

The Good-Luck Horse By Chih-Yi Chan **Book The Good-Luck horsepower** The story is about a young boy named Wah-Toong who created paper horses to keep him company and one day the magician next door gets a hold of his favorite and brought it to life. **Good luck house plants** It is unique because it is inscribed to a local library by the illustrator and signed by him I loved that it was done by a mother-son team the mother writing it and her 12 year old son illustrating it with both black and white pen & ink drawings as well as turquoise and orange color illustrations. **Good luck horoscopes** He is the youngest person to win the coveted Caldecott prize ever! The illustrations are beautiful and it was surreal to hold this book in my hands as it was a first edition copy. **Book The Good-Luck horse by john** John's the next time I ask for it but it probably will! And it will be worth it! 9998894301 At the Library of congress the book they have is a half-sized book - very cute. **Book The Good-Luck horses** Making a horse out of paper one day he is dismayed when a strong wind blows his new plaything over the garden wall - until he discovers that his next-door-neighbor has magically transformed the paper creature into one of flesh and blood. **Book The Good-Luck horse by john** Desperately unhappy and believing himself to be a bad-luck horse rather than a good-luck one he runs away to the north meeting and mating with a lovely mare on the other side of the Great Wall. **Book The Good-Luck horseback riding** Returning to the house of Wah Toong in order to introduce his new mate to his people the horse continues to be involved in both lucky and unlucky incidents until his unprecedented actions in putting a stop to a looming war between north and south settles the question of whether he is lucky or unlucky once and for all. **Book The Good-Luck horse summary** Published in 1943 and chosen as one of five Caldecott Honor Books in 1944 - the other honorees that year were Small Rain: Verses from the Bible Pierre Pidgeon The Mighty Hunter and A Child's Good Night Book - this retelling of a traditional Chinese folktale is noteworthy for the extreme youth of its award-winning illustrator. **The Good-Luck Horse book online** The son of a Chinese diplomat Chan was educated in a number of different countries and was living in New York with his mother - the author of this retelling - when the book was produced. **The Good-Luck Horse book pdf** I finished this one with a desire to know more about the tale being presented - has it appeared in other forms and in other written sources? If so where? I'll have to keep an eye out for it. **Book The Good-Luck horse by john** The illustrations all look really similar to one another and though the message of the story that there isn't really good luck or bad luck in the world just luck is interesting it took way too long to get there.

## **Book The Good-Luck horse by john**

Very entertaining story and well illustrated for the most part, **Book The Good-Luck horse pdf** A couple of the black-and-white illustrations were a bit lacking but I really liked the odd combination of blue and orange for the color illustrations. **Good luck house plants** 9998894301 There is no such thing as good luck or bad luck, **PDF The Good-Luck horse racing** Bad luck is sometimes good luck and good luck often bad luck: **Kindle The Good-Luck horse pdf** There is only luck! And that means every day must be lived so that a man always does his best. **Book The Good-Luck horseshoe** 9998894301 I wanted to like this book more (youngest illustrator to win the Caldecott based on a Chinese legend) - maybe it's the horses that seem a bit like little-kid: **Book The Good-Luck horse by john** I guess things aren't what they seem which is one of the themes of the story too. **Book The Good-Luck horse racing** It's striking how much more commanding the orange-and-turquoise illustrations are than the black and white - more energy. **Good luck horoscopes** 9998894301 4 stars is what my 8 year old niece said this book deserved, **Book The Good-Luck horse by john** strange in that way that old childrens book can sometimes be. **The Good-Luck Horse ebooks free** But she did laugh and giggle at certain points so I guess it does have some entertainment value still. **EBook The Good-Luck horse book** 9998894301 This is another rather long winded older children's book adapted from a Chinese folktale: **Book The Good-Luck horses** What I find most interesting about this book is that the illustrator was only twelve at the time and probably the youngest to receive a Caldecott honor, **Book The Good-Luck horse racing**

9998894301 A paper horse is brought to life by a magician and brings only bad luck instead of good, **The Good-Luck Horse kindle** After running away from his creator Wah-Toong and living amongst the wild horses he returns but causes only more bad luck, **Book The Good-Luck horse pdf** Finally when a war breaks out the horse brings peace to both parties and is honored with the name Good-Luck Horse: **The Good-Luck Horse book summary** The Good-Luck Horse I enjoyed this Chinese folktale though it was a bit long-winded, **Book The Good-Luck horse racing** The story follows the adventures of the Good-Luck/Bad-Luck horse as it helps Wah-Toong: **Good luck horoscopes** This book won a 1944 Caldecott Honor award and is my favorite book from that year, **Good luck horoscopes** This was another inter-library loan selection this one coming from Texas State University San Marcos: **Book The Good-Luck horseradish** More information on the illustrator can be found on this blog: <http://collectingchildrensbooks>. **Good luck house plants** I would recommend this book for ages 4-8 and give it 4 stars. **Book The Good-Luck horseshoe** John's university in Queens NY to my local library in Whitinsville MA, **Book The Good-Luck horseback riding** Thanks so much to Jennifer and Janyce at the WSL for helping me to obtain this literary treasure: **Book The Good-Luck horseback** The illustrator Plato-Chan was 12 years old when this book was selected as a Caldecott Honor Book: **Book The Good-Luck horseback** There are so many lessons to be learned not only from the story but about following your dreams and doing what you love as evidenced by Plato-Chan, **Book The Good-Luck horseshoe** It's an adapted Chinese Folk tale that is very old and well loved. **Book The Good-Luck horsepower** I enjoyed in the forward where it said they call authors "Makers of Tales". **The Good-Luck Horse booking** So he made a paper horse that got blown away by the wind. **Book The Good-Luck horsepower** His next door neighbor is a wise magician and he turns the paper into a real horse, **Book The Good-Luck horse by john** The horses' name is Good Luck and both he and the boy were happy with each other. **Book The Good-Luck horseback riding** By obeying orders Good Luck causes havoc & gets his name changed to bad-luck (this horse can fly and no one seems to care: **Good luck horoscopes** There will be a war & it is the Good-Luck horse who prevents the war. **Book The Good-Luck horseshoe** Motto: An event happens which leads to another event & we can't see if it is good-luck or bad luck: **The good luck restaurant rochester ny** Every other page was colored watercolors or black and white drawings which seems to be a publishing standard in the 40s, **EPub The Good-Luck horseman** 9998894301 The sheltered young son of a wealthy merchant Wah Toong longed for playmates of his own and for the chance to have his own horse. **EPub The Good-Luck horseshoe** This good-natured equine does everything that Wah Toong tells him with unexpectedly disastrous results eventually becoming something of a pariah. **Book The Good-Luck horse by john** Just twelve years old when he drew the illustrations for The Good-Luck Horse Plato Chan is the youngest artist to ever receive a nod from the Caldecott committee, **EBook The Good-Luck horse riding** This is all very impressive of course - all the more so since I enjoyed the artwork here a great deal: **Book The Good-Luck horse by john** I think the colored scenes - done in blue and pinkish-orange - were superior to the black and white ones but they were all quite appealing: **Book The Good-Luck horse by john** The story itself is interesting although a little too wordy for younger children perhaps. **Book The Good-Luck horses** I'm glad we are much more economical with text in picture books nowadays! 9998894301

. Honestly I would have probably given it. probably 2 definitely no more than 3 stars. It's long  
winded and. I would have to say that this is quite impressive. The end pages are my favorite part of  
the book.blogs. 9998894301 This book came all the way from St. I especially loved the introduction.  
Hopefully it won't have to come all the way from St. Very beautifulWah-Toong wanted a horse.  
CRAZY a FLYING HORSE). Better to see it as luck either way. It is simply an evet we interpret. The  
artwork is lovely and is the Chinese style. A nice folk tale told in English. 9998894301 I didn't  
connect very much with this story
