

## The Greek Tycoons Bride By Helen Brooks

استمتعت بهذه الرواية جداً كانت من ضمن اولى الروايات التي اقتنيها بنفسني من شارع المتنبي 2008 بعد عام من تفجيريه حين أخذني والدي اليه ولم يكن كما هو متنبني اليوم. She's headstrong stubborn and gave as good as she got! This book was a perfect read for my day off! 0373122551 I am wary of Harlequin novels about rich dynamic Greek or Italian or Spanish men; they stereotype these men as overbearing jerks who find their comeuppance with some unlikely lady. Toda la novela es así hasta que el protagonista le dice que la ama y ella le dice que no que no le cree y ahí tira el veinte por ciento bueno que le quedaba al libro. Not only did she have some serious daddy issues she was rude and obnoxious to everyone in her path; including the hosting family and the hero who didn't deserve all the trouble she dished out. focused on wooing the heroine in his totally Greek macho way! I appreciate when an author can build tremendous tension drama sexual chemistry and passion without having to rely on the standard formula. I feel if you are going to write about exotic locales with exotic characters you should make an effort to better understand the culture and accurately represent it to your readers. However I could look past that because the rest of the story was so wonderful! 0373122551 This heroine is just WAY too neurotic for me :( 0373122551 Plot was a bit of a slow burner. Got better about the last 20 % 0373122551 He has everything money can buy—except a wife! Confronted with Andreas Karydis Sophy is convinced arrogance is a Karydis family trait! Wealth power devastating looks—no wonder Andreas has women falling at his feet. Only then she discovers why he doesn't want her as his mistress—he wants her as his bride! The Greek Tycoons Bride{site\_link} Rita Bradshaw was born on 1949 in Northampton England where she was educated as a good Christian. They have three lovely children Cara Faye and Benjamin and have always had a menagerie of animals in the house which at the present is confined to two endearing and very comical dogs who would make a great double act on TV! The children friends and pets all keep the house buzzing and the food cupboards empty but Helen wouldnt have it any other way. Although having enjoyed some wonderful holidays abroad she has never been tempted to live anywhere else although she rather likes the idea of a holiday home c {site\_link} Rita Bradshaw was born on 1949 in Northampton England where she was educated as a good Christian. They have three lovely children Cara Faye and Benjamin and have always had a menagerie of animals in the house which at the present is confined to two endearing and very comical dogs who would make a great double act on TV! The children friends and pets all keep the house buzzing and the food cupboards empty but Helen wouldn't have it any other way. Although having enjoyed some wonderful holidays abroad she has never been tempted to live anywhere else although she rather likes the idea of a holiday home close to the sea one day. Being a committed Christian and fervent animal lover she finds spare time is always at a premium but long walks in the countryside with her husband and dogs meals out followed by the cinema or theatre reading swimming and having friends over for dinner are all fitted in somehow. She also enjoys sitting in her wonderfully therapeutic rambling old garden in the sun with a glass of red wine (under the guise of resting while thinking of course!)For years she was a secretary. She began writing in 1990 as she approached that milestone of a birthday 40! She realized her two teenage ambitions (writing a novel and learning to drive) had been lost amid babies and hectic family life so set about resurrecting them. Her first novel was for Mills and Boon and was accepted after one rewrite in 1992 as Helen Brooks and she passed her driving test (the former was a joy and

the latter an unmitigated nightmare!) She has written 50 novels as well as several sagas as Rita Bradshaw. Since becoming a full time writer she has found her occupation one of pure joy and often surprised when her characters develop a mind of their own but she loves exploring what makes people tick and finds the old adage truth is stranger than fiction to be absolutely true: اعتقد انها الرواية  
0373122551 Annoying bitchy heroine 0373122551 Creo que Sophy había leído muchas novelas de griegos de Harlequin, Andreas es cautivante y conquista tu simpatía antes que te percares de sus sentimientos:  
0373122551 I enjoyed this book! And it was a kind of refreshing read from the usual HP: The hero wasn't the vindictive type yes he's arrogant gorgeous mega-rich but he wasn't a jerk to the heroine, Sometimes the story is good and sometimes there is almost no story just sex scenes tied together with obnoxious dialogue, This book has a good story with enjoyable sympathetic main characters and a few decent minor characters, Unusually the love story is straightforward too and he courts her patiently with a true courtship not simply an angle to get her into bed, 0373122551 The Greek Tycoon's Bride is the story of Sophy and Andreas, When Sophie's twin Jill and nephew Matthew have to visit her deceased husband Theodore's family she decides to accompany them. Expecting the family to be as shitty as her late brother in law she is surprised to perfectly kind in laws and an enigmatic brother Andreas, This book actually had a good back story for the in laws and I liked that they weren't stereotypical evil: However the heroine was extremely frustrating in all her denial and pushing away and while the hero relentlessly pursued her- for some stupid reason she kept running away. 5/5 0373122551 El histerismo de la protagonista arruina por completo la novela. Él le cuenta un episodio muy triste de su vida y la besa pero ella después de disfrutarlo irrumpe en acusaciones llegando a compararlo con el hermanastro y el padre violador: Tiene un final kind-of-feliz pero que sabemos que en unos años estos dos están cada uno por su lado, 0373122551 This one didn't quite stand up to the test of time but I will keep my rating because there were some enjoyable moments. Starting with the hero! He was absolutely scrumptious; if Greece has more of him just sign me up for a long extended stay. I also liked the storyline where her sister reunites with her deceased husband's family. HB has a certain mold that she adheres to; woman dealt a bad hand by a nasty man therefore she hates all men forever and ever and ever, The first couple of times it works but then after awhile it starts to wear on the reader. I was hoping the heroine would fly off into the sunset (alone) and the hero would find someone kinder gentler and more worthy of him. The author was able to create such tension without relying on the typical Hero/jerk complex: In fact he was the exact opposite! He was a man on a mission. The only negative that I could find with this novel is that the author did not really understand the Greek culture and made some very bad mistakes in her writing. One example is at the end the wedding she described was not a Greek wedding and it would have been very unlikely to find an Anglican Church on a Greek island, Spending the summer at his Greek home Sophy is relieved when Andreas insists on separate rooms. She met Clive her husband at the age of 16 and now the magic is still there: She met Clive her husband at the age of 16 and now the magic is still there, She would love to hear from any readers care of Mills Boon. solo eso para explicar sus perjuicios. Un hombre enamorado que lucha por su mujer. And the heroine wasn't a doormat. Enjoyable. Egh. So continues my bad reading streak. Safe1. It was interesting and well written. Now for the negative. The heroine just got on my nerves. I feel very very sorry for the hero. Especially this time where it was so overplayed. Below is my original review. \_\_\_\_\_ I really really enjoyed this book. Though Andreas was one healthy sexy arrogant leading man. he was not cruel abusive or vindictive. This was a wonderful change of pace. She still lives today in Northampton with her family. She still lives today in Northampton with her family. {site\_link}.
