A Fresh Start My take:I was contacted by Ms. Grace regarding reviewing A Fresh Start. It had me intrigued about the novel's plot. Sometimes it feels as if everything is falling apart. Paige Watson finds herself in that very situation. It is the only way she can feel safe again. There are no two-ways about it the novel needs it. He was always there for her. Although the other reviews criticized grammar errors typos etc. I gladly filled him in every time I took a break. I am in love with the idea of the West. I didn't want to put it down.
