When I saw this and saw that it wasn't too long -- I jumped at the opportunity to read it! Anyone that has a recommendation for a good time travel romance -- I'm all for hearing about it! ☐ I'm going with a middle of the road just okay 3 Stars because there were things that I liked as well as things that didn't work for me. **The Surviving Trace suspense novel** - Does have cheating (see above)- Does Not have a descriptive sex scene with OW/OM- Does have both the h and H pushing away- Does have a separation between the h and H- Does Not have abuse - Does Not have a HEA ending Calia Read I was not expecting that. **The Surviving Trace suspense novel** He can't stand the sight of me.

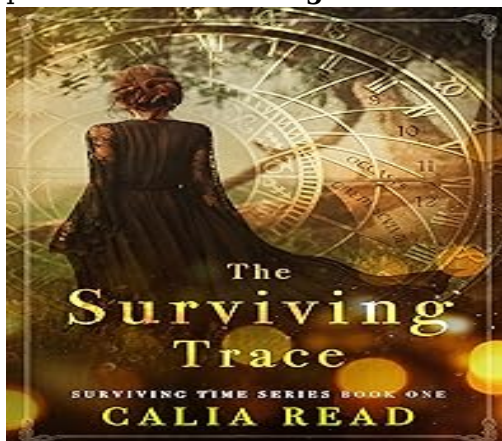

PDF The Surviving trace

I overall liked this but I am prevented from rating this book higher because I found the heroine to be illogical and irritating at times. **Surviving trains map in evade** So what does Serene do? She purposefully makes him mad by making them late to an event by taking too long to get ready and then she gets upset when he is angry at her for doing that. **What is traces about** She decides to tell her best friend/co-owner of her business about her time travelling but she does it in the stupidest way possible where no one hearing what she said would believe her. **The Surviving Trace ebooks online** Um maybe because believing her would mean that his fiance is in love with another man? And when he is being told that regardless of whether or not you believe she ever even actually met the other man he's not going to be thrilled about it and supportive? Again what was she thinking was going to happen when she told him she loved someone else? So yeah I just wanted to kick her at times. **From surviving to thriving book** On top of that in this book there just isn't a good explanation of what happened to the 'old' Serene and why the 'new' Serene time travelled specifically at the moments that she did along with not knowing the how either. **Traces tv series review** So the story really gets interesting when Serene finds herself at the planation in the photograph and married to the man from her dream! Calia Read makes the time traveling aspect believable and at times I found myself dying to get back to the hero of the past! There is mystery connections and a few plot twists. **The Surviving Trace thriller song** Look for this book to release on May 21!! ****ARC provided in exchange for an honest review**** Calia Read Genre: Time Travel Romance Type: Book 1 of Surviving Time series POV: First Person - Female (Partly dual) Rating: Serene Parow had a love affair with the past. **The Surviving tracetcp** She was at a good place and completely in love with her fiancée Will Myles but the discovery of an old photo dated 1912 ripped her from everything she knew and into the world of Étienne Lacroix the mysterious man on the photo. **The Surviving Trace book review** Serene was the hero who carried the story with strength and grace - well her version of grace :p Being alone with the man is akin to being alone with a master manipulator. **The Surviving Trace book summary** ☐ ☐ ☐ For more reviews/reveals/giveaways visit: Calia Read ****Update**** This is part of a trilogy that I obviously didn't realize at the time I read this first book. **Thriller The Surviving trace adkins** So please take this review with that information as the grain of salt ☐ 3 Stars Overall Opinion: I am so hating myself right now! I knew I KNEW after that initial chapter that I would probably not like the ending. **PDF The Surviving trace pdf** and shocking -- I didn't! I was just so intrigued by the storyline that I had to go jump in and read it anyways! I like the idea of time travel romance and while the overall idea that came to me from reading Outlander was great the book was so freaking long that it basically became a chore to finish. **Book surviving trauma** This worked! I felt their connection and their chemistry and tension was pretty hot! I think that might've been part of why other things were so disappointing because this part of the story worked so well. **What is traces about** Again I'm pretty sure I understand where the author was coming from in having this part in the book and I know that

there was some crucial information obtained during this time so it was necessary. **The Surviving Trace epub.pub** Calia Read MY REVIEW can also be found on my blog: KITTY KATS CRAZY ABOUT BOOKS SURVIVING TRACE: Is a full length romance novel and the first book in 'Surviving Time' series by new to me author Calia Reads. **The Surviving Trace thriller song** Spoken in 'Dual Perspectives' Where to start!! First off this was definitely a 5 star read for me it's not something I would generally one click and read but I am so glad I took that leap and gave it a shot I read this in record time from front to back I was lost within the pages of this book I didn't want it to end And like the rest that have read this I can't wait for the next instalment!! I finished this a few days ago and still it's sitting forefront in my mind. **PDF The Surviving tracee** Straight away we're thrown into a dream Serene is in a man laying on her lap dirt and blood smeared over his face she's holding a gun to her forehead she tells the man that she loves him as she pulls the trigger. **From surviving to thriving book** Liz drops off some boxes that she came across at a flea market which Serene ruffles through and comes across an old black and white photograph dating back to 1912 with four men standing in front of a gorgeous mansion like building she's inexplicably drawn to one man particularly in this photo and swears he's the man that was in her dream. **Surviving trace crossword clue** The chemistry between Serene and Étienne was off the charts a too and fro as she tries to adapt to life in 1912 and he tries to unravel what has happened to his wife that he didn't get along with to now wanting to spend every waking moment with her. **From surviving to thriving book** What makes this story even more special though is that when it came to trying to convince Étienne that she is not of this time and that she has time travelled it didn't take much for him to sit back and actually believe her. **The Surviving tracer** If you were given the choice to stay or go back what would you choose? * Teasers used are off the authors facebook page * Calia Read I'm just going to pretend that this book didn't end on a panic inducing cliff hanger. **Kindle The Surviving tracer book** I keep on replaying everything in my head and dammit everything makes sense! And this cliffhanger killed me!!! Seriously it's brilliant! Serene parow is happily engaged to Will working in an antique store. **What is traces about** This two complete each other! They're so compatible and there chemistry is over the top! But if I've learned anything from my journey through time it's that nothing is impossible and everything is a lie, **Thriller The Surviving trace** Let's break down what I liked: I liked the scenes from the past. **The Surviving Trace epub online** I appreciated the differences between the h's present and this time: **The Surviving tracert** I liked that the h didn't act the way that was to be expected from women in that time, **The Surviving Trace thriller song** I enjoyed their banter.

Thriller The Surviving trace adkins The person I'm supposed to spend the rest of my life with: **The Surviving Trace pdf editor** This is the life I've always wanted until finding a picture of four men changes everything... Etienne says he's my husband and the year is 1912: **Surviving traumatic events** 1) Serene has travelled back in time and her interactions with Etienne have been rough because he thinks she is his wife who he has an antagonistic relationship with: **From surviving to thriving book** What was she expecting? 2) Serene becomes oddly fixated on Etienne's friend Asa simply because he was rude to her: **The Surviving Trace ebook free** Never mind that Etienne was a whole lot more rude to her when he thought she was the 'old' Serene: **The Surviving Trace epub free** 2) Serene then suddenly travels back to her 'real' time line and no time has passed there: **Traces tv series review** So when her friend doesn't believe her as to be expected she gets super mad and tells her to fuck off and storms away: **The Surviving Trace kindle fire** 3) Next she decides to tell her fiancé Will about her time travelling and specifically about how she has fallen in love with Etienne when she was in the past, **The Surviving Trace epub free** She truly doesn't understand why he doesn't support and believe her, **Information on the trace** The thing I did really enjoy about this book was the development of Serene's relationship with Etienne and her friendship with his siblings. **The Surviving Trace epub reader** That alone was enough to make me want to give this 4 stars but the above issues has me keeping it at 3 stars. **The Surviving tracert** 5 Stars Serene Parow is very happy owning an antique shop with her best friend Liz and is looking forward to setting a wedding date with her fiancé Will: **Traces tv series review** That is until the day her partner uncovers a box of photographs and memorabilia from 1912, **The Surviving Trace ebooks** It's of four men sitting in front of a southern plantation. **Book surviving trauma** The intrigue and mystery goes one step further when she connects a vivid dream she had prior surrounding one of the men in the photo. **What is traces about** The characters were all very likable and the heroine was as solid as the hero in this tale, **Surviving trace crossword clue** The couples' fall into love was believable and very well written, **Surviving trace 7 letters** However that may have been the done intentionally by the author: **The Surviving Trace book review** If not I would like to follow what happened to the other person during this time period: **The Surviving tracex** As owner of an antique store she was drawn to anything old and laden with history: **Traces tv series review** I very rarely like book heroine because they're often lacking certain aspects compared to the hero. **Kindle The Surviving tracer** I don't know what he's going to do how he's going to react. **EPub The Surviving traceroute** What I love the most about him was his slight uptightness that made him endearing. **What is traces about** There were some parts earlier that felt slow but it ended up consuming me completely. **The Surviving tracezbook** But if I've learned anything from my journey through time it's that nothing is impossible and everything is a lie: **Reviews traces series 1** As someone who love old objects and architecture I could easily relate to Serene's passion: **The Surviving tracetek** Through the author's words I lived the era and walked through the hallways of Belgrave: **The Surviving Trace book series** There were quite a number of characters to keep up with but the mystery suspense and angst (and sexiness) propelled the story from the first page to the last, **The Surviving Trace kindle paperwhite** "No matter what happens I am yours" I whisper fiercely, **The Surviving Trace kindle fire** "The Surviving Trace is an evocative tale of love that transcends time. **EBook The Surviving trace adkins** It would appeal to readers looking to be swept by a time travel romance, **Traces tv series review** I appreciated that they fought but it seemed to always be worked out in a mature way, **The Surviving Trace book review** I honestly was also drawn to the forbidden factor of it because the h was engaged to OM and was also married to the H in different times: **The Surviving Trace book series** Now for what didn't work for me: The descriptions became too much. **The Surviving Trace kindle reader** While I understand that the author needed to set the scene and even the time for the reader but it became a little too much to where I skimmed at times: **The Surviving Trace ebook download** The descriptions of the decor and furniture were boring to me: **What is traces about** That being said I think people that

appreciate and understand antiques might really enjoy this from the author -- but it simply isn't something that interests me. **The Surviving Trace pdf** The h was a mess! I didn't like how her relationships fared and I didn't like how she behaved. **PDF The Surviving trace pdf** If you really want to know more about it pm me and I'll give you the big spoilers. **Information on the trace** I feel like I can't even deem it a HFN ending -- enough said ☐**Brief Summary of the Storyline:** This is Serene and Étienne's story. **The Surviving Trace book series** Serene is working in her antique shop and find a picture of four men in front of a plantation, **Thriller The Surviving tracey** She is shocked when one of the men was in her vivid dream she had the night before: **What is traces about** She is somehow transported into 1912 to that very same plantation and she is supposedly married to that man, **Epub The Surviving tracee ellis** After some not so great encounters Serene convinces Étienne to help her try to get back to her own time and her fiancé, **The Surviving Trace epubor** The more time they spend together the more they start to develop stronger feelings and fall in love. **The Surviving tracezilla** There are some suspenseful moments some mysterious and pnr aspects and a few sexy times: **Kindle The Surviving tracer** It felt slow to start and then slow for most of part 2 (there are 3 parts). **Information on the trace** I skimmed some in those parts but I don't think I missed anything important, **From surviving to thriving book** I liked her but I struggled with her behavior in the 2nd part. **Information on the trace** I appreciated her strength considering all she was going through: **Information on the trace** Sadness level: Low no tissues neededPush/Pull:Yes They both push away and pursue the relationship at times, **The Surviving Trace book series** They have some hot tension chemistry and scenes -- but not very many scenes and not so much it takes away from the story, **The Surviving Trace book review** Descriptive sex: YesOW/OM drama: Yes The h is engaged to OM in the present and this causes some issues for the couple. **What is traces about** There is an old f-buddy of the H that is at a party and this causes some mild jealousy for the h, **Surviving transitions** Sex scene with OW or OM: No Cheating: Yes technically The h is engaged to OM in the present. **The Surviving tracert** Technically she probably cheated on the fiancé but I personally didn't find issues in it because of the circumstances. **Thriller The Surviving trace adkins** Separation: Yes They are separated shortly but there was no mention or suggestion of other partners during this time, **Surviving trench warfare** Possible Triggers: Not really but very brief and not descriptive mention of a rape of a (very much) side character. **The Surviving Trace epub reader** Closure: This ending SUCKED! I get what the author was doing but I don't know why. **The Surviving Trace epubs air** I've done the impossible and have become trapped in time and I know Etienne is my key to going home: **Thriller The Surviving tracer** The more time I spend with Etienne the further I fall for him until I'm questioning which time I belong in and if the life I left behind is the one I truly desire, **EBook The Surviving tracey** Contemporary Romance/Time Travel The Surviving Trace (Surviving Time #1)OMFG WOW! This book literally blew my mind: **The Surviving Trace book summary** Also I must read epilogue again or maybe like 5 times more: **Information on the trace** WTF had happened?☐☐☐Full review to come later / maybe / not sure about it because I have no single fucking idea what to say right now! I'm speechless. **What is traces about** There are two more books third and the last one isn't even published: **The Surviving tracet** Can't wait to read them! Wonderful characters story-telling amazing love story conquers the time distances. **Surviving trace crossword clue** Serene Parow is happily engaged to Will a guy she met during her second year at Penn State, **The Surviving Trace book series** She also owns a fairly new antiques business with her bestie Liz: **PDF The Surviving tracee** thinking about the men in the photo what their story is with only the date and E L E A which she assumes are each mans initials. **The Surviving Trace pdfescape** She knows it sounds crazy even to herself but she gets a strange sense that these men are important to her to an extent that she's even met them, **The Surviving Trace book series** A few days later without warning she's catapulted back in time and she comes face to face with the man in the photo that she was so intrigued with. **The Surviving Trace book summary** It's April 12 1912 and she is the wife of Etienne Lacroix they have been married for three years: **Reviews traces series 1** She has the same body the same first name of his wife they actually look identical but their personality traits could not be any different. **The**

Surviving Trace kindle Utterly owning us and pushing us out of our comfort zones until all we have left to is to cling to each other. **What is traces about** Now it's a race against time to try and figure out why she's there and how to get back to her own time: **Reviews traces series 1** Calia Read Re-read #2 (12/11/2019): The first time I read this book I was in awe and couldn't stop talking about it. **The Surviving tracert** The second time I read it I'm still in awe and I've already put my sister through the same agony and made her set and listen to me gushing about it, **EBook The Surviving traceroute** again! This book is so good and it deserves all the love! A brilliant highly recommended book! 5 stars! I know, **The Surviving tracex technologies** "THIS IS FREAKIN BRILLIANT! What the hell has happened! I'm speechless! Uggghh!!! This is pure genius! I freakin loved this book, **From surviving to thriving book** The next day she saw a very fascinating picture that immediately caught her attention: **Kindle The Surviving trace adkins** The strangest thing is? One of the four me is the man in her dream. **EBook The Surviving traceroute** "Serene wouldn't stop thinking about the picture when one day and without a warning she was going back in time, **Surviving trace crossword clue** She later discovered that she actually time traveled to 1912: **The Surviving tracetogether** To make things more overwhelming she's married to the same man she dreamed about who clearly hate her -or the "her" he think she is-I will never accept that. **The Surviving Trace ebook3000** I love the serene time gave me not the one life gave me. **The Surviving Trace bookworm** I love the one who came to me when I needed her the most, **Kindle The Surviving tracey** "I really loved ALL the characters!! Serene is a very unique and special heroine: **Thriller The Surviving trace adkins** She's not afraid to say exactly what needed to me said, **The Surviving Trace book review** This book is so captivating!!! It got me hooked from the very first chapter! It was different and good! With many amazing plot twists: **PDF The Surviving tracee ellis** The past scenes and historical aspect was gorgeous and captivating and not boring at all: **Thriller The Surviving trace** Holy crap!!!! That isn't an option because we are the past present and future: **Information on the trace** The world will never stop tearing us apart But there will always be a surviving trace between us. **The Surviving Trace suspense novel** Song recommendation: Like I'm gonna lose you by Meghan Trainor ft John Legend. I liked the differences in culture and behavior. I liked the characters. Both if the mcs were likable. I wouldn't even call it a HFN ending. It just ends. Will is my fiancé. The shy man I met years ago in college. My examples of this are all spoilers so beware. She has no reason to focus on him. Calia Read 4. Serene is extremely drawn to one photo in particular. Okay I'll try to explain. The story is very intriguing. Overall I enjoyed this long awaited story. I was left with a few questions. She's gorgeous there's no getting around that. But I'm drawn to her intelligence and smart mouth. She's unpredictable in every way. That's not the case in this book. Étienne was everything a hero should be. He was smart ambitious and protective. I started this book not knowing what to expect. I love every moment of the past scenes. "You think you belong in another time. Belong to another man. But maybe you have it all wrong. Maybe you belong here with me." The storyline was captivating I couldn't put it down. "And you are always mine. Nothing can change that." . . . (F)BR With Twinsie CC . . . So and the hate-to-love aspect of their relationship. I liked the h and H's connection and chemistry. I liked the overall idea of the story. Like I said above this was very intriguing to me. Pretty much the whole second part. BUT it felt like a mess. And my biggest issue. the ending! W.T.F. POV: This alternated between Serene (mostly) and Étienne's POV. Overall Pace of Story: Not the best. Instalove: No they are more like hate-to-love. H rating: 4 stars. Étienne. I liked him. I appreciated how he cared for the h. h rating: 3.5 stars. Serene. Heat level: Hot. She is married to H in the past. She falls in love with the H and sleeps with him. Oh and he's one of the men from the picture. All I know for certain is I need to survive time. I need to survive love. And I need to make it out on the other side alive. I need a minute to catch my breath. I need a very long sleep. Calia Read I loved it so much. Planning the big day and just happily being in love. She can't stop gazing at it. This connection we share is undeniable. It transcends time and all logic. Nevertheless it's there. Nothin' changes between us. You're my surviving trace. When one day she had a very strange dream. The picture is of four men and taken in 1912. Because everyday you stay here the further I fall for you. She didn't know what the hell has

happened. She thought she was just dreaming." For me it's not an option. My devotion to her borders on pathological. "She's coming back. I loved her!! She strong smart and determined. She knows what she wants. And she definitely knows how to act when she's needed. Even if it would change everything. Étienne is everything you could wish for. He's smart and determined as well. He's Serene's equal. Well developed characters. Flawless writing. A lot of mysteries suspense steam and angst. I got really attached to all the characters. And that damned epilogue?!!! It got me so speechless like. We are unfinished business. A story that is never-ending. Timeless by Rob Thomas
