

Wild Horses (The Montana Hamiltons, #1) By B.J. Daniels **Book cliffs wild horses** He knows that people are saying that he's marrying her for her money and is determined to prove them all wrong to the point where he refuses to accept any of the help that her father offers. **Wild horses chords and lyrics** Livie's father Senator Buckmaster Hamilton has spoiled his six daughters since the death of their mother twenty-two years earlier trying to make up for her loss by giving them what they want. **Wild horses text** The hardworking man has a chip on his shoulder the size of Beartooth Montana about allowing Livie's rich daddy from assisting them in any way hence causing more than a few rifts between Cooper and the Hamiltons. **Wild horses music festival san diego** Now the pregnant Livie isn't sure whether the love of her life fathered her child or the man who saved her from a car wreck where she blacked out after he brought her to safety. **Wild horse snow globes** When he finds out that Livie is being blackmailed he will stop at nothing to protect her even when she tells him that he may not be the father of the child she carries. **Wild horses north dakota** It seems that some people close to them would much rather have the two apart for their own devious purposes but until Cooper and Livie realize that betrayal is closer than either of them know things become more dangerous than ever. **Book Wild horseshoe** With a killer on the loose and Cooper now a prime suspect it's going to take more than the love he and Livie have for one another to get to the bottom of the treachery surrounding them. **Wild horses book 2015** I was a very sad reader when the Beartooth Montana series came to its close but the fresh Montana Hamiltons is a whole new realm of trouble that I do not want to miss. **Wild horses writer** Montana surroundings and the fact that my favorite characters the awesome sheriff Frank and the reformed busy body Nettie are still very much a part of the story makes me a very happy reader. **Book Wild horseshoe casino** English 4 Blackmailing Montana Royalty Stars for the story and narration! Wow this book is sure to keep you guessing with it's numerous suspense-filled sub-plots one of which appears to arc over the entire series. **Wild horses writer** The patriarch of the family Buckmaster Hamilton is a US Senator who many have pegged with White House aspirations and each book features the love life of one of his six daughters. **Book Wild horseshoe bend** Each family member has a different way of coping with this tragedy but there is no doubt that even two decades later this great mystery is still having its impact on the family. **Wild Horses Mystery thrillers fillers** Further adding intrigue to the whole plot is a meddling step-mother who stepped into Livie's mother's shoes but never cared much for her step-daughters just the potential long reach of her husband's political career. **Wild Horses kindle cloud** Winton generally did a good job of varying his intonation to provide distinguishable voices for each of the many characters allowing the listener to sit back and enjoy the story without having to overly rely on dialogue tags. **Book cliffs wild horses** In fact you could practically hear some of the personality traits dripping from his characterizations of a number of the characters including for example the scheming socialite political ladder climbing tendencies of Buckmaster's second wife. **Wild Horses kindle paperwhite** By for example increasing the speed of his delivery during the more heightened suspense scenes and drawing out some of the parts where the effect was to add to the allure of the mystery. **EPub Wild horseshoe bend** Wow revenge blackmail love and unexplained mysteries abound in this fantastic western romantic suspense title! The only reason I'm giving Wild Horses four rather than five stars is because I was anxiously awaiting the unraveling of the remaining mystery (ie the one I hinted to above which I now realize will likely arc the whole series) and was so shocked to find that it was not resolved at the end of the book. **America's wild horses book** An interesting group of characters and mystery plot with more to be revealed in follow up books although I am not sure that I am motivated to read the whole series through perhaps I'll read the final one as well! English DNF This non-romance romance was a pain to read. **EPub Wild horseshoe** It doesn't matter that her sister might have been raped and this baby may well be the result of rape (we don't care about the provenance a woman's body is not hers it belongs to reproduction and to reactionary politicians and their followers) The writer finds nothing wrong with this position. **Book Wild horses** Ten fat zeroes for this book (which wants the babies of rapists but does not take care to represent a single sex scene between hero and heroine) English Ok for mystery lovers and it kept my interest but I had some complaints. **Wild Horses kindle cloud** All the

characters were like regular people the main differences were some were rich and others not which is ok but my favorite stories have an oddball character or an odd relationship. **Wild horses chords and lyrics** She thinks she was raped she obliterates all my expectations! WILD HORSES is a highly suspenseful roller coaster ride full of intrigue manipulation jealousy greed blackmail murder and a twist so crazy you will be begging her for the second book! The characters are dynamic and the plot is outstanding! B. **Wild horses north dakota** Daniels will knock your socks off in this highly entertaining and thrilling suspense! WILD HORSES is an unbelievably amazing start to a phenomenal series! I'd give it a hundred stars if I could!Reviewed by Elizabeth for Cocktails and Books English GENRE: ContemporaryTHEME: Mystery Western RomanceRECEIVED: TourBLOG: <http://seeingnight>. **Kindle Wild horseshoe casino** After an argument puts Livie in a bad situation that later backfires and turns her relationship with Cooper to a whole new level they come face to face with betrayal and danger and hope they can solve the mystery before its too late. **Book about wild horses of chincoteague island** The secondary characters such as Livies sisters her father who is running for presidency and he mother showing up after being gone for so long added to the world build and history behind the Hamilton family. Then she receives a blackmail letter from the rapist asking for money, **Book Wild horseshoe casino** So why does Livie ask Delia to be her maid of honor? Supposedly this was a childhood promise, **Wild horses book 2015** Daniels has done it again! Just when I think her books couldn't get any better.

book. **Wild horses book 2015** It starts when Livie having had an argument with her fiance Cooper drives off in a huff into a worsening snowstorm. **Wild horses festival** She ends up driving into a ditch from which a stranger rescues her: **Wild Horses Mystery thrillers fillers** Later we find out that she wakes up naked in bed with no idea how she got there or what happened. **Wild horse snow globes** Three months later she's receiving blackmail threats things are still rocky between her and Cooper and she's three months pregnant with no idea who the father is. **Wild horses festival** To say that she is in turmoil would be an understatement, **Book cliffs wild horses** She knows she has to tell him but she's worried about how he'll take it. **Wild horses nc outer banks** After some rough years as a teenager he pulled his life together and has made something of himself. **Wild Horses kindle cloud** He's got some land of his own and a few wild mustangs that he's training: **America's wild horses book** He's loved Livie since the first time he met her and sometimes has trouble believing that she loves him too, **Wild horses writer** It doesn't help that he knows her sisters don't think that he's good enough for her, **Book Wild horseshoe bend** Ever since their argument back in January he's had a feeling that there's something wrong and when she finally tells him he doesn't know what to think: **Book wild horses** At this point both Livie and Cooper are in pain and both are somewhat responsible, **Wild horses wouldn't keep me away** Livie should have told him what happened as soon as she got back instead of pretending everything was fine. **Wild horses festival** She compounded the problem when she didn't tell him about the pregnancy or the blackmail notes leaving him feeling like she neither loves nor trusts him. **Wild horses book cast** On the other hand if Cooper hadn't been so proud and unwilling to bend even a little Livie might have felt more comfortable going to him right away: **Wild horse snow globes** I did like the fact that once he recovered from the shock Cooper was determined to track down the mysterious man and get to the bottom of the trouble: **Book wild horses** But it turns out to be more complicated than either expected: **Black cowboy wild horses book** The house she was taken to doesn't belong to the blackmailer but there may be a connection to the lady of the house, **Wild horses near me** The man turns up in Beartooth but claims he's not blackmailing her never slept with her only drugged her so she could sleep. **Wild horses book 2015** After the man confronts Livie while she's alone Cooper goes looking for him. **Wild Horses kindle cloud** The next day the man is found dead and Cooper accused of his murder. **Book Wild horseshoe bay** Adding another layer of stress to the relationship between Cooper and Livie his former girlfriend wants him back and will do anything to make it happen: **Wild horses near me** One of Livie's rejected suitors also gets in on the action, **Wild horses nc outer banks** He married again but Angelina wasn't interested in being a mother just advancing her husband's political career: **Wild horses north dakota** Now that he's a possible candidate for president she's worried about how all these problems will affect their plans. **Book about wild horses of chincoteague island** Things get even more complicated when his first wife Sarah turns up very much alive but with amnesia: **Black cowboy wild horses book** She claims she just wants a chance to get to know her daughters but people are skeptical: **Wild horses music festival san diego** Angelina is furious but how far is she willing to go to protect her husband's political career? The tension and surprises just kept building throughout the book, **Book about wild horses of chincoteague island** With the problems they were having I really wasn't sure at the beginning just how good a chance Cooper and Livie had to make a go of their relationship, **Book cliffs wild horses** It wasn't easy but they did manage to earn back each other's trust and belief in their future. **Black cowboy wild horses book** As for the blackmailer and the murderer there were several twists that kept me guessing as to who it might be: **Wild horses north dakota** I had a feeling about the identity but I couldn't figure out the why and the how until almost the end. **Wild horses festival** There was also a last bit of a threat to Livie's life where only her ability to stay calm in a crisis kept her safe until Cooper could come to her rescue. **Wild horses book 2015** While the mystery of the threat to Livie is solved by the end of the book the questions of Sarah's return carry over into the next book: **Book wild horses** I also enjoyed the appearances of various characters from the Beartooth Montana series especially Sheriff Frank Curry: **Wild horses music festival san diego** He is the lawman in charge of the murder investigation and the questions surrounding

horseshoe bend** No other author brings Montana and cowboys to life like she does, **Book Wild horseshoe casino** In this book there are a lot of plots sub-plots and past plots along with a mess of characters to go along with all that. **Book Wild horses** We have the six daughters of Buckmaster Hamilton a very wealthy rancher turned politician a United States Senator with visions of the White House. **Wild horses book cast** His first wife died 22 years ago in an auto accident and her body was never recovered, **Wild horse snow globes** I have a feeling that this will be a overarching theme for the series, **Mystery Thrillers Wild horseshoe bend** Her stubborn and impulsive traits got her in a whole mess of trouble blackmail and an unplanned pregnancy and the pregnancy could be the result of being drugged and raped: **Kindle Wild horseshoe bay** He just can't understand why he had to fall in love with Olivia Hamilton. **Wild horses book** He is an up by his bootstrap kind of guy and will not accept any help from Buckmaster Hamilton: **Wild horses mazy star** Now Livia has told him that she is being blackmailed and is pregnant and the baby may be the blackmailers: **America's wild horses book** That doesn't hurt as much as her not trusting him when it happened. **Book wild horses** Wild Horses is the first in a 6-book series which will feature the extremely wealthy Hamilton family of Beartooth Montana who made their money in ranching: **Wild horse snow globes** In the case of Wild Horses we learn the story of Livie Hamilton and her fiance Cooper Burnett who is a rancher who works for Livie's father. **Wild horse pub & restaurant** As you can imagine the differences in their socioeconomic backgrounds and a number of past secrets intermingle to threaten Livie's and Cooper's HEA. **Wild horses book cast** Intermixed within this story is the story of Livie's mother who disappeared from the Hamilton mansion over 22-years ago, **Wild horses of sable island book** Further complementing this story is the solid narration by Graham Winton, **Wild horses wouldn't keep me away** Winton does a fabulous job of coloring this story with the appropriate western drawl that would no doubt be prevalent in Montana. **EBook Wild horses** Winton also did a good job of communicating the particular mood of the scene. **EBook Wild horseshoe bend** Winton's performance and look forward to listening to more of his works in the future: **Wild horse synonym** But that means that now I am even more anxious to explore more of the Hamilton family's secrets and desires: **Wild horses book 2015** Fortunately for me Book 2 Lone Rider just released earlier this week!Source: Review copy provided in exchange for an honest review, **Book Wild horseshoe casino** More so because it contained lines like this one The baby stays. **America's wild horses book** Dad will be tickled to have a grandchild no matter how he gets one: **Wild horses writer** Daniels as one of those who harass and harangue women outside hospitals and clinics: **Wild horse synonym** This is labeled Harlequin Romance but I would not call it a romance, **Wild horses writer** The story starts with the main couple Livie and Cooper already engaged, **Wild horses wouldn't keep me away** They have a happy ending but nothing was fun about changing their relationship: **Mystery Thrillers Wild horses** There is no sexual content

other than Livie wondering if she had been raped: **Wild horses book 2015** Instead of focusing on characters this was more about mysteries and plots: **Wild Horses Mystery thrillers in order** The author spent a page or two on one story and then jumped to another story. **Book Wild horses** There was always at least one cliffhanger moment in the air for example: someone is following Livie, **Wild horses wouldn't keep me away** She stops and raises her rifle to see who is coming out of the pines; the author switches to another scene, **Wild horses nc outer banks** I was disappointed that two of the mysteries were not solved at the end. **Mystery Thrillers Wild horseshoe bend** is a master of capturing your attention and not letting to until you've experienced every emotion known to man, **Book Wild horses** The Montana Hamiltons series is set in the same world as the Beartooth Montana series, **Book Wild horseshoe casino** I feel so sorry for this poor man having to deal with all this mayhem in a normally quiet backcountry: **Book cliffs wild horses** But he sure knows how to do his job and do it well. **Wild horses book cast** Frank plays a major role in WILD HORSES and I bet we'll see more of him in future Montana Hamiltons books, **Wild horses near me** Thankfully the author took pity on us and answered a big question surrounding a member of Frank's family from the Beartooth Montana series: **Wild Horses epub to com/REVIEW:** Wow! I seriously feel like I have been living in a hole by not having read a B, **Wild horses near me** This book seriously shocked me with all the mystery and romance but I also loved the country setting and freaking fantastic writing. **Book wild horses** I read that this series has some characters connected from another one of her series so I'm excited to discover more of Daniels' book now that I've been hooked in: **Wild Horses ebook3000** Wild Horses follows Livie Hamilton one of the six Hamilton daughters she is also wealthy and living the good life: **Wild horses chords and lyrics** She meets and falls for her fiancé Cooper who is a little rough around the edges but a great guy who will do everything he can to protect Livie. **Book wild horses** Woosh!! Each new character adds a new facet to the Beartooth. J. Daniels book and WILD HORSES is no exception. WILD HORSES by B.J. ~KIMBERLY~ English This book really was amazing. Mostly suspense with some romance. So looks like it's on to book two soon. English I love B.J. Daniels. For a Harlequin author she is a master story teller. Her books always have a romance and a mystery. a perfect combination. Messy messy messy. This book is the first of The Montana Hamiltons series. He has a few skeletons in his closet too. This book is about Livie. She has some serious problems. Cooper Livie's fiancé is a cowboy. Mr. Additionally Mr. Mr. All in all I was pleased with Mr. English 3.5 stars. (says one of the hundred sisters the idiotic heroine has). Yes right. I could even picture this B.J. These things coming from female writers make me truly sick. I'd call it mystery suspense. There is no relationship development. They have problems and tension throughout the story. And by the way that can be good for many readers. It's just not the best for me. The book consisted of several substories. The author did this frequently. I was annoyed and frustrated. I prefer logical ends to scenes before switching elsewhere. I suppose they might continue in a sequel. Stupid/Unsmart heroine: I don't mind an unsmart heroine. But give me good reasons for her doing stupid things. Livie did several things that did not make sense. For example. J. A true storyteller in every sense of the word. Several characters overlap including Sheriff Frank Curry.
