. Kindle Edition Too short!!!!!!No where near enough. I need more Mac and Conner. These books are really great. I love reading about Ashley and Blake as well. We first met Grace in the Protecting Their Mate series. The dialogue is smart well written and flows effortlessly. The characters are captivating engaging raw and sexy as sin. Now Grace is protected by Lucas and his pack. Something that both thrills and unnerves the she-wolf. Laughs. They have always needed each other. He didn't do to bad a job up until Grace.he just doesn't think so. This pack.now! Grinz. Short sweet and oh so hot. I do recommend it. Enjoy. Now she finds herself drawn to two very different wolves. And Mac's inner darkness calls to her own feral cravings. He'll keep her safe defend her--with his life if necessary. But he can't risk his heart. But claiming the curvy beauty is anything but simple. When Grace goes into heat all bets are off. Because only one thing matters--soothing her fever. For adult readers. And boy are they hot together. Can't wait for the next book. Kindle Edition I love Mia Thorne and her Shifter books.The Wolf shifter pack dynamics are intense
