

The Alexandria Affair (Captain Lacey, #11) By Ashley Gardner **Alexandria affordable apartments** 298 I will confess to being a complete sucker for stories set in Egypt during the height of the (admittedly irresponsible and culturally ruinous) rediscovery and excavation of all the ancient sites. **The Alexandria affaird** • My reviews (all 4 stars) so far: [] - #1-The Hanover Square Affair [] - #2-A Regimental Murder [] - #3-The Glass House [] - #4-The Sudbury School Murders [] - #4. **The Alexandria affaire meric** x-The Necklace Affair and Other Stories [] - #5-A Body in Berkeley Square [] - #7-A Death in Norfolk [] - #8-Disappearance in Drury Lane [] - #9-Murder in Grosvenor Square [] - #10-The Thames River Murders I LIKE - Yes.

While I wouldn't have previously said that the London setting in most of the first ten books was getting stale this one definitely shakes things up a little bit by showing us a glimpse of what was going on in another part of the world during this time period. **The Alexandria affaires pc** It was very refreshing and I'm now kind of hoping Lacey will take other vacations elsewhere in future books (my fingers are always crossed that there will continue to be many more books to come in this series). **Alexandra affaire conclue enceinte** The start of this book is so funny...I wondered how Ashley Gardner would get Gabriel on a boat while his wife was expecting in light of how excited he was about the baby. **Alexandria affordable housing list** The Alexandria Affair takes Captain Lacey to Egypt in the year 1818 and along this journey are dandy Grenville (without his odious mistress Marianne) bodyguard Brewster and footmen/brothers Matthias and Bartholomew. **Alexandria affordable housing** ~ Listening to a 8:15 hours audiobook edition narrated by as the always perfect grumpy Captain Mr James Gillies ~« Captain Lacey's best friend Mr Grenville at last persuades him to join him in an expedition to Egypt to visit various ancient sites. **Alexandra affaire conclue** A girl from his first marriage years ago as a young soldier • Most often Lacey solves his crime cases with his best friend Lucius Grenville London's most famous dandy and sometimes also with the actress and his former neighbor Marianne Simmons yes yes !! 298 A New Papa? [] With his best friend Lucius Grenville Captain Gabriel Lacey is traveling to Alexandria Egypt. **The Alexandria affairage** This time Captain Lacey accompanies Grenville to Egypt - or rather he finds that his wife has arranged to have him abducted and plonked on board ship for although he has long wanted to see the land of the pyramids he didn't believe now was the most opportune time. **The Alexandria affaires pc** There are several threads within this story; the inscrutable James Denis - crime lord extraordinaire tasks Lacey with recovering a lost manuscript supposedly from the library at Alexandria the untimely appearance of another Captain Gabriel Lacey - claiming our beloved Gabriel is an impostor how dare he! - causes confusion and mayhem; the search for ancient treasures - can't miss out on that; the odd murder being entombed alive and several rather serious clashes have you turning the pages with increasing rapidity. **Alexandra affaire conclue enceinte** Brewster - who I think is such a great foil to Gabriel and Grenville - Mattias and Bartholomew and although at first it seemed odd without Donata and Marianne the tale unfolded so quickly I barely had time to miss them. **The Alexandria affaire meric** He discovers though that the burgeoning market for antiquities has made Egypt's ancient history open for plunder bringing forth ruthless men who will not stop short of murder for the sake of a fortune: This is a trip with Lucius Grenville and has been

planned for a year. **The Alexandria affairage** Lacey tries to back out but he is doing a little too much hovering so off he is sent, **Alexandria affordable housing list** This was a time when any and everyone was digging up the past in Egypt and sending it out of the country: **The Alexandria affaire audin** Lacey has been asked to find a book from the original library in Alexandria. **The Alexandria affaire ilan** All in all a really good story that adds more depth to the series, **Alexandria affordable housing list** This can stand alone but reading the series from book one is much more fun, **Alexandria affordable housing list** 298 Lacey and Grenville head off to Egypt to tour and dig for antiquities. **The Alexandria affaire meric** There are a couple of more interesting (good and bad) second characters always popping up in every book, **Alexandra affaire conclue** • The writer Ashley Gardner is a pseudonym (or the opposite) for Jennifer Ashley, **Alexandria affordable housing list** I seems to like most books and series by her pen - romances or not, **Alexandria affordable housing list** Her award winning Captain Lacey Regency mysteries have garnered top reviews and an enthusiastic following, **Alexandra affaire conclue enceinte** Her award winning Captain Lacey Regency mysteries have garnered top reviews and an enthusiastic following. **The Alexandria affaire ilan** More about the series can be found at {site_link} {site_link}.

Gabriel Grenville and Brewster (along with the footmen) in Egypt, **Alexandra affaire conclue enceinte** Of course Gabriel's innate sense of justice gets them in a few scrapes but also brings about some allies along the way. **The Alexandria affaire meric** The shadow has followed them and they encounter one of Denis' agents too. **The Alexandria affaire balkany** It's hard to believe a book without Donata Marianne and the rest of Gabriel's circle could be this good but it's a great episode: **The Alexandria affaires pc** 298 So far this has been the best book in the series for me, **The Alexandria affaird** It was so refreshing that the story was entirely focused on the machinations and mysteries far from London and without a lot of personal drama weighing the story down, **Alexandra affaire conclue enceinte** 7 Stars - As always fun enjoying and suspenseful Book #11 — Published in December as audiobook and I of course quickly downloaded: **Alexandra affaire conclue** More than a month later and it was great to start at last: **Alexandria affordable housing** A historical crime by Jennifer Ashley / Ashley Gardner is usually a good book choice for me. **Alexandra affaire conclue** » The series author / pen-name my reviews: • There are so far 13 (soon 14) fulllength Captain Gabriel Lacey novels, **Alexandra affaire conclue enceinte** Historical crime whodunit's set a few years after the Napoleon war with a new mystery case to investigate in every book-part, **The Alexandria affaire balkany** • Our main character Captain Gabriel Lacey is veteran of the Peninsular War in Regency era England. **The Alexandria affaire ilan** A proud man with a big

heart of good family but without any means: **Alexandria affordable housing** In the start he needed both money and love and had an itching bad leg wound, **Alexandria affaire conclue enceinte** His life was kind of a mess and he had a lot to handle: **Alexandria affordable apartments** Since a couple of books is luckily our beloved Captain happily married to a beautiful and sissy 30 years old noblewoman Donata (by now pregnant with their first baby together): **The Alexandria affairiste** At last Lacey also found his French teenage daughter Gabriella: **The Alexandria affairisme** Despite wishing to stay home with his wife who is expecting their child Lacey reluctantly decides to go (he had no choice): **The Alexandria affairisme** When longtime gangster James Denis discovers that he is traveling to Egypt he requires Captain Lacey to acquire an item to bring back with him to London: **Alexandria affaire conclue** I have read all the Captain Lacey Mysteries and each one is as good as if not better than the previous one. **The Alexandria affaire ilan** Donata however was having none of it; so once Lacey has reluctantly accepted his fate off they go. **The Alexandria affaire balkany** Some of my favourite characters are also along for the ride. **The Alexandria affairage A** hotchpotch of other mercurial personalities add life and colour to this fascinating tale: **Alexandria affordable housing** All of the characters are beautifully drawn and the descriptions of Egypt were so vivid I could see hear and smell the scenes. **The Alexandria affaire ilan** Highly recommended! 298 Lucius Grenville at last persuades Captain Lacey to join him in an expedition to Egypt to visit various ancient sites. **The Alexandria affairage** Lacey is excited to go though torn about leaving his new family[1]

Gagged and put on a ship for Egypt. I loved the history that is brought out in the book. There is a lot going on in the book. Someone is still trying to kill him. He makes a new enemy. While there.
