Her partner's best friend. He shows her that she's a woman. And he never misses a target. This a great collection of military themed stories. I will include my review individually for each story below. The overall rating will be an average of the 5 stories. I loved how this couple just came together. There was no unnecessary drama. Baum. Rayna is so happy that her husband is coming home today. Rachel Carmichael this fact. Lt. I loved Jordan and my heart broke for him. Lexi Flynn has her own issues. Sparks fly between Ernie and the blind date's wingman Chase. He inspires Ernie to do something she's never done before. let go of her inhibitions. Wounded soldier Sgt. Rachel is drawn to him in spite of her suspicion. and love. Lexi Flynn is all grown up. Lexi's sister made me laugh out loud more than once. I loved how Ms. Ernestine Ernie Rose is having an awful day. She's somewhere in the middle. That is until she met Chase. He's different. He's sad! He's lost. He's edgier. He's definitely more demanding in the bedroom. 5 stars I loved loved loved the story of Mark and Ione. It was so sweet funny and endearing. This book just left me feeling good all over. So again. Mags is used to men hitting on her everywhere she goes. To her it's all a big inconvenience. She's a cop just one of the guys driven. She's pretty sure she may even be frigid. That is until she meets Rem. Rem is admirable in so many ways. You can't help but fall in love with him. You can find this review and others at www.riverinaromantics.com. 5 stars. This collection has some wonderful authors. Review to follow. 9781499108651
