Integrala pieselor de I. L.L. His sons {site_link} Mateiu I. Caragiale and {site_link} Luca I. Caragiale were both modernist writers. Then I did not get the humor for a time. We were teenagers when we were supposed to appreciate Caragiale. However I think the language barrier was the crucial issue. Now that I have heard them so often I get the point. Portraits true to form today. Quite funny and relevant even 130 years after its premiere. Recommended. The funny moments will make you laugh out loud
