I tell you one thing Dawn really drove me not only to drinking but popping Aleve's for the headaches all of her naive feeling for Rell! We a man tells you he don't want you please believe that is exactly what he means! The disrespect And beatings along with all the other humiliating acts proved it! Lord please guide my daughter and not let her have the same mentality as Dawn about a man Amen! THEN THE D WAS SMALL!!!!!! But I guess he was working it cause these crazy women were loving him harder after infecting them with STDs! I'm a look amped to find out who the mysterious person in black is! Gone Off The D This book was ok.
