I read from the POV of one of the characters got an idea of the other characters but then when it switched to another character's POV I got a whole different side of the story and that was interesting. **Book Tales of the 23rd precinct 3** He was an interesting character and it was easy to tell the author enjoyed writing his part more as I feel like there was a higher attention to detail in this part of the book particularly to portrayal of Frank Matthews attitude and idiosyncrasies. **PDF Tales of the 23rd precinct 3** She almost added an element of contrast to the book as the first story in the book focused on her and she is fundamentally good character and is very dedicated to her work. **Book Tales of the 23rd precinct 2** Moreover in May of 2014 he was featured on NBC's final season of The Debrief with David Ushery as he spoke upon his indie press Flowered Concrete and its endeavors as an up and coming small publisher. **Tales of the 23rd Precinct epub** When not writing or fulfilling Flowered Concrete related duties Kevin Kevin Eleven whose real name is Kevin Anglade was raised in the Queens borough section of New York City to Haitian immigrant parents. **Tales of the 23rd precinct book** Moreover in May of 2014 he was featured on NBC's final season of The Debrief with David Ushery as he spoke upon his indie press Flowered Concrete and its endeavors as an up and coming small publisher. **Tales of the 23rd precinctgy** When not writing or fulfilling Flowered Concrete related duties Kevin usually likes to spend his down time reading playing basketball listening to music performing poetry at lounges/cafes throughout NYC or spending time learning about life and nature as much as he possibly can,This is a Goodreads First Read book that I recently received in the mail, **Tales of the 23rd precinctjs** Kevin 11 (aka Kevin Anglade) has given us tales of the 23rd Precinct in Brooklyn, **Tales of the 23rd precinctja** He focuses primarily on Detectives Deborah Lane Luke Fisher and Frank Matthews although we meet other cops in the precinct as well, **Tales of the 23rd precinctja** I think Detective Alvin Alvin has to be one of the more unusual character names. **Tales of the 23rd Precinct kindle reader** They are slowly intertwined and the end may be a surprise to some readers: **Book Tales of the 23rd precinctor** I don't want to go into too much detail as to not spoil potential readers. **Book Tales of the 23rd precinct** The style is different a bit twisted in parts in regards to storyline but if you're prepared for that it can be fun to see where the story is going. **Tales of the 23rd Precinct mystery box** Would I have bought the book if I'd stumbled across it in the store? Honestly I'm not certain. **Book Tales of the 23rd precinct** The cover art gave me a feel of graphic novel so I might've missed that it was words not pictures that have developed this world, **Book Tales of the 23rd precinct 10** Kevin Eleven You can find this review on my blog @ <https://booksnacksblog>, **Tales of the 23rd Precinct epub.pub** We learn about their stories and are taken on an interesting ride as we do so: **Book Tales of the 23rd precinct 2** My ReviewThe plot was pretty good! It was relatively interesting and was a more unusual storyline than my normal books however I warmed up to it quite quickly. **Tales of the 23rd Precinct mystery box** There were also several cliffhangers (especially where the POV of one character ended and the next POV started) which made the book more gripping. **Book Tales of the 23rd precinct 2** Not to mention the ending! All in all it was quite good. **Tales of the 23rd Precinct mystery box** There were several main characters and we got to see different sides of them in a short period of time (or so it seemed): **Tales of the 23rd Precinct crime rate** One little thing however was that I found it hard to keep track of some of the characters; a few times I got confused between them, **Tales of the**

23rd precinctcy This was a minor issue and did not take away from my overall reading experience.

Book Tales of the 23rd precinct pdf The writing style was enjoyable and wasn't out of place broken etc.

Book Tales of the 23rd precinct book The writing style suited the story and allowed us to smoothly get a look inside the characters' head.

Tales of the 23rd precinct pdf I had an enjoyable reading experience and while it wasn't keeping me on the edge all the time it kept me interested.

Tales of the 23rd Precinct bookworm The plot was good the characters were intriguing and there was a smooth consistent writing style,

Book Tales of the 23rd precinct 10 Do I recommend it? If you enjoy a bit of cop drama kind of stuff I do.

Tales of the 23rd Precinct kindle fire I wouldn't particularly say go for it however if you think you'd be interested in this go ahead.

Tales of the 23rd Precinct booklet Kevin Eleven Check out the complete review at Views She Writes - WordPress Reviews "Tales of 23rd precinct" is a very interesting type of story,

Book Tales of the 23rd precinct It takes us through the life of three detectives related to each other.

Book Tales of the 23rd precinction All the stories start from where the previous one has ended.

Tales of the 23rd Precinct mystery box First story leaves at a decisive point and the next story takes up the thread from there with the story of Lane's partner Luke Fisher:

Book Tales of the 23rd precinction The second story ends in the same cliff hanger point manner and the last story takes up with the narration of Luke's nemesis Frank Matthews,

Book Tales of the 23rd precinct The story is well written and gives a feel of reading three different thriller with a continuing undertone,

Kindle Tales of the 23rd precinct It gives a true cop life feel with the factual status of what truly happens in a cop's life:

Book Tales of the 23rd precinct 10 Kevin Eleven An interesting venture from an independent publisher this gritty collection of short stories reads like a graphic novel:

Tales of the 23rd Precinct mystery tackle The stories are written straight from the streets of Brooklyn and filled with hard-boiled detectives and dirty street thugs and are compelling to read:

Tales of the 23rd precinctgy From start to finish it arrested my attention! Kevin Eleven Tales of the 23rd Precinct by Kevin Eleven was a quick and interesting read.

Book Tales of the 23rd precinct book I did have a few issues with it which I think is where I'll start,

Tales of the 23rd Precinct pdffiller This book was split into three separate parts each focusing around a different character and case within the precinct:

Tales of the 23rd precinctgy This was a good idea and while I did enjoy the characters portrayal it was too short.

Tales of the 23rd precinctd tv It was face paced in the bad way where there was too little suspense.

Book Tales of the 23rd precinct pdf This combined with the many punctuation errors made reading it a tad less enjoyable.

Tales of the 23rd Precinct ebook pdf What was well-written were the action scenes which were detailed and were one of the few suspense filled parts.

Book Tales of the 23rd precinct finder My favourite character portrayal out of the three characters was that of Frank Matthews,

Tales of the 23rd Precinct pdf download While the other two characters were obvious 'good guys' he was more villainous and added a 'Dexter-esque' quality to the book.

Book Tales of the 23rd precinct finder Well I think the author enjoyed it more but that might just have been paying attention to the section more:

PDF Tales of the 23rd precinct 4 Another aspect of the book I enjoyed was the actual cases themselves:

Tales of the 23rd precinctgy They were all interesting - even though I still believe they were too fast paced to have any suspense.

Book Tales of the 23rd precinct 10 The cases helped defined what sort of personality each character has too especially Detective Deborah Lane who was probably my second favourite character in the book.

Tales of the 23rd Precinct mystery box Frank Matthews' story ended the book and he was pretty much the opposite.

Tales of the 23rd Precinct epubor Overall this certainly wasn't a bad read and while it does have faults the well-written characters overshadow this issues,

Book Tales of the 23rd precinct book Kevin Eleven It is well documented that despicable acts in the form of murder bank heists snitching and drug trafficking happen in the heart of New York City daily,

Tales of the 23rd Precinct kindle cloud However no borough is more adept to the turmoil of the inner city streets than Brooklyn.

Tales of the 23rd Precinct ebook free download In a unique presentation readers will be able to follow the stories and individual background surrounding Detectives Deborah Lane Luke Fisher & Frank Matthews.

Tales of the 23rd precincte book The three detectives must use their wit

competence persistence and sly capabilities to maneuver throughout Brooklyn and wherever crime may take them: **Kindle Tales of the 23rd precinct 10** No matter what misguided notions they act upon or crossfires they may encounter it is quite odd and compelling that each of their stories correlate into something frankly twisted: **Book Tales of the 23rd precinct 2** This project compares to the substantial work of great writers in the Detective Fiction genre such as Ed McBain & Clark Howard. **Tales of the 23rd Precinct book series** Once the book is devoured in its form readers will hope for a time portal hoping to transport them back to where it all began. **Book Tales of the 23rd precinction** I even liked how the stories built on one another and the end tied all the stories together: **Book Tales of the 23rd precinct 2** Some of the characterizations could have been a little more detailed so that the reader can know the characters more and thus care what happens to them, **Tales of the 23rd precinctbo** Also dialog often came off as a bit stiff and didn't have a natural flow to it: **PDF Tales of the 23rd precinct free** I would definitely give him another try in a few more years. **Tales of the 23rd Precinct book series** I received this book for free as part of the GoodReads First Reads Program. **Book Tales of the 23rd precinct 4** Kevin Eleven Kevin Eleven whose real name is Kevin Anglade was raised in the Queens borough section of New York City to Haitian immigrant parents: **Tales of the 23rd precinctgate** He published his debut novel Tales of the 23RD PRECINCT through his independent publishing company Flowered Concrete in January of 2013: **Book Tales of the 23rd precinct 2** In spring 2014 he graduated from Brooklyn College with a BA in English while concentrating in literature: **Book Tales of the 23rd precinct 2** Locally he has been covered in publications such as Brooklyn Buzz and DNA INFO (New York): **Tales of the 23rd Precinct pdf free** He published his debut novel Tales of the 23RD PRECINCT through his independent publishing company Flowered Concrete in January of 2013, **Tales of the 23rd Precinct epub download** In spring 2014 he graduated from Brooklyn College with a BA in English while concentrating in literature, **Book Tales of the 23rd precinct finder** Locally he has been covered in publications such as Brooklyn Buzz and DNA INFO (New York): **PDF Tales of the 23rd precinct free** He often dreams about being one of the most revered and as well as acclaimed writers to ever endure and live within the realms of the twenty first century[1]

Book One. Gotta love free books. I would advise you to be prepared for a wild ride. I liked the book. I would give it a good 3 out of 5. It is out of the norm but still enjoyable. As for the characters they were also well-written. Lastly the writing style. Overall... Tales of the 23rd Precinct was an interesting read. If you mostly prefer paranormal dystopia contemporary etc. It was overall a good read a solid 3.5 stars. So that gives a continuation but in a different way. The story starts with Deborah Lane a police detective. It's small things like this that I really like. I will definitely be reading the sequel. Tales of the 23rd Precinct I liked the idea of this book. I had trouble with some of the writing. I think the author is still new and finding his voice. {site_link}
