

Bucky Barnes: The Winter Soldier #2 By Marco Rudy **Bucky Barnes booker** 5 Kindle Edition The Winter Soldier (WS) goes up against the Frozen Wolves of Niffleheim! And who is holding the 'chain' behind the scenes? None other than Loki! This is really an amazing reimagining of the WS; full of twists and turns that you will not see! Love the 'movie poster' look to this comic - would be a great book to get signed at a convention! Kindle Edition What if the fear that can turn into the rage of the soul is but a gate to walk through so thou canst see Bucky Barnes is already whole? The strange.
