

The Leader's New Work: Building Learning Organizations -- Journal Article (MIT Sloan Management Review Book 31) By Peter M. Senge **The Leader's New worko** Nu nog toepassen! :) The Leader's New Work: Building Learning Organizations -- Journal Article (MIT Sloan Management Review Book 31) Over the past two years business academics and senior managers have begun talking about the notion of the learning organization. **Book The Leader's New workday** And in late May of this year at an MIT-sponsored conference entitled Transforming Organizations two questions arose again and again: How can we build organizations in which continuous learning occurs? and What kind of person can best lead the learning organization? This article based on Senge's book The Fifth Discipline: The Art and Practice of the Learning Organization begins to chart this new territory describing new roles skills and tools for leaders who wish to develop learning organizations. **PDF The Leader's New workday login** He is also founding chair of the Society for Organizational Learning (SoL) a global community of corporations researchers and consultants dedicated to the interdependent development of people and their institutions. **Kindle The Leader's New workers** He is also founding chair of the Society for Organizational Learning (SoL) a global community of corporations researchers and consultants dedicated to the interdependent development of people and their institutions.
