## What does the wind whisper

The author of too many novels to count Bethany Kris is a Canadian lover of much and mother to four sons a glaring of cats and a pack of dogs. **Book where the wind whispers review** Todas las historias que he leído de Bethany Kris me han encantado por algo es una de mis autoras favoritas especialmente en el género de mafia pero esta trilogía en concreto tiene algo especial que me hace amarla un poquito más que a las demás. **The whisper on the night wind book** Inicie esta lectura como si fuera una niña la mañana de Navidad con estrellas en los ojos y una gran sonrisa y aunque es cierto que algunos sucesos que ocurren en Where The Wind Whispers no me convencieron completamente en su conjunto esta tercera parte fue todo lo que esperaba como cierre de la saga. **Where the wind whisperst tour** La historia de amor de Violet y Kaz es una de las más intensas apasionada y memorables que he tenido la suerte de encontrar y en este libro queda aún más patente porque son una pareja tan magnífica tal vez en ciertos momentos extraña que hubiera un poco más de romance entre ellos no obstante quede satisfecha al leer sobre su matrimonio y futuro. **Where the wind whispers book review** es la clase de historia que no se centra solo en un tema sino que la autora sabe desarrollar de una forma asombrosa las diferentes líneas que componen Where The Wind Whispers. **Where the wind whispers book review** En resumen una conclusión de serie formidable cerró todas las tramas abiertas y no dejó ni un solo punto sin unir y si no le doy las cinco estrellas es debido a que ciertas decisiones de Kaz me parecieron un poco tibias esperaba verlo más despiadado que nunca sobre todo después de el final de Where The Snow Falls además en algunos instantes su comportamiento no me encajaba con su personalidad. **Book where the wind whispers review** The twists and turns the suspense the anxiety I was experiencing - so much so my stomach was in knots at times and I couldn't read fast enough to find out what was going to happen next. **Where the Wind Whispers kindle direct** 75 done stars The conclusion of Violet and Kaz's tumultuous love story followed by the immediate bloodshed in their families' war revenge doesn't ask any questions it consumes you and devours you it makes you harden and little pieces inside of you die along with it. **What does the wind whisper** beside that IT turned them both into two people who stood beside each other and existed for each other protecting one another even if it went against everything they were born and raised into. **Where the Wind Whispers ebook** but all I got was the notion that Violet and Kaz were the product of this embedded cruel merciless life being born into it and brought up to follow the very same code made them especially Kaz the very same cruel merciless murderous frame of being he fought AGAINST no matter the reason he fought FOR. **Book where the wind whispers review** Sé que dije en el primer libro que lo quería ver más peligroso

I loved it. I wish the characters just could have agreed to disagree. It got me hooked. The forbidden romance gave me all the feels.There is death where the wind whispers. It will all come to an end . Right back where it first started . New York's streets are bloodier than ever. No souls are safe in this war. The games are over. I've loved

every minute I spent with Kaz and Violet. 5+ stars for a truly exceptional series. 204 It's safe to say I've really enjoyed this series. In fact at times I felt my attention wandering. It all went as expected. This one just . I don't know. I'd love to start with Kolya and Maya. Most of all I'm going to miss Kaz. This was a highly explosive finale. I loved every scene with these two. Whether it was intense dangerous sexy sad or funny. They loved the best when they were hard rough and raw. Bethany and London I hope there's more from you two. \*\*For more reviews and blog posts. 204

To put herself in that position took strength. But luckily for these 2 their love could survive it. And with that love comes that passionate heat. También hubo mucha acción y alianzas. El final fue de lo mejor me encantó. I just wished the story contained something more logical. 204
