

Philosophical Ethics ebookers

Why is ethics part of philosophy? Stephen Darwall's *Philosophical Ethics* introduces students to ethics from a distinctively philosophical perspective one that weaves together central ethical questions such as "What has value?" and "What are our moral obligations?" with fundamental philosophical issues such as "What is value?" and "What can a moral obligation consist in?" With one eye on contemporary discussions and another on classical texts *Philosophical Ethics* shows how Hobbes Mill Kant Aristotle and Nietzsche all did ethical philosophy—how for example they sought to gain insight into what has value through understanding what value itself is. **EPub Philosophical ethics** After an introductory section and one on main approaches to metaethics chapters discuss "modern" philosophical moralists—Hobbes Mill and Kant—and pre- and postmodern philosophical approaches to ethics in Aristotle Nietzsche and the ethics of care. **PDF Philosophical ethics** Themes include the nature of value and moral obligation freedom and choice human flourishing excellence and merit radical critiques of morality and the importance of relationships for human life. **Philosophical Ethics epub file** *Philosophical Ethics: An Historical and Contemporary Introduction* ISU: Independent Study English The main lesson I learned from this book is that philosophers are stupid and like to come up with theories that no rational person in the real world would ever believe: **Philosophical Ethics ebooks online** Throughout the reader is invited to do—rather than just read about—philosophical ethics and in doing so to think through questions that face all thoughtful human beings.
