A wonderful collection of stories.A. in 1870 and a Ph.D. in 1880. Mount Grinnell is named after Grinnell. I found this in an old used bookstore. All of them kept me hooked. I wanted to know how they were going to end. Some had me laughing they were so amusing. This year I finally read it through. I'm glad I did.The book is not a page-turner but neither is it dry. I loved reading the traditional Blackfoot stories. George Bird Grinnell.
