

How to Kill Monsters Using Common Household Items By Jason Offutt "How to Kill Monsters Using Common Household Items" is a guidebook on how to rid your life of these monsters before they kill you so sharpen that machete and gas up the weed whacker folks. •Behavior of the Monster while you're trying to kill it•Disposing of the body•Monster powers•Monster weaknesses•How to avoid the Monster"How to Kill Monsters Using Common Household Items" is a must have home defense guide for the do-it-yourself slayer. One thing is certain: you will walk away from this book as one bad ass monster killer (bad ass factor 10 out of 10) Jason Offutt With a title like this you'd think this would be either very educational or very funny,

You too can understand that setting gnomes on fire with a Bic lighter and a can of Aqua Net is funny, Jason Offutt Fire! Guns! Murica! Jason Offutt Jason Offutt has penned a book that is something a little different: HOW TO KILL MONSTERS USING COMMON HOUSEHOLD ITEMS puts the content of the book right on Front Street, Inside you'll learn how to off a dozen different beasties along with some further invaluable advice: The redundant formula of the chapters can make it feel long and overdone: Fortunately.

The human race is an endangered species. Vampires werewolves Bigfoot and killer robots - they're all trying to kill us: Can it get more obvious? We need to rid the world of these monsters before they rid the world of us, But these monsters aren't real right? Wrong and you're dead. These creatures wander the periphery of our reality waiting for a moment of weakness and then attack us while we're home alone in our underwear: Each chapter contains:•How to identify the Monster•Who's going to help you kill it•Your arsenal and where to keep it (Kitchen Bathroom Living Room Garage etc: After using this book Offut's witty writing style saves ot from becoming flat out bland, I'd like to read something more story driven from this writer given his humorous style on display here. You could read this book and actually find a useful survival tip or two: I was hoping to like this book a lot more than I did: The first few chapters had me captivated but it became repetitive after just a short time: There was also the question of why the author was so set on getting me to believe that horror films are real sources of knowledge about monsters, Like other Offutt books I've read this one pokes very close to the line of going too far and sometimes doesn't know when it's crossed it. How to Kill Monsters Using Common Household ItemsDNF. Humour felt forced. This reads like a How To book.This is a fun read. Killer robots even have the word "killer" in their name. All of them.)You may read this book and come away entertained. You hay even get a home run recipie for white bread. Well I tried. Jason Offutt.
