

Wicked Pleasure (Bound Hearts, #9) By Lora Leigh **His wicked pleasure book** You do not have to read the other books before these - the characters do make appearances and it would enrich your reading to know their backgrounds - but it is not a requirement. **Wicked weed guilty pleasures** Fears of the desires they arouse in her and the knowledge of the relationship they wanted with her spurred her to run to find a life that kept her traveling the globe and out of their reach. **Wicked pressure cooker** Can Jaci face the world knowing she's a lover to both men or will her hesitancy and her fears destroy her chance of happiness forever? Wicked Pleasure (Bound Hearts #9)

Lora Leigh lives in the rolling hills of Kentucky often found absorbing the ambience of this peaceful setting. **Wicked pleasure book** She dreams in bright vivid images of the characters intent on taking over her writing life and fights a constant battle to put them on the hard drive of her computer before they can disappear as fast as they appeared. **Wicked pleasure by lora leigh** Surrounded by a menagerie of pets friends and a teenage son who keeps her quick wit engaged Lora's life is filled with joys aided by her fans whose hearts remind her daily why she writes. **His wicked pleasure book** She dreams in bright vivid images of the characters intent on taking over her writing life and fights a constant battle to put them on the hard drive of her computer before they can disappear as fast as they appeared. **Wicked pleasure book** Surrounded by a menagerie of pets friends and a teenage son who keeps her quick wit engaged Lora's life is filled with joys aided by her fans whose hearts remind her daily why she writes. **Wicked pleasure book** I especially was irked by the whole "can't look at her in the eyes during sex unless Chase's there...or else she'll see the darkness...see into my soul!!" *cue the dramatic music* Thankfully Jaci is willing to do what it takes to break down Cam's defenses and with the encouragement of Chase she's able to do just that. **Wicked pleasure book** Members sign confidentiality agreements and The Club has a 'punitive committee' composed of very powerful individuals who can and will ruin anyone betraying their secrets financially socially and politically if needed. **Wicked pleasures book** Her efforts to tame Cam (and sometimes Chase) and her struggles to be independent and solve her own problems without relying on Cam drive him nuts! These two (okay three) certainly have a lot of issues to iron out. **Wicked pressure song** Me sigue gustando bastante la narrativa de Lora Leigh y cómo crea sus personajes aunque después de nueve libros de la saga Corazones encadenados algunas cosas se me han empezado a hacer repetitivas tanto en la estructura de las historias como en los mismos protagonistas. **Wicked pressure test** Cam y Chase son gemelos que han tenido un pasado bastante duro y Jaci es una chica que a pesar de creer que ha podido superar ciertas cosas que le han pasado no llega a ser tan así. **Wicked pleasures book** En esta historia se puede ver una relación más endeble entre los protagonistas porque recién hacia el final vemos la aceptación de la unión que necesitan y el reconocimiento de lo que deben hacer para lograrla cosa que agentes externos ponen muy complicada. **Wicked pressure cooker** Me he quedado con la sensación terminada la lectura de ver una resolución más concreta entre ambos hermanos porque más allá de que la relación amorosa se muestra como algo principal creo que Cam y Chase se merecían el cierre de ciertos acontecimientos. **Wicked pressure song** Romance Literature Fiction Mystery Thrillers Wicked Pleasure & Only Pleasure These two books are companion pieces and should be read in order or

you'll be having several huh? moments with the plot in the second book. **Wicked pressure washer** What happened? Did she lose her red pen? Maybe she was angry with her employer and sent the manuscript through with nothing but proofreading? I don't know but the end result is an unbelievably bad novel. **Wicked pressure cooker** I think she was going for a world record - how many times can you use the word pure in a single work of fiction? (Pure this pure that pure crap!) Second the alpha male characters came across as smug self-satisfied dim-wits not strong men. **Mavis and wednesday's wicked pleasures** The rants from the main hero (Cam) were redundant and ill fitted to the character - who could ever think like him? Third the protagonist was not only an idiot woman she also was too much of a work of fiction to be even remotely sympathetic and believable. **Foolish pleasures wicked tuna** Many many sex scenes of various types including some menages with the hero's twin brother so definitely not a book for the faint of heart! Cam the hero of this book has suffered some horrible heartbreaking abuse as a teenager and it has left him scarred emotionally. **Wicked pressure lyrics** The heroine Jaci has loved Cam since she was a young teenager and desperately wants to break through the walls protecting his heart and connect emotionally with him but doesn't know what to do. **Wicked pressure lyrics** But even though Jaci has come a long way from the naive young girl she once was can she accept the lifestyle Cam insists on in order to be with him? While I liked this book a lot I kept asking myself 'why doesn't he get some psychological help?' and 'how could anyone carry around all this guilt and shame without confiding in someone?' But of course if he did that there would be no book! So for me most of this book was spent wondering when Cam was finally going to break down and tell someone anyone what happened to him. **Wicked pleasure book** Probably not my favorite of the 'Bound Hearts' series but a pretty enjoyable read for me nonetheless and I'm sure it will appeal to most of Lora Leigh's fans! Romance Literature Fiction Mystery Thrillers 4 'I'm C-ing' StarsMan oh man I loved my twins. **Wicked pleasure book** The number of members how long its been around the extreme secrecy and there was a comment that no sex acts took place in the club yet I distinctly remember one of the heroines getting nailed there. **Foolish pleasures wicked tuna** WARNING this book contains: explicit sex explicit language m/f sex m/f/m sex with twins anal sex rough sex some dominance issues and mentions of sexual abuse of a minor Romance Literature Fiction Mystery Thrillers I felt like this story was on auto repeat with the characters thoughts words and actions.

His wicked pleasure book

From New York Times bestselling author Lora Leigh comes the explosive new novel in her Bound Hearts series. **Wicked pleasure by lora leigh** Jaci Wright has been running from the Falladay twins Chase and Cam for seven years now: **Wicked pressure test** A new job has placed Jaci in the Sinclair mansion with Chase and Cam. **Mavis and wednesday's wicked pleasures** It's hard enough to face accepting a relationship with two men rather than just one but gossip and the tattered tales of juicy secrets fill the society she now moves within, **Wicked pressure song** Lora's family and her writing life co exist if not in harmony in relative peace with each other: **Wicked pressure test** Librarian Note: There is than one author in the GoodReads database with this name, **Wicked pleasure book** {site_link} Lora Leigh lives in the rolling hills of Kentucky often found absorbing the ambience of this peaceful setting: **His wicked pleasure book** Lora's family and her writing life co exist if not in harmony in relative peace with each other. **Wicked pressure lyrics** Librarian Note:

There is than one author in the GoodReads database with this name. **Wicked pressure cleaning** {site_link} {site_link} {site_link} Hmmmm...I really enjoyed it but I definitely had my moments of frustration, **Wicked pressure song** Jaci has had her eye on Cam Falladay since she was a pre-pubescent girl: **Wicked pressure points** He was 15 and hurting and it would be years until she learned the awful magnitude of why but she did the best she could as a young girl and always made Cam smile, **Wicked pleasure book** As Jaci began to mature and fill out Cam noticed and finally decided to act on his feelings for her while on leave from duty: **Wicked weed guilty pleasures** He drags her away to his place things get hot and heavy, **Wicked pleasure book** and then OOPS! Cam forgot to mention his hot brother Chase is always his third: **Wicked pleasures book** Fast forward a few years - Jaci's still a virgin who has been pining away for Cam with her B. **Wicked pressure washer** She arrives in Virginia for a design job at Sinclair's mansion namely his discreet ménage club which also employs Cam & Chase, **Wicked pleasure book** Cam has gone long enough without Jaci and he's determined to claim her: **Wicked pressure test** Of course Jaci and Cam pick up where they left off but not without Chase! Oh no! Cam will not have sex without his trusted third. **Wicked pressure cleaning** She knew it was a package deal and some smoking hot ménage sex ensues. **Mavis and wednesday's wicked pleasures** But it doesn't take long for Jaci to begin to want more and tension begins to build between the threesome: **Wicked pressure points** At this point I began to grow impatient with Cam - his refusal to even cuddle with Jaci after sex! He kept skirting away and refused to sleep with her. **Wicked pressure cleaning** Cam is one seriously damaged man - and the reasons behind his darkness are horrific - far worse than I imagined: **Wicked weed guilty pleasures** But even so IMHO it wasn't enough to justify Cam's peculiar behavior: **Wicked pressure test** The chemistry between the h/h was incredibly hot and albeit slowly - I enjoyed watching Cam change for the better...on the hot sports car. **Wicked pressure lyrics** There are definitely some loose ends regarding Chase so I'm looking forward to his book "Only Pleasure: **Wicked weed guilty pleasures** " I also loved the side characters Courtney and Ian Sinclair so I am inspired to hop backwards in this series and read their book too: **His wicked pleasure book** Romance Literature Fiction Mystery Thrillers I love the background for the Wicked. **Wicked pressure washer** Its members share a certain notoriety that comes from being Fortune 500 CEOs congressmen and other famous movers and shakers: **Wicked pressure test** Its members also share the need to engage in sexual ménage activities with their female lovers/wives, **Wicked pressure song** However The Club is more than just a sex club; it's also a social setting for like-minded men: **Wicked pleasures book** Our heroine Jaci Wright has recently been hired to do some decorating renovations to the interior of The Club: **Wicked weed guilty pleasures** Cameron and Chase Falladay are identical twins in charge of security for The Club. **Wicked pressure lyrics** The story of why these two sometimes need to share a woman is slowly revealed throughout the novel, **Wicked pressure song** They are also members of The Club and have been waiting for Jaci for seven years. **Wicked pleasure by lora leigh** Waiting for her to acknowledge her own needs and accept what they need from her. **Mavis and wednesday's wicked pleasures** Now that her new job has put her within reach Cam is done with waiting, **Wicked pressure cooker** He knew she was 'the one' for him from the time he was 18 and she was 13. **Wicked pleasure by lora leigh** He left for the military at 18 and returned home wounded in both body and spirit: **Wicked pressure points** He is tormented by memories anger and dark lusts...but more than anything he's tormented by the thought of losing Jaci. **Wicked pressure washer** She's managed to make some pretty powerful enemies and is torn by her love for and need to protect Cam, **Wicked pleasure book** She doesn't understand why he needs to share her with his brother, **Wicked pressure song** This 'unnatural desire' is what scared her away seven years ago. **Wicked pleasure by lora leigh** But now THIS time she feels smarter and stronger...surely she can make Cam and only Cam her own. **Foolish pleasures wicked tuna** The intense love scenes and powerfully erotic power struggles are part and parcel of the story. **Mavis and wednesday's wicked pleasures** I have been a fan of Ms Leigh's books since I read my first e-book by her, **His wicked pleasure book** This is yet another of her stories that will have a spot on my keeper shelf. **Wicked pressure cleaning** Aquí volvemos a tener un trío pero tiene algunas claras diferencias con los

anteriores en la saga: **Wicked pressure points** En definitiva es una historia entretenida y llevadera aunque puede que en ciertos momentos tenga situaciones que no aportan mucho de todas maneras está siendo una saga muy recomendable: **Wicked pressure washer** Excellent reads: suspenseful action Literature Fiction Mystery Thrillers I was looking so forward to reading this book and I was not disappointed, **Wicked pleasure book** He also likes to share his women with his twin brother Chase. **Wicked pressure lyrics** Cameron is the victim of a terrible past that he has not shared with anyone: **Wicked weed guilty pleasures** Jaci also had something horrible happen to her which she is not sharing with the twins, **Wicked pressure song** This book was loaned to me but I will absolutely get my own copy, **Wicked pressure cooker** Romance Literature Fiction Mystery Thrillers This book is erotica so stop reading if that's not your thing: **Wicked weed guilty pleasures** Really the publisher should be ashamed and should fire the editor, **His wicked pleasure book** For one the author seems to have a short list of words that she tried to work into nearly every paragraph as many times as possible. **Wicked pleasure by lora leigh** A virgin who has m-f-m menage five times in three days and suffers no painful consequence? That's not erotic - that's sexual torture. **Wicked pressure cleaning** It could have been cut in half and no one would have noticed the different. **Mavis and wednesday's wicked pleasures** I got the distinct impression I was reading passages that had been cut and paste repeatedly: **Wicked pressure points** And the sex scenes were nearly identical most of the time, **Wicked pleasure book** The key evidence that just shows up in the 11th hour with no hint it was coming. **Mavis and wednesday's wicked pleasures** Or the random relationship that the reader didn't know about between Chase and another character until he was forced to kill her, **Wicked pleasure book** Or the most bizarre of all Chase and Jaci both know Cam was abuse as a teen but they keep demanding to know how as though that's going to help. **Wicked pressure cleaning** Not once do either of them suggest he see a therapist - unbelievable, **Wicked pleasure book** I doubt I'll read anything else by this author for a long time. **Wicked pressure washer** Romance Literature Fiction Mystery Thrillers Well there's no denying that this is a plenty hot book. **Foolish pleasures wicked tuna** So much so that he cannot bring himself to actually 'sleep' in a bed with a women; he 'does the deed' and then he's outta there, **Wicked pressure song** Cam will not confide in anyone about the abuse he has suffered not even to his own twin: **Wicked pressure test** He feels too much shame and guilt about what happened to him: **Wicked pleasures book** And the shame and the guilt has messed him up sexually enough so that he cannot be with a woman without his brother participating too. **Mavis and wednesday's wicked pleasures** Between that and the endless sexcapades between Jaci Cam and twin brother Chase it dragged it down just a bit for me: **Wicked weed guilty pleasures** Luckily things picked up again toward the end of the book when all the secrets(of all the characters) finally were revealed including one about Chase that I didn't see coming: **Wicked pressure points** Cam or Chase? I'm leaning towards Chase because he's funny smart fiercely loyal and he doesn't mind sharing. **Wicked pressure lyrics** As for Cam? He's broody grumpy and bears his scars both inside and out: **Wicked pleasures book** I really enjoyed it but the writing was so freaking DENSE: **Foolish pleasures wicked tuna** It was like a woman packing half her closet for a weekend trip, **Wicked pleasure book** Ms Leigh is so good at stuffing each paragraph full of emotion but nearly every one of them then needed to be unpacked, **Wicked pleasure book** A hefty edit could really help with zero worry of losing any plot or emotion I imagine: **Wicked pressure washer** Another thing flipping the POV often between each paragraph threw me at times, **Wicked pleasure book** Call me selfish for wanting to know what both Cam AND Chase were thinking I can take it. **Wicked pressure cleaning** As for Jaci I mostly liked her though she could be wishy-washy. **Wicked pleasure by lora leigh** Each and every time she drew a line Cam obliterated that sucker: **Wicked weed guilty pleasures** But then I tried to put myself in her panties and I knew mine would go poof in Cam's hands. **Wicked pressure washer** Still sometimes I felt like I was reading a narration of three playing a long-ass game of Twister. **Mavis and wednesday's wicked pleasures** There were times I was flipping my Kindle around trying to figure out what body part went where: **Wicked weed guilty pleasures** Next I'm backing up in Lora Leigh's Bound Hearts series to read Courtney and Ian's story Shameless,

Wicked pleasure book Romance Literature Fiction Mystery Thrillers This was a good erotic romance but it was also one that frustrated me at times: **Wicked weed guilty pleasures** It's also a bit of a dark emotional tale more so than any of the other Bound Hearts books, **Wicked pleasure book** I don't think I'd consider it one of my favorites of the series but I liked it a lot. **Wicked pressure cleaning** Wicked Pleasure is the ninth book in Lora Leigh's Bound Hearts series. **Wicked pressure cleaning** The series is based on a group of men who enjoy (consensually) sharing their women with a third. **Mavis and wednesday's wicked pleasures** Jaci Wright and the Falladay twins grew up together in Oklahoma, **Foolish pleasures wicked tuna** Though Jaci was five years younger she tagged along after Cam always wanting to be around him. **Wicked pleasure by lora leigh** The twins life had been rough after the death of their parents and for Cam Jaci soothed something inside him: **Wicked pressure points** But he had a darkness inside him that was constantly growing one that initiated a habit of sharing lovers with his brother: **Foolish pleasures wicked tuna** At 21 one Jaci was faced with the truth of the brothers sharing and she ran, **Wicked pressure cooker** But the relationship that develops between her and Cam and Chase by extension is filled with tension and secrets. **Foolish pleasures wicked tuna** Cam won't reveal the pain of his past to either Jaci or his brother, **Foolish pleasures wicked tuna** Jaci fears what will happen if she tells Cam about an enemy she has. **Mavis and wednesday's wicked pleasures** If Jaci and Cam hope to have a future together they'll have to learn to trust each other with their secrets, **Wicked pressure cooker** I didn't love him as a character but I liked him enough: **Wicked pressure test** Occasionally I thought he got a little too brutish but nothing too over the top: **Wicked pressure test** Chase is similar to Cam in many ways but a little bit more sensitive and gentle: **Wicked pressure washer** His scarred emotions had him treating her somewhat badly at times and he refused to discuss why, **Wicked pleasure book** I thought Jaci should have told him to fuck off if he couldn't be honest with her. **Mavis and wednesday's wicked pleasures** Instead she was always so overcome with lust that she'd let him do her, **Wicked pleasure book** I know she loved him but that doesn't mean she should have let him get away with what he did, **His wicked pleasure book** Overall there was just a lot of secret keeping in this book from just about everyone, **Wicked pressure song** I got kinda annoyed at times with all the I can't tell you and whatnot: **Foolish pleasures wicked tuna** There were also a few inconsistencies in the book that bothered me: **Wicked pressure test** For one near the beginning Chase and Cam lost their parents at 13 and had their aunt take custody, **Wicked pressure washer** Kind of a big deal when you consider what happened to Cam: **His wicked pleasure book** I hadn't really seen that coming and I thought Leigh did a great job making it all fit and make sense. **Mavis and wednesday's wicked pleasures** Suddenly at the end there are references to Chase caring for Moriah and knowing her for years - and hence being destroyed by what happened, **Wicked pressure cooker** But I don't remember it ever being mentioned in the book about Chase knowing her or caring about her. **Wicked pressure lyrics** It was like that detail was plopped into the end just to twist the emotional knife: **His wicked pleasure book** There were also some series-wide details that seemed to have been changed, **Wicked pleasure book** Some of the things mentioned about The Club didn't fit what I remembered from past books. **Mavis and wednesday's wicked pleasures** All in all it was a good book but not a perfect one for me. **Mavis and wednesday's wicked pleasures** I've liked all of them I think but I haven't loved any of them: **Wicked pressure points** I think Lora Leigh fans and fans of the Bound Hearts series would like this one though: **Wicked pleasures book** I felt like I read the same story over and over in different ways the character could think up of the same info in their heads, **His wicked pleasure book** If he wasn't aroused then he was big crankosaurus- all broody scowling irritated and he just couldn't stop thinking the same things and hiding his past through the whole story. **Wicked pressure washer** I felt like Jaci's drama was just a waste and it was all talk until the end, **Wicked pressure song** And seriously- she should have walked away and just let him grovel until he shared his story but no! Frustrating!!! Romance Literature Fiction Mystery Thrillers.

Therein the extreme secrecy attached to The Club. Women only gain admission as 'guests' of members. Jaci has her own problems and issues. Romance Literature Fiction Mystery Thrillers Veamos. Cameron Falladay is in love with Jaci Wright. Throughout the book you can feel his pain. This book has romance suspense and tender emotional moments. Of course it also has a lot of hot sex. Very steamy. This book was horribly written and edited. Forth the book was redundant. It made menage sound like the most boring routine possible. Then there were the logical leaps. This book was frustrating and not worth the time. A bed has too many painful memories for him. For instance in bed. This is his story by the way. Oh and both my C-boys have mad bedroom skillz. Two for one you really can't beat that deal. Anyway at times this was a tough book to get through. And I'm telling you I grew weary of it at times. Though I loved getting into everyone's head. Yes the girl had trouble setting boundaries. It was frustrating as hell. Speaking of disappearing undergarments this was scorching hot. It really threw me out of the scene unfortunately. 'B+' for effort though. She sensed his need for a friend. As they grew older Cam's feelings for Jaci became sexual. Now seven years later she must face them again. This time she's not running away from what they want. And Chase is caught up in the middle. Being a Lora Leigh book this is definitely one hot story. There's a whole lot of sex in this book. Is there too much? Maybe a little. Or maybe the scenes could have varied some more. They all seemed very similar. Regardless they are definitely smokin' hot. Cam is a very typical Lora Leigh Uber Alpha. He's demanding dominant and a bit on the coercive side. I look forward to reading his story. And Jaci. I liked her but she also frustrated me some. I wished she'd stood up to Cam more. I just wanted them to spill it all and move on. Then later in the book it's changed to 15. Also. (beware spoiler ahead!). the thing with Moriah at the end. Now I loved the twist Leigh added. But one thing bothered me. And I found it annoying. So those inconsistencies bothered me some. Which is how I feel about most Lora Leigh books. I wanted the threats and issues Jaci was dealing with. I didn't want Cam walking around like a 24/7 viagra ad. Honestly- that got so damn old
