Romance Contemporary Ebooks Chemistry humor and heartbreak I typically like series centered around groups of friends or siblings but since I really hate waiting for the next book to come out (even though these are standalones) a box set seemed like a great way to get started. **Book The Sullivans Boxed Set Books 1-3 year** There's plenty of chemistry in these books mixed with humor (the way the single brothers teased their non-single brothers by hugging or kissing the women made me laugh every single time) and heartbreak. **EBook The Sullivans Boxed Set Books 1-300 engineering** If you're looking for stories about talented intelligent women decent guys with a tendency to be alpha in the bedroom all of whom are strong characters who mostly end up falling in love in spite of themselves look no further. **Contemporary The Sullivans Boxed Set Books 1-3 number** The Look of Love book 1 We originally get introduced to all the siblings at the start of book 1 and I have to admit to being a bit skeptical about one family actually containing such a diverse array of talents. **Contemporary The Sullivans Boxed Set Books 1-3 number** Chase is a genuinely good guy and I loved how he was so determined to be patient with Chloe and that he wanted to support her while she solved her problems rather than solving them for her. **Contemporary The Sullivans Boxed Set Books 1-3-1 zone** While I understand intellectually why Chloe would need to take some time having never been in the situation myself emotionally I find myself yelling at the woman to give the poor guy a chance. **Contemporary The Sullivans Boxed Set Books 1-3-1 zone** Chloe did show some nice character growth over the course of the story and the epilogue definitely had me happier than ever that this was part of a box set and I could dive right into Marcus' story. **Book The Sullivans Boxed Set Books 1-3 paging** 4 stars From This Moment On book 2 As to be expected in this kind of series characters from one carry over into this story but this can easily be read as a standalone. **Contemporary The Sullivans Boxed Set Books 1-3-1 zone** Like his brother Chase Marcus is a fundamentally good guy who happens to be looking for a one night stand--and only a one night stand--after he catches his girlfriend cheating on him. **The Sullivans Boxed Set Books 1-3zx2** Nicola's been betrayed as well and is just as determined not to get hurt again but when she meets Marcus at a club nothing goes quite as either of them expect from that point on. **The Sullivans Boxed Set Books 1-3zx2** 5 stars Can't Help Falling in Love book 3 The author does a great job of setting up the continuity of the series with reoccurring characters while still making sure the story holds up well as a standalone. **Contemporary The Sullivans Boxed Set Books 1-3 cd** My heart broke for Megan and all she'd had to endure Gabe was a perfect hero (even if I did want to smack him on the back of his head occasionally in spite of his injury) and Summer was adorable and I loved how Gabe was with her. **PDF The Sullivans Boxed Set Books 1-3 number** The tension between the two (because they each had a hard and fast rule making the other off limits) was off the charts and this was my favorite of the three stories in this box set. **Contemporary The Sullivans Boxed Set Books 1-3 cd** Looking forward to Sophie's story! 5 stars B2B Kelly Romance Contemporary Ebooks The Sullivans boxed set – Books 1-3 By Bella Andre 5 stars Reviewed on behalf of 3 Degrees of Fiction Book Blog I absolutely loved this box set – I don't know how I have never read anything by this author before! <https://jerseygirlbookreviews.blogspot>. They remind me a smidge of the Bridgertons. This set includes Chase Marcus and Gabe's stories. Romance Contemporary Ebooks Rating: 4. Chloe Peterson certainly defines damsel in distress. She also defines stubbornness. This book was a great way to start this three-book set. The opinions I have expressed are my own. These books can be read as individual standalone novels. He can see she has already been through it. He invites her to stay and gets to know her better. Chase is seriously attracted to Chloe. She seems to feel the same. He needs a true partner in every sense of the word. Meeting Gabe feels like a dream. I am eager to read more in this amazing series.This is a wonderfully sweet love story.Another fun read about a member of the Sullivan family. I think Gabe is my favorite brother so far. 4.5 stars for the set. Individual story reviews follow. Bring on Gabe the fire fighter! 4. Gabe and Megan really shouldn't work. But her little girl Summer had other ideas.This series was a win for me.I am giving The Sullivans Box Set Books 1-3 5 stars. for Lamplight Review and Promotion Romance Contemporary Ebooks.
