Fight ClubThe drama the suspense is killing me. I love reading this series. Once again am going to spend a unproductive day reading. Definitely read this book.Fav quotes:“I refuse to live in fear.”“No not until I get what we came here for. He’s acting this way because he’s nervous.” “Nervous? About what?” Albright snaps at Chelsea.”. Oh and the history lessons are a bonus. Now there's the twist. Makes for interesting reading. Jeez I really dislike authors who do that. They all think they are writing a TV series. A frustrating event for certain since it requires patience. Learn to pace your reading and grow a set of patience. Enjoy the anticipation. I look forward to the fourth and final tome. I get that polarization goes back to 2014 and earlier. Tomorrow is Election Day 2020.
