

The Persian Always Meows Twice (A Cat Groomer Mystery #1) By Eileen Watkins **The Persian Always Meows twice** While in Cassie's care Harpo becomes a hot ticket as some of those involved believe he may come with an inheritance but before long Cassie finds herself in danger having Harpo in her care. **The Persian Always Meows Twice booker** With this one being centered around a cat groomer I'd definitely say the book is for cat lovers as the author does get very detailed and specific to that profession to the point that I almost wondered if it was a bit too much kitty info in the beginning. **The Persian Always Meows Twice kindle reader** I'd also note that while most books of this nature have the police constantly saying stay out of the investigation it was kind of nice to have a detective admit that someone like Cassie may get people to open up and talk more than the police would. **The Persian Always Meows twicedo** I love the theme of the series as I am a cat lover.
