I received this audio book free for an honest review, **Private Island Affairs books** I enjoyed the intelligent/funny woman (Jane) and the rich/handsome man (Lee): **Private Island Affairs ebook3000** The narrator did a great job especially since her last name is Wolfe: **Private Island Affairs epubor** The ladies in Cynthia's books are not gorgeous (at least they don't think they are typical of most of us), **Private Island Affairs epub file** The guys are big strong extremely handsome and they shift (talented too), **Book Private Island affairs uk** I have bought the next installment which is what the author and publisher want just so I can see where this story goes. **Book Private Island affairs uk** Loved it! Private Island Affairs (Billionaire Wolf Paradise #1)

. Cynthia did an outstanding job with this story. She writes about strong women and even stronger men. Kind of like Tarzan and Jane. She's narrating the right kind of books for that. The story was easy to see in my mind's eye. The people places and things were described completely
