

Into Autumn: A Story of Survival (Four Seasons Book 1) By Larry Landgraf

## **Into autumnalis cherry**

This book surprised me! I wasn't sure what to expect when I started this book but I was engrossed from the very beginning! At times it was very slow paced and other times things happened very quickly. **Into Autumn Science fiction vs** Without disclosing a spoiler all I can say is there was a scene toward the end of the book that left my heart hurting because of the bond I had developed with these characters. **Into Autumn nonfiction books** I look forward to reading the next book in this series! I love it when I feel a connection with a book! Larry Landgraf Quite frankly "Into Autumn" was one of the more boring books I've read in my life and I struggled even to make it through the introduction. **Book Into autumnal equinox** If he had narrowed his focus just a bit instead of throwing in as many genre elements as possible in hopes of appealing to the broadest audience it might have been quite good. **Into autumnjadefics twitter** Time and again history has shown what happens when people panic en masse and the looting and killing are not beyond the pale if something so catastrophic were to occur in the U. **Science Fiction Into autumn 2021** The dialogue also read like it was written by someone who'd never had a conversation with another human being and such comments as "Sam like most men didn't notice anything until Sally brought it to his attention" were a turn-off. **Book Into autumn lake** The slow pace allowed me to become very well acquainted with the characters and even though there was a little repetition with the names I came to care for these individuals, **Into Autumn epub reader** There were some things that didn't quite add up to me and things that were a bit of a stretch but it didn't take away from the story in my opinion: **Into Autumn kindle paperwhite** Landgraf hinted and teased at a world falling apart of chaos and looting of the struggle to survive...and then didn't tell that story, **Book Into autumn blaze** Instead we are given an over-descriptive minutely-detailed journal about daily life without modern conveniences: **Into autumnfallings** There's no pizzazz no real tension or suspense no action—nothing to excite the reader's imagination. **Book Into autumn leaves** The plodding pace and repetitive narrative had me drifting off and while I usually love romance in my novels it was out of place and weird in this story: **Science Fiction Into autumn 2021** There really was potential buried here; the events leading up to it are quite feasible and survivalists are even now preparing for this outcome. **Into Autumn bookkeeping** This could have been a gripping terrifying thought-provoking survival adventure but if I wanted 'could' I'd write the story myself. **Into autumnjadefics twitter** The story also wasn't helped by the mundane and sort of hum-drum characters. **Science Fiction Into autumn 2021** As a group there didn't appear to be anything particularly special about them and I occasionally lost track of who was who and where they were and why: **Into Autumn book** I found myself rolling my eyes on multiple occasions and wishing the author had avoided the stereotyping and clichés: **Into autumnfallings** Perhaps I wasn't paying enough attention but the only thing that stood out was the frequent use of semi-colons: **Into Autumn pdf24** They tended to break up thoughts and contributed to the clunky bland choppy feel of Mr: **Into Autumn Science fiction vs** I don't think they were incorrect technically but they were intrusive: **Book Into autumnal equinox** Also this is not so much an editing issue as it is an artistic choice (or lack of) but the cover was pretty disappointing, **Book Into autumnal equinox** A stock photo of lightning doesn't give the reader any hints about the plot or characters nor much incentive to pick up "Into Autumn": **Book Into autumn leaves** Bottom line: The contrived cliffhanger wasn't nearly enough to tempt me to read more by this author, **Book Into autumn blaze** If you're looking for something to help send you off into sleep this is a good choice. **Into Autumn kindle reader** But if you're looking for a dystopian adventure there are far better choices, **Kindle Into autumn reeser** Larry Landgraf What would you do to survive? Lars lives alone in the Texas countryside as the economy collapses and his world becomes a dystopian nightmare. **Into autumncore** Joined by 'city gal' outsider Eileen he and his neighbors band together in their "Peaceful Valley: **Book Into autumnal equinox** " Utilities are cut off grocery stores close gas stations close and there is shooting in the neighborhood,

**Book Into autumn ridge** Could you survive? Lars Eileen and the neighbors struggle with tough decisions while fending off predatory invasions in an increasingly violent and lethal world. **PDF Into autumn leaves** Could you protect yourself from deadly force? Richard Tucker and his two grown sons have been thorns in Lars's side for years, **Book Into autumn reeser** The boys raid his garden root cellar and smokehouse regularly. **Into autumncare support** As times descend further into chaos Lars fears the boys may harm Eileen should she get caught off-guard, **Into Autumn book** Will Lars go along with Reggie's plan? Jesse is the lone survivor of a massive intruder raiding party upon Reggie's homestead: **Into autumnfest 2022** They can't let him go free can they? Into Autumn is a sweeping adventure a thought-provoking saga that could happen to us all. **EPub Into autumn leaves** Into Autumn is book one of the Four Seasons Series about much more than murder sex and violence: **Book Into autumnal** A set of twin boys are born out of the chaos to Lars's son and Reggie's daughter: **Into autumnfallings** Into Autumn ends with two of the boys grown now leaving home for the first time to find wives: **Book Into autumn lake** A whole new set of challenges unfold as they run into the ruthless dictator of Corpus Christi Sandra Hawkins. **Into Autumn Science fiction vs** Into Autumn: A Story of Survival (Four Seasons Book 1)

. Mr. I think the problems with this novel stem from Mr. Landgraf trying to make it too many things.S. The editing in "Into Autumn" wasn't terrible. Landgraf's writing style. Lars's best friend Reggie has an easy solution. There is no law any more to deal with Jesse. But it doesn't end here. Samuel and Sally Lin have a young son and daughter.
