

Beginning with the Mirror: Ten Stories about Love, Desire and Moving Between Worlds By Peter Dubé

Beginning with the mirrormate

Peter Dube's work always provides a literary perspective that carries weight and importance dazzling his readers with his facility with language and his ability to straddle the line between reality and dream state. **EBook Beginning with the mirror lake** The ten stories comprising Beginning With the Mirror mine much the same territory to marvelous effect... Everything here has something to recommend it be it the style the metaphor the thought or an admiration of the rhythm of the language. **Book Beginning with the mirrors** Needle had discussion of dubious consent nonconsent and also featured a very messy breakup but I still thought it was a standout story not just in this collection but in general in my reading. **Beginning with the mirrormate frames** I did appreciate the very wide dynamic range from brooding dreamy contemplation (Tides) to people beating the heck out of each other on a political demonstration turned violent (Egress). **Beginning with the Mirror kindle direct** The issue is with straight people writing and marketing an overwhelming amount of tragic queer stories not with queer people writing many stories of all kinds some of them tragic (and for example when the topic is anti-gay violence absolutely justifiably so). **Beginning with the mirrormont wa** But I also understand that people want to be warned about those stories so consider this a warning! Beginning with the Mirror: Ten Stories about Love Desire and Moving Between Worlds

Jean Genet stated: Anyone who knows a strange fact shares in its singularity. **Beginning with the Mirror book series** A few strange facts within this book the latest collection by Shirley Jackson award finalist Peter Dube are: the heat within a boy or a man can be muscular be with purpose be all consuming; mobs become consuming entities shifting and hungry and with no humane intention despite being once composed of humanity; poets and actresses and students are words and words have power and resonance and walk on two legs and sometimes soar but more often haunt; and we can never forget that memories batter and wound their shape defined like a blade or reflective like a silver-backed mirror: **Beginning with the Mirror pdf reader** Bones to carry their flesh... As with Dube's other work a close reading will be a rewarding one. **Beginning with the mirrormask** I have always enjoyed his palette of language and the way he polishes his extended metaphors until they glisten, **Beginning with the Mirror ebook pdf free** These ten stories leave you with much to think about as well as admire: **Beginning with the mirrorz lyrics** Beginning with the Mirror: Ten Stories about Love Desire and Moving Between Worlds I read this for Week 1 of the #readproud challenge in the Gay Contemporary category. **EPub Beginning with the mirrorless** This is a collection of dark sensitive gay stories with sometimes more than a dash of magical realism, **Book Beginning with the mirror mirror** I don't know how I'd missed Peter Dubé's work previously (I am thinking I might have read a short story by him in Wilde Stories. **Book Beginning with the mirror pdf** The more of the magical the better the stories worked for me; my favorite was Blazon where sexual desire is sublimated into pyrokinesis. **PDF Beginning with the mirror screen** or is it? I have read several stories by different authors along these lines but this one is my current

favorite: **Book Beginning with the mirrors** There is often a kind of distancing from magical elements the sort of but are we SURE that's what happened that is somewhat of a non-genre literary trope, **Book Beginning with the mirror lake** One can read this book as contemporary or as speculative and in both cases it will be rewarding, **Beginning with the Mirror bookworm** Sometimes the stories had elements I generally dislike and they still worked well for me; the hallmark of a good author: **Book Beginning with the mirror lake** Where the stories were weaker was when they started to meander; I felt the tighter-plotted ones were more memorable and powerful: **Book Beginning with the mirror pdf** I will definitely need to pick up more of Dubé's work; I have a gay anthology edited by him in my TBR pile that I'm also looking forward to reading. **Beginning with the Mirror kindle book** Note that not all of the stories end well: sometimes people separate sometimes they die: **Beginning with the mirrormont** But as I've said many times before and I continue to say over and over again I think queer people should write whatever they want including tragic stories, **Book Beginning with the mirror and ending** Dube's short stories are eerie and fantastical and chip away at the known world until there are wide cracks that reveal many a strange fact to all of us at once. **Book Beginning with the mirrorless** Beginning with the Mirror: Ten Stories about Love Desire and Moving Between Worlds.

. Plot? Yes but always secondary to character and voice. Disclosure: I got a print reviewer copy from Lethe Press.?) but it was clearly a mistake. Sometimes there is anti-gay violence
