

Academia of the Beast: A Dark Retelling of Beauty and the Beast By K.N. Lee **EPub Academia of the beastie** I usually only find some of the spelling mistakes or missing words or wrong words sort of thing I definitely do not have a masters in English to know if there's grammar mistakes.

Academia of the Beast ebook download From missing words words placed in the wrong order to extra words to info in parts not meshing with previous paragraphs or chapters (they'd be bloopers if this were a movie) or to referring to things one way then a different way (calling the prince a king before she is able to fix things is one) made for choppy reading having to go back & re-read things to make sure I read it correctly. **Academia of the Beast book 1** Her good-for-nothing boyfriend leaves her penniless to the point where the police take her small apartment right before the winter season where their small town closes-shop for six weeks. **EPub Academia of the beastie** It was choppy at best but had a lot of potential to be an amazing story Fantasy Fiction Horror I really wanted to give this more stars but in the end the bad outweighed the good. **Book Academia of the beast book** Unimaginative descriptions that seemed to be missing key elements Artificial dialog & trite phrases Uninteresting sex scenes A few times I was tempted to stop reading but it was a relatively short story so I forced myself to continue. **Horror Academia of the beast book** I feel like it would have flowed a little better but overall not bad and I liked the plot twist Fantasy Fiction Horror Even if this was a short story I was not so keen on it and I found the plot very forced. **Beast academy lower school** When one of her best friends receives an invitation to the end of season Winter Ball Allyn would rather sulk about her boyfriend leaving her instead of partying at the most exclusive club in the kingdom. **Academia of the Beast fiction book** peculiar the walls whisper and the prince's mysterious twin brother struggles with the decision to keep or kill the witch he's hunted and once lost Allyn struggles with the desire to tame the beast within the prince or escape to freedom. **Academia bastida arrasate** Discover an enchanted world of witches and a cursed prince in this steamy modern retelling of Beauty and the Beast Praise for Academia of the Beast: Wow I think is the best interpretation of Beauty and the Beast I have ever read. **Academia of the Beast horrorhound** Magic fairies wolves ghosts and witches what more could you ask for? The story being good was the only reason I was able to finish the book: **Beast academy lower school** This really needed better editing & beta readers to catch the mistakes. **Academia of the Beast book series** I do wish it would have been said what she actually was I don't think witch is the answer: **Academia of the Beast ebooks online** I did start out a bit confused was it a modern dystopian story or a fanciful fake world: **Academia of the Beast epub reader** It almost felt like the world building had a split personality which in the end in a weird way kind of went with the story: **Academia of the Beast ebook pdf** But it did make it hard to get into the story at first cause I was confused, **Academia of the Beast horrorhound** I also didn't feel a connection between her & the

beast side which in my mind is part of beauty & the beast story, **Academia of the Beast fictional** Lee is a fast-paced fairytale retelling of the Beauty and the Beast with a dark twist: **Academia of the Beast pdfescape** I couldn't put it down and finished it in two sittings! Allyn is a witch a breed that's being hunted down by the rulers of Elastria. **Kindle Academia of the beasts** Right before the winter begins Allyn goes to a party where she meets one of the princes of Elastria Conall a man she has met many years prior, **Book Academia of the beast book** From there the novel picks up as Conall has to leave for the winter but promises to return once the cold season ends. **PDF Academia of the beast free** As those words fell from her lips [Allyn] began to wonder who the witch was in this scenario... because she was sure Conall had her under a spell. **Book Academia of the beast summary** Characters in Academia of the Beast are beautifully flawed, **Book Academia of the beast pdf** You can't help but love them all even the dark and evil ones, **Academia of the Beast horrorhound** I loved the twin brothers my heart ached for Lennox whom I despised at first but grew to love as the book progressed: **My hero academia mythical beasts** One of the things I liked was the rivalry between the brothers: **Book Academia of the beast summary** From the beginning we are told of Lennox's darker nature and we already see Conall's romantic and kind side, **Academia of the Beast epub download** None of the others were able to do the things she did that night in the woods: **Academia bastida arrasate** The novella keeps you on edge full-time with lots of dark twists even till the very end, **Book Academia of the beastie** She saw within him a soul just as lost as she was. **Academia of the Beast ebook download** One of the cool things that popped up a couple of times in Academia of the Beast were the quotes from the original Beauty and the Beast movie/cartoon, **Academia of the Beast book 1** After I finished it I went over a couple of parts I had enjoyed, **Academia of the Beast ebooks online** Fantasy Fiction Horror This is a quick read but not very gripping: **Beast academy lower school** One moment her friends are adamant she stays and the next they encourage her to leave while it is the winter winds when no one is supposed to be outside: **Academia of the Beast pdfescape** The story of course was good but I can't give the author full credit for that because it was based on a classic: **Book Academia of the beast summary** I did enjoy the artistic license she used in telling the story, **Book Academia of the beast free** There were definitely some interesting twists on the fairy tale we all know: **Book Academia of the beast free** That said here are the things that bothered me: Poor editing - This ranged from homophone misuse to repetition of words: **Book Academia of the beastie** In the end it was just a fluff piece of little consequence: **Book Academia of the beasts** Fantasy Fiction Horror This was supposed to be a retelling of Beauty and the Beast but I found it a bit far-fetched, **Book Academia of the beast pdf** Though there were some scenes where I found myself recognizing parts of the movie, **Academia of the Beast epubublishing** I liked it because it was short and therefore fast-paced and there is a nice twist towards the end of the book. **Book Academia of the beastie** May contain spoilers!!! I really feel bad when I give a book a poor review but I can't help it in this case, **Book Academia of the beastie** I was thoroughly disappointed with this retelling of the Beauty & the Beast: **Academia of the Beast pdf** After getting dumped by her ex and getting evicted she just falls in love with another guy in the next two minutes, **Academia of the Beast book series** Like come on? I felt there was absolutely no chemistry with her and Conall at all, **Book Academia of the beasts** I didn't get any feels whatsoever and after one night of passion suddenly this guy is a soul mate? I mean she barely even knows him: **Academia of the Beast fictional** I would have liked to see some development in the relationship before the characters just jumped into bed with each other, **Fantasy Academia of the beast pc** Plus I felt that she constantly needs a man in her life to make her feel worthy, **Academia best english jerez** I felt like the story was taking place somewhere in America not some fantastical kingdom. **Accademia beatrice bracco** Plus the characters use gadgets that we use in everyday life which was not really exciting: **Academia of the Beast book 1** I would have preferred something more immersive even if the book length was short, **Academia of the Beast fiction vs** We come across all these different names like Aude Khia Conall, **Book Academia of the beasts** But then suddenly when we are swept to a new place the fairy characters seem to have Swedish/European names: **EPub Academia of the beast pdf** But guess

what the Fairy Queen and King are named Anton and Svetlana but their daughters have Indian names? Where did that come from? I was so majorly confused. **Academia of the Beast book 1** The only thing I did like about the book was the twist and shocking revelation. **Accademia beatrice bracco** The introduction of various fantastical creatures like ghosts and so on was also a good idea: **Beast academy lower school** I also felt the MC Allyn showed some spine and spunk towards the end, **Academia of the Beast fiction vs** I also did like Lennox as a character but we don't get to see him much. **Academia of the Beast epub reader** However that doesn't mean I won't read anything else by K: **Beast academy lower school** Hopefully one of her other books are better than this one: **Academia of the Beast books** Fantasy Fiction Horror Free read from InstaFreebie or Red Feather Romance: **Academia beauty center** Part of it contained a spoiler but I literally just guessed at something based on the info given up to that point, **Academia of the Beast horror stories** Also criticized the love scene for not being consistent and slightly cringe-worthy, **Book Academia of the beast free** Go decent level of raunchy and higher or stay at blush level, **Academia of the Beast books** It's confusing to read about it and then visualize how it looks. **Book Academia of the beast book 5 Stars**This was a light easy and enjoyable read lacked a bit of depth the heroine was bland and the world building was pretty non-existent but I still liked it. **PDF Academia of the beast book** Fantasy Fiction Horror

The story itself really had a lot of potential though. Fantasy Fiction Horror

Academia of the Beast by K. N. Allyn didn't want to be a princess. She just wanted someone to be good to her. The two connect and their once-innocent love is rekindled. Shortly after that Allyn is more or less kidnapped. Character development is strong and pleasant to see. The comparison between the brothers is huge. We found her. Conall froze. What? You heart right.... Not just any witch. We found the one that Lennox told your father about. She sounds incredible. And no one escapes Lennox. Whatever you do don't let Lennox find out. It also had several beautiful lines and dialogues. When he held her hand she was at peace. Overall Academia of the Beast is a must-read. I would definitely read this again. It is fast paced and the plot did not really seem stable? It was not entirely whole. I was often confused as situations made no sense. Fantasy Fiction Horror Nice take on a classic. Kinda wish it was longer. Fantasy Fiction Horror Unpopular opinion coming up. And there are several reasons for this. One the MC Allyn is a major Mary Sue. Gosh!!! The girl is so boring and delusional. I mean her character is so cliched. I don't like characters that just give in to guys. I like girls who can stand on their own two feet. Plus she makes some pretty stupid decisions along the way. Second the worldbuilding wasn't so great. The author does introduce some new places for the reader. But it felt too close to reality. I would have liked to see some new stuff described. Third there are inconsistencies with character names. I would have liked more his backstory. Other than that I felt the writing was just lazy. I like my books to be consistent with credible details. I like unforgettable and flawed characters. I didn't get that with this book. So yeah. I was not too keen on this story. I have read better retellings. N. Lee. Odd that my previous update isn't on here. The two don't mix so don't try. I'm almost done and I don't understand her power. Not reading more of this series if it is one. Fantasy Fiction Horror 3. N. Sold and betrayed by her lover. Allyn escaped the hunters once before. As a witch she risks capture every day. The curse of the castle is strong. This one intrigued me the most so far
