

Better Than Perfect (More Than A Game, #1) By Kristina Mathews **Better Than Perfect pdfescape** I really couldn't excuse Alice's actions regarding Zack's paternity and also if she was so in love with Johnny - how could she sleep with his best friend even if they were broken up? The decisions she made were not acceptable to me and I didn't like her. **Better Than perfectmoney** But Zach never knew his mom really knew Johnny in College!!Is that maybe the reason why Zach doesn't look anything like his Dad Mel??Lots of lies or omitted truths and lots of missed chances and moments. **Better than perfect od eveline** Will Johnny get the chance to win back the only girl he ever loved?And what will he do once his career is over? He needed to start thinking about his future. **Kindle Better Than perfect tv** WILL JOHNNY WIN THE MOST IMPORTANT GAME OF HIS LIFE?WILL THE 3 OF THEM GET THEIR HEA??? I'm not telling you that of course!! GO READ IT! _____ I LOVED THE STORY!!!!It was in no way anything new or even all that original - I have read at least 10 books with the exact same story - BUT I still really enjoyed reading it. **Better not perfect pdf** I think I have never read a Baseball book - and I have not the slightest clue about anything baseball - so lots of words and phrases and jokes were a bit too much for me.

MY THOUGHTS About the story. **Better than the books epub** Johnny Scottsdale has been a professional baseball player for 14 years. **Sports Better Than perfect sports** But baseball is not all that drew him to the west coast, **Better Than Perfect contemporary dance** She said she couldn't handle all the groupies and she didn't want to stop him from making his dreams come true: **Better Than Perfect contemporary dance** Yes he became a famous player but he was never really happy, **Better not perfect pdf** And Alice? the sport! I laughed I cried. **Better than perfect kristina mathews epub** But most of all I just ENJOYED the time I had with Johnny & Alice and especially Zach! I really liked that Kristina gave Zach a voice too, **This book is perfect reviews** There were some romantic and sexy scenes in the book - I would've wished for a bit more of that - but it was really ok the way it was. **Contemporary Better Than perfect book** I had the tiny little feeling that the book wanted to be a Christian romance - without any talk about religion but still , **A word better than perfect** it just felt a bit too perfect & prudish american for a german girl like me ☺ The language alone was just a bit too perfect for me, **Why epub is better than pdf** Every confirmation was always written as a complete YES - no YEP YEAH YUP YA UHHUH, **This book is perfect** ☺ But all the negative can't stop me from saying that BETTER THAN PERFECT was a really great sports romance: **PDF Better Than perfect game** I like sports but I'm not obsessive about them (with maybe the exception of Football - the only sport worth obsessing over) so I don't know why I go crazy for these, **Better Than Perfect kindle unlimited** This book was reminiscent of Rachel Gibson's Daisy's Back in Town with the added bonus of having a MLB backdrop: **Better Than Perfect contemporary dance** There were a lot of misunderstandings and the secret baby plot was frustrating but there were a lot of things I liked. **Better Than Perfect contemporary dance** It was refreshing to read about a professional athlete who wasn't a giant man-whore or a complete ass, **Better not perfect book** Add into it crazy fans and reporters and well I think some of it could have been culled: **Practice makes perfect epub** I also like the way she was with her son Zach and how Johnny related to him. **PDF Better Than perfect doc** I expected the in-laws to be the villains of the piece but they were actually wonderful: **There is something better than perfection** It didn't take the focus away from Alice and Johnny but instead worked around them: **PDF Better Than perfect fit** 5 out of 5 Better Than Perfect (More Than A Game #1)

#1) This is a hard review for me to write. That pretty much ruined the whole book for me. Alice's 13 year old son. But first he had to face his past. It is a town with lots of memories. The plot has a short timeline that moves swiftly. I didn't feel rushed. A great baseball romance book - set during Spring Training. My full review can be found at <http://tbqspersonalbookpalace.blogspot>. A lot of foul balls and strikeouts along the way. I didn't leave the field a very excited fan. Both characters had self-doubt. I enjoyed the reading Zach's (Alice's son) perspective. It brought a fresh element to the story. It was a sweet romance. Great book. There also wasn't a whole lot of drama or angst. The additional of the her sons POV was pretty cool. A little different but it worked. Or in her head. A veteran road tripper amateur renovator and sports fanatic. Or in her head. A veteran road tripper amateur renovator and sports fanatic. She goes to his game with a giant I love you sign. 1 I'm curious how book Nr. And I love romance novels. So when the two overlap I'm all over it. This book was completely enjoyable. I loved Johnny and Alice. I wanted them to be together so bad. And I'm thankful for that. Now he's back in San Francisco for his final season. There's also Alice. The girl that got away 14 years ago. She told him to go and be a famous baseball player. But she did just that. He

never found what he had with Alice in College. I don't know why that bothered me but it did a bit. Johnny was just the opposite.it was a lot.Still I liked the easy friendship between Johnny and Alice. The baseball backdrop worked well. 3
