

Death on a Golden Isle (A Roaring 20s Mystery) By John Reisinger But when one of the members is poisoned at the club dance in 1923.

John Reisinger is a former Coast Guard officer and engineer who writes on historic incidents and themes. He has recently completed *The Secrets Behind the Structures: The little known stories behind some of the world's most well known landmarks*: John lives on Maryland's Eastern Shore and has appeared in a segment on the TV series *Mysteries at the Museum*: His website is [{site link}](#) [{site link}](#)

Is she a murderous gold digger or an innocent victim? She calls on investigator Max Hurlock to find the truth but can an outsider break the wall of silence and suspicion before the season ends and the members depart? Soon Max and wife Allison are fighting an uphill battle against the tight-lipped and disapproving club members and a suspicious local sheriff while every new clue they do pry loose seems to point to their client. But why was a second cup of coffee found by the victim? What is the young wife's real relationship with the victim's best friend? And if the victim died from poisoned coffee why was his dying word cocoa? Based on a real case from the Roaring 20s *Death on a Golden Isle* combines mystery with one of America's most fascinating places during one of America's most exciting eras:

A series of books based on real crimes of that era: Tidewater Times reviewer Anne Stinson said of the series Mark me down as a super fan of John Reisinger, I predict that every lover of an exciting tale told well will agree: He has recently completed *The Secrets Behind the Structures: The little known stories behind some of the world's most well known landmarks*: John lives on Maryland's Eastern Shore and has appeared in a segment on the TV series *Mysteries at the Museum*: His website is [{site link}](#) [{site link}](#)

On an isolated island off the Georgia coast stands America's most exclusive club for the most wealthy and powerful men in the country, Outsiders are not welcomed and nothing is permitted to interrupt the rhythm of daily life, He is the author of *Master Detective the true story of detective Ellis Parker and his controversial involvement in the Lindbergh kidnapping investigation*: Max Allan Collins called *Master Detective* Fascinating reading for true crime buffs and mystery fans alike: John also writes the *Max Hurlock Roaring 20s Mysteries* a series of books based on real crimes of that era: Tidewater Times reviewer Anne Stinson said of the series Mark me down as a super fan of John Reisinger: I predict that every lover of an exciting tale told well will agree, He is the author of *Master Detective the true story of detective Ellis Parker and his controversial involvement in the Lindbergh kidnapping investigation*: Max Allan Collins called *Master Detective* Fascinating reading for true crime buffs and mystery fans alike. John also writes the *Max Hurlock Roaring 20s Mysteries* all eyes turn to his new wife. *Death on a Golden Isle (A Roaring 20s Mystery)*.
