All she needed to do was spend a weekend with Mrs. Sparks. Up front Mrs. Sparks comes across as wealthy proper and a bit uptight. But it isn't just Mrs. Sparks announces for a weekend visit as well. Sparks is as innocent as she seems and I think Mr. Sparks is well aware of that. Fun start to a new series!Thank you to J.S. Is it perfect? No. But it's not bad either. But nothing is ever really free.exactly how felt. Belonging: Part I (Belonging #1)Omg. Quiero Mas. When are we getting more of her story.I just saw this one. I liked the cover.
