Packed with good information. I have found many of the books useful to me. And this is another in that group. I know enough about wine to get by. --regardless of your experience or your budget. Chapter 2 talks about the language and experience of wine. Chapter 4? The wine name game starts the chapter off. Etc. Also a nice discussion of South American winemaking. There is also a chapter on champagne.g.g. Old wines are good wines).All in all a well written book that is a good read. Sometimes I drink it when I'm alone. When I have company I consider it obligatory. Otherwise I never touch it - unless I'm thirsty. from R. I didn't realize how many choices there are out there. I thought they were different. Mind blown.S. It's full-bodied yet light.rich yet crisp.robust yet refreshing. Wine for Dummies.
