

A Joosr Guide to... The Lean Start-Up by Eric Ries: How Today's Entrepreneurs Use Continuous Innovation to Create Radically Successful Businesses By Joosr The Lean Start-Up by Eric Ries: How Today's Entrepreneurs Use Continuous Innovation to Create Radically Successful Businesses The Lean Start Up was a gift from my friend and business partner. I began to read this book out of respect for the gift but it soon became a book I could relate to. The lean Start Up gives business starters/owners and the like a wake up call on how to keep a business new or current refreshed and moving forward. So many concepts have validation and it does help you to appreciate when you must (as a business owner) accept change and move forward from obstacles and to keep your company succeeding.

And how to meet those needs · Why many promising startups end in complete failure-and how to avoid this happening to your great idea. After finishing the book I will always keep it on the shelf to pick up again at various stages I'm my company to keep moving forward and for guidance. English Insightful book for the new methodologies for developing modern business, English
