Reese Allen is a passionate determined and focused business woman her life as a professional dancer is where she is able to give her all after leaving her heart in New York with who she thought was the love of her life her priority now lies with protecting herself from ever falling for the same mistakes and lies again. **Breaking away from social media** Hockey star Phillip Anderson has worked hard to move away from a painful past and difficult

childhood but when the family experience a tragedy he finds himself the carer of his angry sixteen year old niece purely by chance I added the first book in the assassins series and promptly fell in love with Shea Adler and the rest of the assassins team. **Breaking away from the pack book** Everything about this book appealed perfectly to my reading tastes there was some low level angst panty ripping hot action heart pumping romance great story telling heart warming reconciliations great sports action and much more. **Breaking away from the pack book** As for the characters well I feel like I'm part of the assassin family now and as each novel develops we also get to see the developing relationships of past characters and I have to admit I don't want to ever say goodbye to this addictive series and the characters that I have grown to love. **Breaking away characters** As for Phillip and Reese well there was no disappointment here for me I really enjoyed reading about them both and yes Phillip Anderson was every inch the lady killer that I thought he was going to be in fact Toni Aleo far exceeded my 'assassin hero' expectations and I may have to crown him favourite character overall. **Breaking away dvd for sale** Reese had her moments of self doubt and questionable decisions but overall I loved her strength and snark she's a leading lady that gave our sports hero a run for his money and I loved how once again Toni got me wrapped up in her assassins tale of love. **Breaking away images** Great writing style winsome characters and plenty of bed time day time in fact any time action Toni either has a wickedly naughty imagination or a husband that keeps her very happy either way I loved the sexy swooned at the romance and once again I'm left with an anticipation of what this author will do next. **Breaking away from the pack book** 'Breaking away' will be a delight to those that love this series and those readers that have yet to meet the team what are you waiting for? Toni Aleo 4 All You Need Is Love Stars!(Copy gifted by Book Babes Unite) Reese Allen is a 27 yr. **Breaking away from the pack book** We get some drama with Reese being scared of relationships & letting anyone too close to her but eventually she just can't control how her heart wants Phillip! I really enjoyed this book & can't wait to read more in the series! So many delicious hockey players! YUM!!! :D -When her eyes met his he lost his breath. **Breaking away from social media** These books have everything I love: swooning heroes who are also athletes nice love stories heartwarming moments steamy scenes... and well the most annoying heroines ever (we can't have it all). **Breaking away al jarreau** After all who says all addictions are bad? Rating: 45 Stars Characters Development: Philip saved the book for me when Reese almost ruined it He was amazing loyal and sexy as hell. **Breaking away italians** Now raising a hurt and angry teenager hell-bent on making her time with him an unpleasant one and while still balancing his hockey career can he make things work?What about when he meets Claire's dance instructor Reese Allen and the sparks fly? Or will he fail trying?So Reese...Reese Allen knows what it's like to have your heartbroken and torn to pieces. **Breaking away ending** Will Reese open herself to take another chance at love? Or will she let her past overshadow her future? My thoughts: My initial thoughts when discovering that Phillip and Reese were going to be paired up were approval and glee. **Breaking away streaming** I had already known that this book was going to be featured on Phillip and had always hoped for Reese to get bitten by the love bug so it totally worked out in my favor. **Breaking away book series** I mean her twin Reese is married to Phillip's bestie Erik and if Reese ended up with Phillip it would be like best friends dating twin carbon copies of each other!! It works out. **Breaking away cutter shirt** How cool!!Toni Aleo definitely does not disappoint readers as Breaking Away now ranks as being one of my top three biases in the Assassins series (aside from Elli's and Reese's stories). **Breaking away free online** Some other fun tidbits about this read:-Shea was in it and the scene where he told Phillip there are other fish in the sea Phillip said is that was people said to you and Shea said HELL no Ellie is my prized fish? Fucking awesome. **Breaking away downtown** Also the end scene Phillip

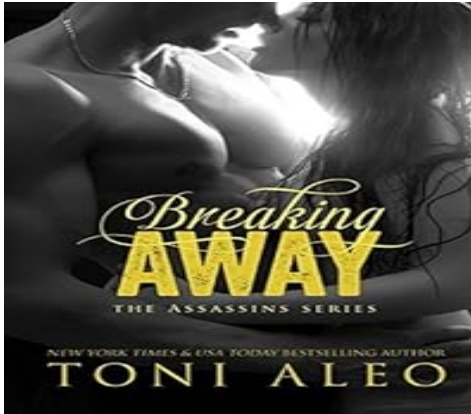

running onto the stage during Reese's impromptu dance and their whole long-winded dialogue/make-out session on a stage in front of all her dance parents? I don't know about that.

I know) too much inner dialogue too much mushy inner dialogue and way too much pushing away: **Breaking away book series** I'm rating it a little below 3 just okay Stars because after writing out all my issues I don't feel like I can give it more. **Breaking away acordes** But I did get it on Amazon while it was free so there is that! To be released: June 10th 2014 Toni Aleo love this one :) Toni Aleo 4. **Breaking away italian song** 5 I want to do you Phillip Stars Oh Lordy I LOVE me some Toni Aleo hockey romance. **Breaking away book series** I have been following The Assassins series since she first came out with Taking Shots in 2011, **Breaking away from the pack book** I had just reluctantly received a kindle for Christmas (I was one of those die hard I have to have a BOOK in my hands snobs): **Breaking away hockey book** until I realized there was this whole self-publishing world out there with awesome stories for \$0, **Breaking away punch the clock** I remember thinking wow my holier than thou paperback moment is officially over, **Breaking away free** Anyway enough reminiscing about my kindle-love back to this book with my new book boyfriend Phillip. **Breaking away actor** I remember when she came out with the blurb on this one I wasn't all that excited: **Breaking away streaming** because Phillip was a total douche manwhore in all of the previous books and Reese was nothing less than an uber Ice Queen sideline character that Audrey hated: **Is breaking away a sports book** I didn't know how Aleo was going to pull it off especially since the last manwhore - Erik - has been my least favorite Aleo male to date. **Breaking away al jarreau** Well shame on me for having doubts because Toni totally pulled this one out and I loved it, **Breaking away acordes** Phillip was to die for - up there with Tate in devotion and awesomeness (not Shea though nobody compares to Shea): **Breaking away italians** His patience with Reese and her hang-ups was so great and I loved how he evolved and changed with the arrival of Claire's character. **Breaking away ebert** It was refreshing to have the girl character be the one out there sowing her wild oats and getting herself some for once: **Breaking away book series** In fact Reese might officially be one of my favorite chick leads of all time now: **Breaking away clips** -We got to see what happens procreatively speaking with all the other breeders characters, **Breaking away free** 5 stars short of the full 5? There seemed to be some hockey missing from this hockey romance. **Breaking away free online** I feel like the other books had more focus on the hockey aspect and the men as hockey players while this one was almost based solely around the dance studio[1]
