

At the Bottom of the Sky By Peter Dubé

PDF At the Bottom of the skyward

Will Aitken the editor of this collection of fictions said in his recommendation for Dubé's last novel *Hovering World* that it is "queer in all the best senses of the word-non-conformist eccentric dissenting crazed aberrant and of course invaluable. **At the Bottom of the skygeek website** Thom the protagonist muses over the artist Terrence who torches his life's work over Adrian who seals himself in his flat and persuasively writes his friends that he is presently off hunting Vampires in Eastern Europe and Zack who braves homophobic thugs in the littered dawn streets in order to slip provocative supplements into the daily newspaper. **At the Bottom of the skyice 9th** In a sense this collection is about individuals whose zany imaginations have finally run away with them - somewhat like the bus Thom takes at the end of the book and whose driver announces he's hijacking the vehicle and driving from of the city: **Book At the Bottom of the skyrim** " What was true of that debut is more so of Dubé's second major work. **Book At the Bottom of the skyrim** Again the reader finds himself in a Big City world of late night neon narrow streets lurid bohemian warrens: **At the Bottom of the Sky booking** Roaming and dwelling herein are strange almost gothic characters with memorable fixations and obsessions: **Bottom synonyms in english** On another level all these characters with their obsessions are the embodiments of Greek mythic archetypes. At the Bottom of the Sky
