

Husband Hunters By Genevieve Gannon **Husband hunters by anne courcy** Readers who enjoy a story that makes them smile and laugh and cheer for characters that are easy to like and bond with will eagerly turn the pages to find out how they do. **Husband hunters book** Because this book was very entertaining and every character had their own unique story so I was like reading three books instead of one! This should've already made me loathe this book but the way it was written was made so fluently that the transitioning from one point of view to another wasn't awkward. **Husband hunters by anne courcy** On first glance she may seem lacking in the brain department because of her beauty and previous job.

Husband hunters by anne courcy

Husband Hunters is a tongue-in-cheek look at the dating game from the perspective of three friends all of them successful women in their mid-30s whose efforts at finding the love of their lives have gone seriously awry. **Find book review on husband hunters** Daniela a construction engineer who has plenty of men friends is a total disaster when it comes to sustaining a romantic relationship and Annabel a model turned successful entrepreneur is still recovering from her breakup with an egoistic control freak. **Husband hunting with confidence** There is a bit of intrigue about who they will eventually fall for -- yes they do find their own happy-ever-after endings -- and the journey of how they get there makes for an entertaining read. **Find book review on husband hunters** Contemporary Humor and Comedy Suspense Husband Hunters by Genevieve Gannon is a refreshingly funny and honest romantic comedy about three school friends Clementine Annabel and Daniela who reunite at a friend's wedding. **Husband hunters by anne courcy** They decide that they are sick of being single and it's time for them to get serious about finding husbands so they from the Husband Hunters a club dedicated to finding each one a suitable husband. **Husband hunters by anne courcy** Being able to read about each one from the others' perspective means that you really get to know each them much better than if you were only getting one side of the story. **Husband hunters by anne courcy** Contemporary Humor and Comedy Suspense This was a decent book but I should have known just from the first few chapters that for the most part I would think to myself CAN'T YOU SEE THAT THE MAN FOR YOU IS RIGHT IN FRONT OF YOUR DAMN EYES!?! But you know 95% into the book they all figured it out. **Husband hunters book** Contemporary Humor and Comedy Suspense Amazing book! Could not put it down! If this is Genevieve's first book I can't wait to see what she comes up with next! Contemporary Humor and Comedy Suspense

Clementine a psychologist specialising in couples counselling is reeling from the discovery that her boyfriend is married. **Husband hunting with confidence book** Husband Hunters Husband Hunters by new to me author Genevieve Gannon introduces the reader to three friends who decide to toss out all their ideas and everything they know about dating love and romance and take a more practical approach to finding the perfect mate. **Husband hunting with confidence book** Annabel is a former model who now runs her own public relations company and struggles with finding a man who will take her seriously and appreciate her for her brains and not just her cleavage. **Husband hunting with confidence** There were some surprises along the way but at the end of the story I was pleased at who Clementine Humor and Comedy Suspense Three women come together at a

society wedding. **Find book review on husband hunters** They decide to make lists of what they want in a husband but is that what they truly need? Contemporary Humor and Comedy Suspense This was a bit of an accidental thing that I got this book but I am glad I did. **Find book review on husband hunters** Clementine Annabel and Daniela are tired of going to other people's wedding and devise a bit of a plan to find a husband without the romantic trappings that have been such a downfall in the past. **Husband hunting with confidence** The main reason I gave it 4 stars instead of 5 is that I read fiction since it is fiction I want JUSTICE I want every jerk to be taken down every slight revenged this book had a few too many realistic encounters and if I wanted realism I would read non-fiction. **Find book review on husband hunters** It started out making me think it would be exactly the way I wanted it since it DID begin that way at the opening wedding scene but it let too many great opportunities get away. **Husband hunting in mens clothes manga** I must say that in this kind of readings usually I'm expecting clichés and lots of I've seen this before however since I know they are there for a purpose it doesn't upset me quite much. **Husband hunters book** The initial concept is what it is: 3 women looking for husband material changing the premisses and the paradigms of first dates in order to improve their capability of choice with the aim to find the perfect fit. **Find book review on husband hunters** What I liked the most is exactly the paradox of discovering that the essential true of good and well matched relationships doesn't appear from a guide of external factors but from the essence of each person. **Husband hunters by anne courcy** Subjects such as relationships feminism entrepreneurship prejudice gender equality death perseverance and capability of dreaming were all explored with the certain dosage since this wasn't the kind of book to take them too serious and with profound analysis and reflections. **Husband hunters by anne courcy** The other important idea is the possibility of starting again of creating refreshing moments and the idea that having the courage to change isn't something just to the beautiful girls or perfect ladies but that is created from the courage of every single person - they just need to want that. **Husband hunting with confidence book** - Cláudia Contemporary Humor and Comedy Suspense Full review posted on my blog: Husband Hunters by Genevieve Gannon Cover: 5 Plot: 5 Characters: 5 Overall Rating: 5 When I saw this book on NetGalley I was mildly curious because the cover was amazing another evidence of me being a cover whore and the second was because of the very intriguing synopsis. **Find book review on husband hunters** Although from the things listed above I should have already read this book the time I got approved for this I tried pushing it further and further because I was afraid it would turn out horrible. **Husband hunters book** I loved the fact that they were paired with people who they would never usually go for like in the case of Annabel and also the fact that the dynamic between the girls was so engaging that no part of the book was a bore. **Find book review on husband hunters** To end my review I would just like to say that Husband Hunters was a wonderfully crafted piece of literary work that is perfect for woman and men alike who would like to sit down and relax with a very entertaining book: The story left me wanting more and I would love to see a story that revisits these remarkable women and where their lives take them next: **Husband hunting with confidence book** My Final Verdict: Husband Hunters was a lot of fun to read and I highly recommend it to readers who have a romantic streak, **Husband hunting with confidence** Readers who know that the happily ever after we all seek can be elusive and is a lot of work will enjoy this book as they join these characters on their hunt, **Husband hunting in mens clothes manga** Disclaimer: I received a complimentary copy of Husband Hunters from the publisher in exchange for an honest review. **Husband hunting with confidence** Contemporary.

Husband hunting with confidence book

I reached the point where until the book was almost Archived so I had to read it. **Husband hunters book** The book starts off with Clementine who had an almost perfect relationship with her boyfriend Jason who had a wife which she did not know until just recently: **Find book review on husband**

hunters She was my favorite from all of them because she was very tomboyish and was an Engineer, **Find book review on husband hunters** She was in love with a guy who had been a part most of her life though he only treats her as a friend. **Husband hunters book** A former model who now has a thriving PR Business which she totally adores, **Husband hunting with confidence book** Clementine a marriage counsellor is devastated when she finds out that Jason the guy she is in love with and hopes to marry is already married. **Husband hunting in mens clothes manga** So the three friends decide to change tack and hatch a plan: to use their considerable professional skills to find husbands for themselves, **Find book review on husband hunters** After all with their biological clocks ticking and a 'man drought' situation you don't want to leave it to chance and romance! I enjoyed this book: **Husband hunters by anne courcy** Some of the situations are laugh out loud funny and the characters are well sketched: **Husband hunting in mens clothes manga** Even the secondary characters -- the potential husbands -- get quite a bit of play in the story: **Husband hunting with confidence** On the flip side there is too much point-of-view detail from each of the three heroines which makes the story drag in parts: **Husband hunters by anne courcy** I loved Annabel's character and her habit of associating every potential husband with a paperback romance complete with a cover and title for their very own love story: **Husband hunting with confidence** And even though I could empathise with Clementine's angst I thought it took her overly long to get over her cheating boyfriend Jason, **Husband hunters book** The story is told from the POV of each of the three members of Husband Hunters which I thought worked really well. **Find book review on husband hunters** There is plenty of romance lots of laughs and well-developed and likable characters: **Find book review on husband hunters** Contemporary Humor and Comedy Suspense Thanks to NetGalley and Harper Australia for a free e-arc of this book. **Husband hunting in mens clothes manga** Husband Hunters features Clementine Annabel and Daniela 3 old school friends who had fallen out of touch until they re-meet at a mutual friends wedding: **Husband hunting with confidence** They get talking and discover they are all unlucky in love and then decide they need to take a new approach: **Husband hunting with confidence** The Husband Hunters decide to take a more business like approach to finding men taking love out of the equation and just finding compatible men. **Husband hunters by anne courcy** Clementine is a psychologist specialising in couples counselling Annabel is an ex-model who now runs her own food PR company and Daniela is a civil engineer. **Husband hunting with confidence** The book is written in alternating view points between the three girls and really deals with some of the dating situations you are likely to encounter: **Find book review on husband hunters** It was very funny in places and generally an enjoyable read by a promising new author, **Husband hunters book** Annabel an ex-model only seems to attract men who want her as a trophy: **Husband hunters by anne courcy** Abandoning the romantic notions of true love that haven't worked out for them the three decide to use their considerable professional skills to find a partner. **Husband hunting with confidence** This isn't about hearts and flowers; it's about being practical, **Husband hunting with confidence book** Warm and witty Husband Hunters is about what happens when you try to engineer love: **Husband hunters by anne courcy** Clementine is a psychologist who counsels couples whose marriages need help: **Find book review on husband hunters** Her world takes a sucker punch to the gut when she discovers her boyfriend is married. **Husband hunters book** Daniela is an engineer who works for a construction company and pines for a man she has known since college but who seems to regard her as one of "the guys, **Husband hunting with confidence** "The author does a marvelous job of bringing to life characters the reader easily feels comfortable with and cheers for: **Husband hunting with confidence** I loved that each character got equal time on her personal situation and the reader gets a good opportunity to get to know each one individually, **Find book review on husband hunters** As each of these remarkable women embark on their plan to find the perfect husband I looked forward to what would transpire with each meeting and date, **Find book review on husband hunters** I especially liked that these women weren't just about wanting to commit their lives to any man or relationship: **Find book review on husband hunters** They come across as realistic and organized in their endeavor knowing that they may not succeed and being OK with that

too. **Husband hunting in mens clothes manga** This story made me laugh out loud several times at some of the antics they have to endure on their journey and there were some bittersweet and sad moments too, **Husband hunting with confidence** The author does a fantastic job of drawing on the reader's emotions while keeping the story unique fresh and entertaining, **Husband hunting with confidence book** Which makes it hard for her to believe that her work as a marriage psychologist is doing good things. **Find book review on husband hunters** Daniela has found her true love -- but he just sees here as a friend and business partner, **Find book review on husband hunters** Annabel is an ex-model (I know poor her) but most men only want her for her looks. **Husband hunting in mens clothes manga** Throughout the books each woman has to work through her own issues to find the man that she truly belongs with, **Husband hunting in mens clothes manga** This is the story of three ladies who think they need to find some husbands and they have a plan and with all plans they never go exactly the way you planned , **Husband hunting in mens clothes manga** This was a very funny story with some very serious parts but overall it was a great reading experience and loved the story, **Find book review on husband hunters** you will laugh there are a couple of places you might cry there are a few places you might get mad (I did) with a lack of justice, **Find book review on husband hunters** Bottom Line: This is a GREAT read when you want something light and funny but not too light this is a great book. **Find book review on husband hunters** Still I highly recommend this book as that book you get and put aside until that day when you don't know what to read this is THAT book for THAT day :) Enjoy , **Husband hunting with confidence book** Contemporary Humor and Comedy Suspense I will start this review by saying that I received an online copy of this book through Netgalley in exchange of a honest review. **Husband hunters by anne courcy** Feminine literature isn't one of my fortes but sometimes I like to read one or another to distract my mind during the busiest weeks: **Find book review on husband hunters** That was the main reason I choose to read Husband Hunters from Genevieve Gannon, **Find book review on husband hunters** And although I did found some in this book I also found a scent of originality which surprised me very much and made me read it with more pleasure, **Find book review on husband hunters** Of course it is to much constructed and rehearsed which couldn't work well: **Find book review on husband hunters** This book present us 3 different women with different weaknesses desires expectations and dreams and definitions of what is a perfect man, **Husband hunting in mens clothes manga** I also enjoyed the balance between the romance with other subjects and secondary stories that gave a profundity to the plot and with style: **Husband hunting with confidence** But even so it was able to create a fun reading without goofy characters (just to be make fun on) and added a touch of originality to the story, **Husband hunting with confidence book** To cut the story short she later proves all the misconceptions about her wrong with how she handled her business: **Find book review on husband hunters** They were college friends who lost contact and was reunited by an acquaintance's marriage and that was the start of their adventure: **Husband hunting in mens clothes manga** Received digital edition from Netgalley in exchange for an honest review Contemporary Humor and Comedy Suspense.

Annabel and Daniela end up with. And that was a very big mistake on my part. Then there's Daniela. A job that not a lot of females are welcome. ouch Last but not the least is Annabel. I was provided an ARC by Netgalley.com in exchange for a honest review. I really enjoyed reading Husband Hunters. Originally posted at <https://scatterbooker.wordpress.com/2>. This is my honest review. Hence the Husband Hunters are formed. They all bring their professional skill sets to the task. Daniela a civil engineer is stuck in the friendzone. They've all given up hope of true love. Clementine's boyfriend is married
