I liked the story. I want to see who the heroine will fall for romantically. There is a romantic triangle

thing going on. But I'll have to wait for the next book. Awsty. Even though she didn't want her grandmother at first. This is an emotional story at times with tears grief laughter joys hope forgiveness love and faith. 5 star read. Great characters. I especially fell in love with Awesome Beauty's grandmother. What an amazing godly woman. Just a wonderful novel. Recommend to anyone. The very day she turned eighteen she was gone. {site\_link}
