

Royal Families of Medieval Scandinavia, Flanders, and Kiev By Rupert Alen

Royal Families of Medieval Scandinavia, Flanders, and kievnet

Royal Families of Medieval Scandinavia Flanders and Kiev Not enough attention has been paid by lineage compilers to the kingdoms of northern Europe though the Scandinavian countries have some of the most ancient monarchies still in existence — even when the putative descents from Odin are discounted. **Royal Families of Medieval Scandinavia, Flanders, and Kiev epub air** Alen and Dahlquist (who are married) are amateur genealogists and there's a certain amount of fluff in this volume but the level of the research and writing is generally quite high and there are numerous lineage charts throughout, **Book Royal Families of Medieval Scandinavia, Flanders, and kievian** The early monarchs of Denmark for instance appear in 9th century Frankish records and Rurik traditional founder of Kiev was almost certainly Swedish: **Book Royal Families of Medieval Scandinavia, Flanders, and kiev** The counts of Flanders descend from a daughter of Charles the Bald: **Royal Families of Medieval Scandinavia, Flanders, and Kiev epub.pub** Flanders in fact is the link between the Carolingian dynasty and the ruling houses of Denmark and Sweden. 244.
