Another fun one! Though not as good as the previous ones supernatural beings and mystery. **Ebook curse of the nandi free download** Curse of the Nandi (Society for Paranormals #5) I just LOVE Bee's adventures! I know this book dealt with some serious issues; the bubonic plague zombies and Kerits and vampires and Cilla moving away; but I enjoy her wit (they're all a bit witty) and the rest of the cast of character's!
