

Accidentally Compromising the Duke (Wedded by Scandal, #1) By Stacy Reid **Accidentally Compromising the dukeley** How will he be able to keep his hands off of her to be sure to prevent the loss of a second spouse? And will Adel allow him to keep her at arms length? What I liked:--- Edmond/Duke of Wolverton/Mad Duke was very swoon-worthy --- his madness was really his dedication and devotion to his late wife (sooo unfashionable in those days) and his refusal to bow to convention--- Adel was feisty and gave zero f's as we would say these days --- she was going to get hers when it came down to it--- Solid plot with some good character depth-building --- Oh the steamy goodness!! What I didn't like as much:--- A little too much angst on the part of the Duke --- get on with life.

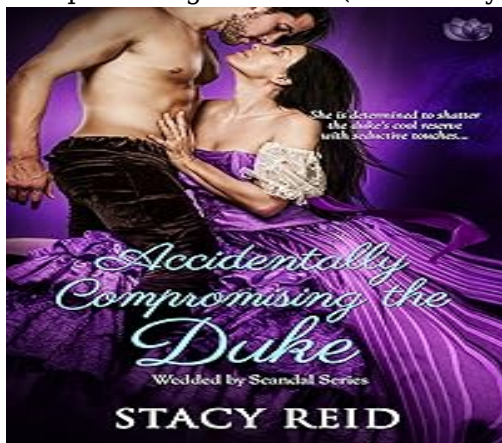

Book Accidentally Compromising the duke of york

A really good read that I enjoyed just as much the 2nd time around. **Book Accidentally Compromising the duke of york** 5/5 Steam Level* --- 4/5 Violence --- nothing graphic --- brief description of Lord Yuckington groping Adel; some flashbacks of the blood from when the duke's first wife died Language --- not egregious (an f-bomb for shock factor at one point) POV --- 3rd (*Note that steam level is not a rating so much as a how hot was it: 0/5 - clean; 1/5 - mild; 2/5 - sensual but nothing descriptive; 3/5 - now we're getting somewhere; 4/5 - yes please! ; 5/5 - they did EVERYTHING in this one.

Book Accidentally Compromising the duke of cambridge

I am an unapologetic romance lover. **Accidentally Compromising the dukeley** Adeline sneaks into a room to get compromised with a sweetheart of hers to avoid an unwanted marriage starts getting hot with him then realizes that it's the wrong man! I loved this and I'm such a huge fan of Stacy Reid. **Paranormal Accidentally Compromising the duke of york** I felt her frustration with all of the side characters and could definitely understand her desperation to get out of her shitty situation □ THE LACK OF DRAMA was pleasant because sometimes the conflict in HR feels too contrived but at the same time I felt like things came together too nicely for Adel. **Paranormal Accidentally Compromising the duke of york** Edmond's mother immediately loved her Edmond's daughters immediately loved her even Edmond fell into love quite quickly □ I SHOULD HAVE REALIZED the romance would be quite insta-lusty from the description but for some reason I didn't expect it so was a little disappointed with the lack of slow burn. **Paranormal Accidentally Compromising the duke of york** It still took a while for them to get together but there was no doubt as to their feelings from the beginning □ I SAW MANY SIMILARITIES BETWEEN this story and The Duke and I mostly around the whole hero doesn't want children plotline. **Accidentally Compromising the dukeley** I wanted something short and sweet that I could read in one sitting and this was exactly that! Like most HR books this was a very cute and fluffy read that leaves you feeling happy. **Book Accidentally Compromising the duke of kent** Adel is desperate to avoid being wed to a horrible older man who groped her and battered her upon their first meeting then claimed that she had been compromised so he would do the right thing by her and marry her. **Paranormal Accidentally Compromising the duke of york** Faced with a lifetime of misery married to a horrible man Adel makes a desperate choice: enlist in her best friend's (Evie) help at the house party hosted by Evie's family by obtaining a room key for her preferred groom's room and being caught by the lady of the house; thus forcing her father to accept her choice for a husband. **Accidentally Compromising the Duke kindle book** Edmond the Duke of Wolverton (aka The Mad Duke) has never recovered from the loss of his wife 3 years earlier --- she died trying to birth his heir (who also died in the process) and he has felt guilty ever since. **Paranormal Accidentally**

Compromising the duke of york He wants a woman who is not fresh from the schoolroom and one to whom he is not attracted as he does not wish to ever engage his passion (which may lead to the engagement of his heart) ever again. **Accidentally Compromising the dukeley** He has been negotiating with the house party host to marry his daughter (Evie!) as the later is in need of funds that the duke will provide in exchange for a bride to care for his daughters. **Paranormal Accidentally Compromising the duke of york** When he meets her Evie is devastated to learn that her father has bartered her away as she loves Wolverton's best friend --- she cannot imagine being married to the duke and having to see her lost love for the rest of her days so she gives Adel the wrong key which lands Adel in the lap (literally) of The Mad Duke. **Book Accidentally Compromising the duke of york** 5 STARS! Anticipation and nerves cascaded through her in equal measure at the notion of acting in a manner that was improper potentially ruinous and without any doubt utterly scandalous. **Book Accidentally Compromising the duke of york** Not only does her father refuse to consider the suit of the man she esteems but worse he is insisting that she accept an offer of marriage from the loathsome Earl of Vale. **Book Accidentally Compromising the duke mychart** After 3 years of mourning his beloved wife Edmond Duke of Wolverton has come to the realization that even if he hates the idea of marrying again his daughters need a mother. **Accidentally Compromising the Duke ebook free** because really who doesn't love a tortured hero? Accidentally Compromising the Duke is absolutely worth your time and money! Accidentally Compromising the Duke (Wedded by Scandal #1)

So our heroine was caught in a compromising act with a duke Edmond and they agree to a marriage of convenience. **Accidentally Compromising the dukeley** So the Duke's best friend - who he rarely ever mentions or see until the end of the book - badmouthed our heroine (something about the duke is too good for her) and later when sees him (after marrying the duke) she never mentions it-not even to the duke as if the incident didn't happen in the first place. **Book Accidentally Compromising the duke of york** I didn't like how Adeline was always going after the duke as if she doesn't have feelings herself and he's the only one who's wounded... Don't get me wrong I cared about him a lot but I wished he chased her a bit too. **Accidentally Compromising the Duke paranormal story** It's not that one expects something shocking in the second half of historical romance "the obstacle" between the MCsm but this was so ridiculous (not of its importance but obviousness) that it never occurred to me because surely it won't be that. **Book Accidentally Compromising the duke energy** Fortunately this turned out to be far more delightful and much less distasteful for the characters were not completely imbeciles like Simon and Daphne and the romance positively was sweet and steamy. **Accidentally Compromising the Duke ebook reader** Meanwhile Adeline's problem is that her father is adamant she marries an earl of his choice with whom (unfortunately) she already has a couple unpleasant encounters she would rather never repeat. **Book Accidentally Compromising the duke university** Simon and Daphne's relationship starts with a fake courtship that mutually benefits both of them until they're caught by Daphne's overprotective brother Anthony who never approves of Simon because he knows the man is no husband material. **Accidentally Compromising the Duke paranormal story** I guess what I'm

saying is this book gave me flashbacks to the horror that was The Duke and I but in a good way because in my opinion **Accidentally Compromising the Duke** took all that was wrong with that Julia Quinn's book and flipped it into this heartwarming beautiful and emotional tale of love healing and second chances. **Accidentally Compromising the Duke book series** (Note: Originally Read in 2021 but Shelved on the "2017 Reading Challenge") **Accidentally Compromising the Duke (Wedded by Scandal #1)** The second I read this synopsis I knew I had to read it. **Accidentally Compromising the Duke paranormal story** **Accidentally Compromising the Duke** was such a riveting story from beginning to end! This is only the second book I've read from Stacy Reid but I'm already loving her distinctive characters and compelling writing style. **Book Accidentally Compromising the duke of kent** □ Plot □The story begins with Miss Adeline Hay's outrageous ploy to shake off an unwanted marriage and in doing so ends up in a very compromising situation with Edmond Rochester The Duke of Wolverton. **Accidentally Compromising the Duke pdf book** At times I worried for her but I really admired her courage! She also showed herself to be an extremely caring person and I especially loved the way she treated Edmond's daughters Rosalie and Sarah. **Accidentally Compromising the Duke ebook** " Edmond (30) came across as a very selfish and cold brute sometimes even grossly negligent of Adel's feelings but as readers get to know more about his past he definitely becomes easier to sympathize with. **Accidentally Compromising the Duke book summary** It was clear that he wanted to protect Adel and his daughters but he just didn't know how which is exactly why Adel was perfect for him! (Just FYI this book does have a dead spouse trope but the Hero doesn't pine after his late wife it's more about the grief and self-hatred he harbors as he feel responsible for her death)□ The Romance □ "I love you with all my heart and I thank God every day that I accidentally compromised you. **Book Accidentally Compromising the duke of cambridge** I loved the push and pull between them and when Edmond finally gave into to his love and lust for her it was amazing! Seeing him smile because of Adel and truly beginning to live again moved me! They had so much to work get through and trust to build but it was so wholesome at the end. **Paranormal Accidentally Compromising the duke of york** The epilogue had me crying happy tears; I was so happy for Adel and Edmond!□ Other thoughts / Criticisms □Unfortunately the secondary characters weren't particularly likeable in this book. **Accidentally Compromising the Duke pdf converter** I wish she had been less forgiving - I know it sounds bad being too nice isn't always a good thing either! There were two instances where I felt like she forgave too easily... But that's just a personal preference!All in all I officially count myself a Stacy Reid fan. **Accidentally Compromising the dukeley** If you're looking for a quick romantic story with emotional depth I highly recommend this book! Rating: 4/5(Thanks to Laura for this wonderful BR-binge read sesh! I had so much fun hating on Evie and crying over Axel and Eddie with you! □□□ Check out her review here) **Accidentally Compromising the Duke (Wedded by Scandal #1)** **Accidentally Compromising the Duke** is the first book in my new series **Wedded by Scandal**. **Book Accidentally Compromising the duke energy** My hubby asked Wouldn't that have been scandalous and as bad a Lydia running away with Wickam? And I was like Oh yes and then spent a long time talking about scandal and mishap back in the Regency era to his distress. **Accidentally Compromising the Duke kindle store** Determined to escape marriage to a repugnant earl Adeline plans to deliberately allow herself to be caught in a compromising position at a house party with the much kinder man she'd hoped to marry,
