

Poor Polidori: A Critical Biography of the Author of The Vampyre By David W. Macdonald
MacDonald's Chapter 10; Chapter 11 on Ernestus Berchtold; or The Modern Oedipus is a great background read for those interested in automatons. **Poor police sketches** Hoffman and Polidori? They were contemporaries and their styles are very reminiscent: **Poor police sketches** 9780802027740 Poor Polidori: A Critical Biography of the Author of The Vampyre David Whyte Macdonald CBE FRSE is a Scottish zoologist and conservationist. **Poor police sketches** He has done much to popularize biology with the general public. **Poor police sketches** He is known for his documentary films and his popular books for which he has twice won the Natural World Author of the Year award[1]

This is a great foundational text on Dr. Polidori author of The Vampyre. For fans of vampire literature I especially recommend D.L. Has anyone written about E.T.A. Some of the interests (automatons) too.
