

DIY Writing Retreat: A Guide to Getting Away By Alicia de los Reyes With step-by-step instructions to planning and running your own escape DIY Writing Retreat will show you how to schedule time for your retreat find a cabin or cabin-equivalent to stay in and separate yourself from the rest of the world. Kindle Edition Delightful quick and practical read that I was inspired to read by her episode on the Marginally Podcast! I'm doing NaNoWriMo and now I'm trying to figure out how to DIY my retreat during a pandemic:

DIY Writing Retreat is a guide to making time and space for you to do exactly one thing: write: Then it will guide you through the entire retreat from writing prompts to relaxing activities. Written by the acclaimed author of DIY Chick Lit this fun guide is sure to motivate writers at every stage from aspiring authors to experienced novelists: Time to write alternates with fun activities that will energize you and keep you going, A worksheet guides you to reflect on your writing process and set goals for when you return home, There are even (super easy) recipes for breakfast lunch and dinner: DIY Writing Retreat: A Guide to Getting Away Quick but to the point. Something you can use at home a lavish location or anywhere in between: Simple enough that I'm thinking of simply setting up a retreat at home. I didn't think I could do it until reading this book so five stars, Kindle Edition VERY short but a lot of good advice to work with for planning set up doing and coming back from a DIY writing retreat. Good easy to follow tips. □ Kindle Edition
