His limbs had been blown off. He gives her the picture that he took of her. Whitney's housekeeper Bien volunteers for the Red Cross. A POW tries to stab Martha with a fork. Sissy and her daughter suffer Agent Orange Disease. Martha becomes a counselor and preaches anti-war stuff.They attend a 5 day gathering at The Wall. A Piece of My Heart This book is actually a play. Seeing it live I might actually cry.But personally it's not my favorite kind of play. But I prefer plays that have scenes enacted between people. Which electrified charge between peoples. This is not a play in the sense of watching scenes. Yes you get to see some character development. But really it's story-telling. And they do. Tell it. So.in conclusion,you should read this play. If it's performed near you go see it. If you have a chance to work on it go for it. A Piece of My Heart Martha -- the army brat. Maryjo Kincaid -- the performer. Sissy -- the sheltered sweetheart.Whitney - - the graduate.Leeann -- the hippie.Steele -- the pragmatist.i. They are fired upon and have a rough landing. The doors open and they are quickly disoriented. Leeann and Sissy 'volunteer' for Cu Chi together. They smoked pot and went out with soldiers.S. I would recommend this book to anyone. A Piece of My Heart Since I'm in it.I guess reading it is ongoing. This is a must see or read. But it sure feels like we got divorced. Great job Shirley Lauro. A Piece of My Heart.
