

When Santa Was a Baby By Linda Bailey **When Santa Was a babymer** This picturebook tries to answer an age old question what was Santa like as a child? While I am a huge fan of the Christmas movie that answers most Santa origin question this one handles it slightly differently with a focus on his youngest years. **When santa was a baby book** Did you know that Santa first Ho Ho Ho'd as an infant or that he made friends with a rather short fellow that shared his love for toy building? When Santa was a Baby is a sweet and beautifully illustrated picturebook that has a lighthearted look at Santa's earliest years but a deeper message that is one we can all appreciate. **Santa when he was a kid** Santa's parents worried for him but supported him and the things that made Santa so different from others turn out to be the very things that the world seems to love and cherish about him most. **When Santa Was a babymer** Hardcover Mignon mignon mignon! Hardcover Le meilleur des albums de Noël ☐☐ Si j'ai des enfants un jour je leur lirais cet album le soir de la veille de Noël ☐ (quétaine hein? Mais cet album est attendrissant comme ça!) Hardcover We all know what Santa has done as an adult but what was he like as a baby and child. **When Santa Was a babymoon** How did he become the jolly elf who delivers presents to all the children in the world? An imaginative and charming tale about what Santa was like as a baby and a small child. **When Santa Was a babyman** Santa stars as a cute baby with a gorgeous Hohoho (no baby babbling for him) before becoming a toddler/young child who got even more enjoyment out of giving his toys and presents away than receiving him. **When Santa Was a babyman** Hardcover WHEN SANTA WAS A BABYWritten by Linda Bailey Illustrated by Genevieve Godbout2015; Tundra Books (32 Pages)Genre: picture book children's holiday ChristmasRATING: 5 STARSIt has been a long while since I have read any Linda Baily books. **When Santa Was a babyo** It wasn't just a mystery series but a Canadian mystery! As I was scouting the library catalog I saw the title When Santa was a Baby and the cover illustration was gorgeous and then I saw it was written by Bailey so quickly it went on my hold list. **When Santa Was a babypoor** My Novelesque Blog Hardcover Santa's parents think their little one is absolutely wonderful even though he has a booming voice instead of a baby's gurgle loves to stand in front of the refrigerator gives his birthday presents away trains his hamsters to pull a matchbox sleigh . **When Santa Was a babyman** They try and show Santa growing up in a normal house with normal parents and besides it being cute Linda Bailey and Genevieve Godbout's When Santa Was a Baby is a warm and inviting holiday picture book. **Ukulele pdf santa bring my baby back to me** In a low-key spread we also briefly see a teenage Santa who doesn't quite fit in with the 'regular' crowd but keeps on paving his own path (all the while supported by his parents). **When Santa Was a babymoov** When Santa Was a Baby will likely be loved by children (and adults) looking for something new and sweet to read during the winter months- and probably off-season as well!

It simply didn't work for me. Its a new idea sorta at least.The kids thought it was ok. They laughed at Santa's little baby butt showing. They both ended up giving it 3 stars. Adorable story the kids just love. Beautifully illustrated. This does not influence my opinion in any shape or form.The story was absolutely adorable. The illustrations are beautiful. It was perfect read for this time of year. He loved red and wanted to wear it all the time. It begins with Santa's birth to his adulthood. and has an unusual interest in chimneys.
