

Shadowrun Legends: Burning Bright By Tom Dowd Why shouldn't it be? But will money and experience be enough to defeat the terrible power growing beneath the city of Chicago? Shadowrun Legends: Burning Bright Riddled With OCR Scan Errors and/or Editing Notes I read this in print when I was a kid. **Shadowrun Legends epubs** The kindle edition (if not the print edition) is absolutely shot through with what has to be bad OCR scanning from the original books or a copy of an edited manuscript (there are actual editing notes that point toward a consistency reader): **EPub Shadowrun legends arceus** The story is fun (and horrifying) though not as satisfying the second run through now that I'm older, **Shadowrun Legends epub reader** If you can get past the bugs (pun intended) of the port from print.
