

The Chicagoan Switch By Patty Devlin The characters of Caroline and Royce were believable enough but Caroline was high handed and did some idiotic things which I felt were out of character for someone who supposedly took care of her family members. This of course makes for a few conflicts in the story and lucky (or unlucky) for her Royce Ashby who has taken an interest in her shows his dislike for her attitude and sass on her behind. Devlin! Romance Spanking Fiction Domestic Discipline This story picks up from where Caroline Lowe had changed her mind of going to marry Wade Malone as a mail order bride and talked Elizabeth Liz Castle into taking her place. Laurel Romance Spanking Fiction Domestic Discipline Caroline couldn't follow through with the mail order marriage she had agreed to so she switched places with the woman next to her on the train. Yeah spankings! And I found a place to send my spanking books! My books are romantic and they are fun and naughty but you won't find any full sex scenes (Just enough teasers),

Book two of the mail order bride switch series, This time we follow the bride that was ordered back to Chicago: A fun fast paced read as she is at odds with the rain road line owner and the romance that blooms between them: Can't wait! Romance Spanking Fiction Domestic Discipline Timing is everything, This is a story set in the Old West circa 1800's during the time of Mail Order Brides. Caroline decides she wants to back out of her agreement and switches her bridal order onto another woman, It is on her way back to her home when she meets Royce Ashby, This book is a sequel to The Mail Order Switch and at times I found it a bit difficult to keep up. I might have enjoyed the book a little more if I had read the first one, I didn't read Mail Order Switch and was concerned that I would be lost reading this one, This book can definitely stand alone but from what I am hearing if you have read the first one it makes this one even more engaging. I love when the heroines are feisty and spirited and I was not disappointed in Caroline: She has a temper and knows what she wants to do and no one is going to interfere: Patty Devlin describes the atmosphere and situations so well that you feel like you are right there, I loved how she took the time to show the old west dialect in conversation, Caroline is setting having tea and misses her train heading back to Chicago: She isn't the only one who misses their train so does Royce Ashby: It seems a young conductor on the train had misquoted the length of time the train would be at this location. Caroline is extremely upset and become unreasonable about getting to the next town. She feels the need to get home to her mother after receiving a telegram about her brother, Her bratty attitude and determination to get home causes her to make many foolish and rather dangerous mistakes, This leads to Royce having to save her and he disciplines her too: This is their story and how they fall in love Royce is a domineering man who knows just how to handle Caroline and keep her in line: This can be read as a stand-alone but it I recommend reading The Mail Order Switch first. This is a clean western domestic discipline story with no sex highlighted: Romance Spanking Fiction Domestic Discipline I received this book ARC for an honest review. This was a sequel to Mail Order Switch but can be read as a stand alone story: She backed out of a being a male order bride and talked another young woman to take her place: She travels back East for a family emergency and the train breaks down, Anxious to get home she had more reason to hurry when she received a wire relaying a family emergency, □Traveling with the Union Pacific across the mid- west was a long hot trip and Caroline's temper flared at the man who took responsibility for the railroad: Her temper wasn't the only thing flaring - her bottom also felt the heat when Royce Ashby had had enough of her bad humor. A man's patience could only

take him so far and it was quite obvious to him that Caroline was in need of a keeper. I recently learned that writing fiction is the socially acceptable form of Schizophrenia, Yes what to do with the voices in My Head? Well share them of course I have always loved to write and daydream it just comes naturally to me: Sadly I had a hard time finding the best books the ones that had sexy dominant men in them. The ones where the men weren't afraid to spank a girl if she deserved a few well earned swats: The books that had those scenes were very few and far between. So what is a girl to do? I had to add the often needed spankings to the stories In my daydreams after I finished the booksI love to write. So I spent a lot of time writing book People are never quite who they seem. I recently learned that writing fiction is the socially acceptable form of Schizophrenia, Yes what to do with the voices in My Head? Well share them of course I have always loved to write and daydream it just comes naturally to me: Sadly I had a hard time finding the best books the ones that had sexy dominant men in them. The ones where the men weren't afraid to spank a girl if she deserved a few well earned swats. The books that had those scenes were very few and far between. So what is a girl to do? I had to add the often needed spankings to the stories In my daydreams after I finished the booksI love to write: So I spent a lot of time writing books that I had to edit spankings out of (in my mind) because they weren't politically correct. As you can imagine when I found Blushing Books I felt I had found a goldmine. However there are plenty of spankings all the way through and tons of action to keep you turning the pages. Oh wait is this supposed to be about me? Well if you want to learn about me come check me out on my blog or my Facebook page. More characters to find and books to come. She endured several corrective spankings. There were sexual scenes but no heat at all. I didn't sense any real hot romance. Romance Spanking Fiction Domestic Discipline I loved this book. Again it puts you right in the old west. Well Done Ms. She exits the train and purchases a ticket back home. She meets the train owner and then the sparks fly. Adventure action romance and spanking. Wonderful story. He knew he was up for the task. The Chicagoan SwitchPeople are never quite who they seem. I love to read so I devour books. I love to read so I devour books. {site_link}.
